

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

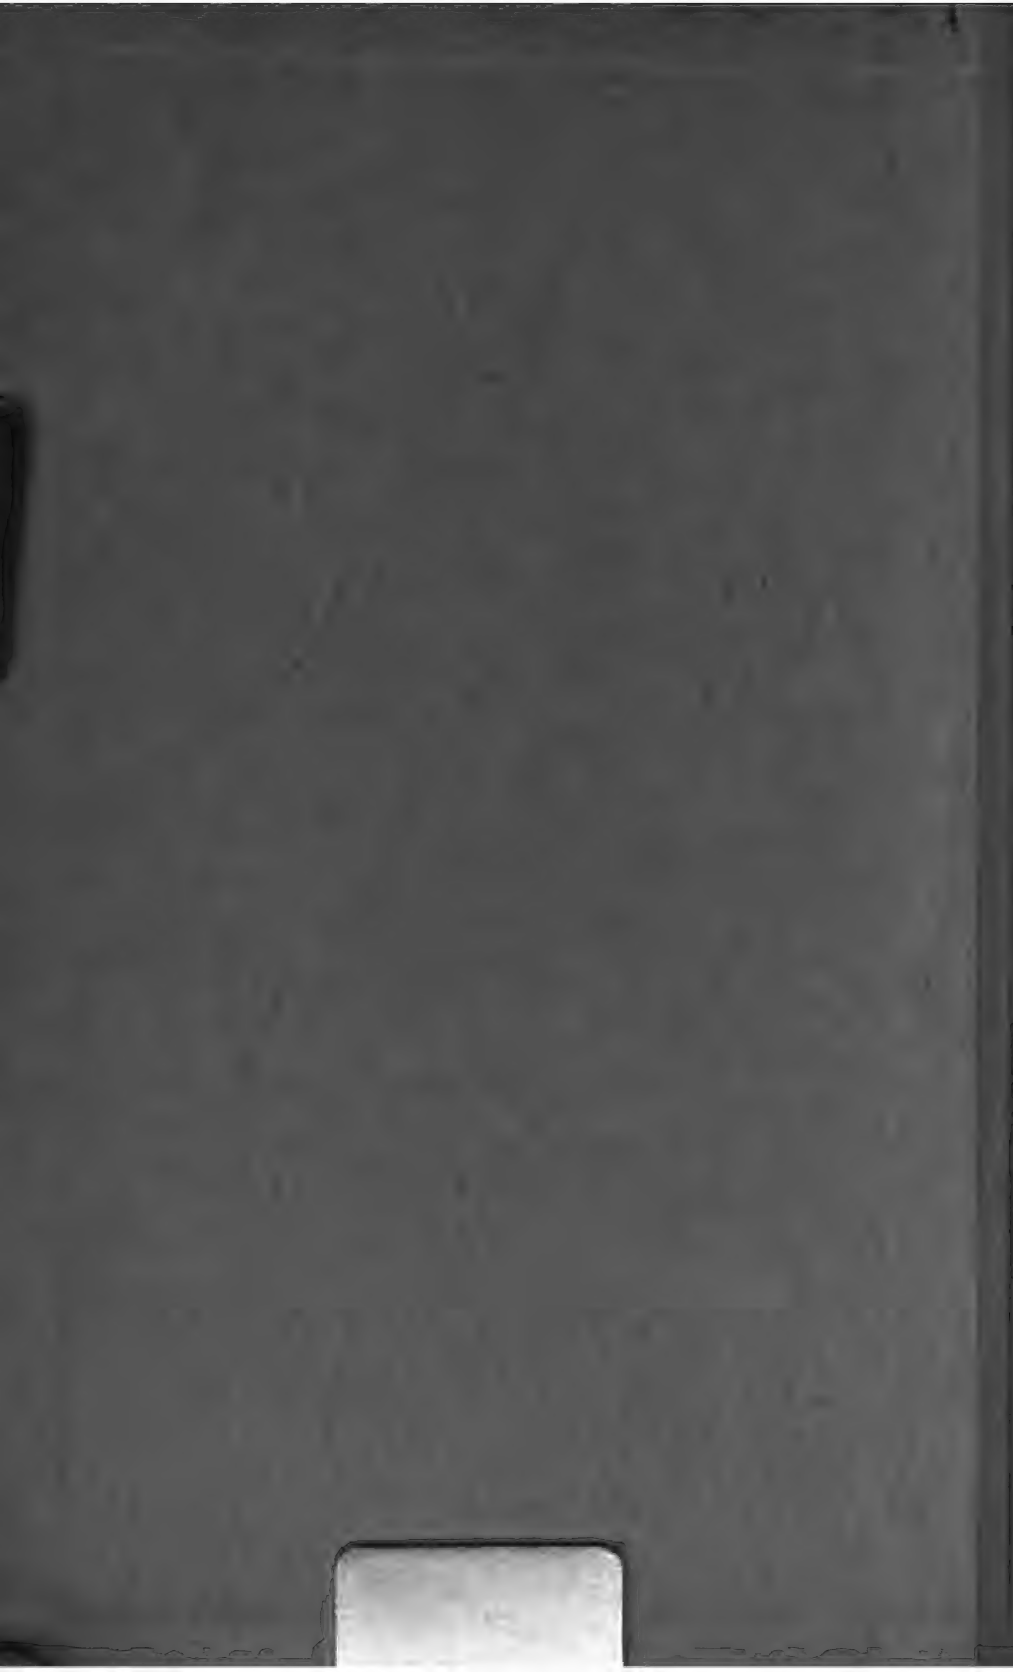

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. ### REPORT.

The Delegates to the Missionary Council of the Second Missionary Department being appointed a Committee to take under advisement ways and means for increasing the offerings of the Diocese for the apportionment; also to consider ways and means for increasing the Permanent Missionary Fund, and also if possible to arrange for a Missionary Meeting at the time of the Convention, beg to report as follows:

In regard to increasing the offerings for Missions under the apportionment plan the Committee believes that the holding of the Missionary Conference in this Diocese in October will be more effective than anything they could do and for this year will confine their efforts to inducing a general attendance of our clergy and laymen at that Conference.

Your Committee is impressed with the necessity of increasing the Permanent Missionary Fund to such an amount as will produce an income sufficient to materially relieve the assessment upon the parishes for Diocesan Missions, and to this end are in favor of the creation of a Board of Trustees to whose care shall be intrusted the Permanent Missionary Fund, and that such Board shall take immediate steps to increase the Permanent Fund to at least \$50,000.

In regard to a missionary meeting at the time of the Convention

And when there is a failure to elect one or more delegates on the first ballot the balloting shall continue in both orders until a concurrence is attained.

*Dear Brethren of the Clergy and of the Laity:*

Grace be unto you and peace from God our Father and the Lord Jesus Christ!

We have reason to thank God, among many other blessings, that while we have been called upon to transfer to other Dioceses, during the past year, quite a number of our Clergy, not one of them has been taken away from us by death. Of the faithful laity, however, we have lost Mr. J. T. Sloan, of Syracuse; Mrs. R. W. Doolittle, of Oswego; Mr. W. L. Watson, and Mrs. Catharine R. Harding, of Utica; Mr. A. Seymour Pollard and Mrs. W. B. Lathrop, of Seneca Falls; Mrs. C. H. Sanford, of Sherburne; Mr. Anson R. Flower, of Watertown; Mr. Andrew P. Merchant, and Mr. Geo. Bradbury, of Guilford; Miss Fannie A. Johnson, of Champion; Mr. Charles F. Comstock, of Altmar; Mr. DeLancey Bartlett, of Fayetteville; Mr. Andrew J. French, of Oneida; Mrs. Harriet Raymond, of Baldwinsville; and Mrs. Frances Nims, of Manlius. Three of our Bishops have passed away, viz., Bishop Potter, of New York; Bishop Knight, of Western Colorado; and the Venerable Bishop Gillespie, of Western Michigan. The death of Mr. George C. Thomas, also, Treasurer of the Board of Missions, of whom I shall speak more particularly further on, is a sad loss to the whole Church. Nor must we omit to mention the Rev. Charles W. Hayes, D. D., of Geneva, N. Y., the Historian of the Diocese of Western New York, of which our Diocese was once a part, who passed away this last winter. Dr. Hayes was Warden of the DeLancey Divinity School, which, for several years, has been of much assistance to our candidates in their studies, and where they have found the association

with him most helpful and agreeable. Let us constantly pray for grace to follow the good examples of these servants of God, that with them we may be permitted to enter into His eternal rest and peace.

My official acts since the last Convention have been as follows: Baptized one adult and three infants; confirmed 982 persons and received 17, making a total of 999; solemnized three marriages, and officiated at seven funerals. I have ordered as Deacons Messrs. Albert Broadhurst, John Clark Dean, Oliver Kingman, and Lucian Adelbert Davison, and Messrs. Oliver Kingman, George Carlton Wadsworth, Luther Leslie Weller and William Sutherland Stevens have been advanced to the Priesthood. Messrs. Geo. St. John Rathbun, Hugh Edwin Collins and Edwin Lewis Clarke have been received as Postulants, and Messrs. Albert E. Phillips and Francis H. Smith have been admitted as Candidates for Holy Orders. Letters Dimissory have been given to the Rev. W. W. Bellinger, D. D., and the Rev. E. A. Evans, to the Diocese of New York; the Rev. W. D. Benton, D. D., and the Rev. Charles W. Hakes, M. D., to Western New York; the Rev. Messrs. A. H. Grant, to Albany; Thomas Duck, to Atlanta; R. I. Murray, to Central Pennsylvania; H. S. Sizer, to Long Island; Henry N. Hyde, to Arkansas; and John C. Dean, Deacon, to Hankow, China.

We have received by letters of transfer to this Diocese, the Rev. Frank J. Knapp, from Albany, as Rector of St. John's, Auburn; the Rev. Rozelle J. Phillips, from Western Massachusetts, as Rector of All Saints, Syracuse; the Rev. William B. Rogers, in charge of Christ Church, Guilford; and the Rev. T. A. Stevenson, from Western New York; and I have licensed to officiate the Rev. John Henry Wilson, of Long Island, and the Rev. George O. Eskins, a Priest in English Orders, recently engaged in Mission work in Panama. The Rev. Octavius Applegate, of Kingston, N. Y., has accepted a call to the rec-

torship of Grace Church, Utica, and expects to begin his work there about June 15th. Trinity Church, Syracuse, is still without a Rector, and one or two of our Missions have no settled clerical ministrations, the services being supplied chiefly by Lay Readers. It will thus be seen that while there has been no remarkable advance, and there is still much opportunity for improvement, the work of the Diocese is, nevertheless, in fairly good condition.

IN THE GOSPEL MESSENGER for May I called attention to the fact that it will be necessary for us at this time, to take some action with regard to the representation of the Diocese on the Board of Trustees of the General Theological Seminary. The resolutions of a Committee of the Convention of the Diocese of New York are given in the MESSENGER, and it will be well for us to appoint a similar committee to consider the matter.

It is a wonderful and a beautiful thing to note how, as the ages move along, our Lord fulfils His promise concerning the work of the Holy Spirit—"He shall guide you into all truth." It was not to and of the Apostles only that He spoke those words—nor was it to the Church merely in its corporate or conciliar capacity, but it was to the whole body of the faithful, generation after generation. Neither did He mean that all the truth was to be made plain to every individual, or to every age; but rather that it should be unfolded gradually, from age to age, enlightening the Christian communities more and more as they succeed one another, like that "dawning light which shineth more and more" until the sun arises and "the perfect day" is come. You will acquit me, I am sure, of meaning by this that there was any deficiency in our Lord's revelation of the fundamental truths of the Christian faith. You will not suspect me of any leanings towards that so-called "New Theology," which turns the plain statements of Scripture into metaphors, and makes myths of those historical events which to all Christian ages have been the proofs of God's love, the foundation

---

*Bishop's Address.*

---

of our hope, and the fountain of human civilization. Neither am I speaking of doctrinal developments, for the doctrines of the Catholic faith were not developed, but formulated, by the General Councils. It is the ethical side of Christianity that has been developed, and my present reference is rather to the illumination of the conscience of the Church—the way in which the Holy Ghost pours upon us in ever increasing power His gifts of understanding and knowledge, by which the pathway of duty is made plainer and plainer as the generations succeed each other. The perfect pattern of human life was set before us by our Lord Himself when He was here in the flesh, so far as circumstances gave the opportunity of manifesting it; and the seeds of every possible phase of it were contained in His essentially germinant teaching. But they were seeds which required time to sprout, and to grow, and to put forth leaves, and to mature fruit; and it is only under the influences of the light and the warmth of God's Spirit that these processes take place.

For example, we all recognize the fact that the Lord Himself is our Good Samaritan, exemplifying to its last details by His work of redemption, His own beautiful parable; and we cannot fail to see, when we think of it, what a fruitful germ of merciful and charitable service that parable is. And yet, though the story has been there in the New Testament from the beginning, and though the object lesson illustrating it is there in our Lord's example, how slow has the Church been to discover the richness of its meaning and to put it into general practice! One thing at a time seems to have been all that Christians in general have been able to recognize as duty, binding every conscience. Particular men or women here and there, those whom we call *saints*, have grasped the idea and acted upon it; but at first they were ahead of their age, and their example was looked upon as impossible and unnecessary for the whole body of Christian people. As time went on, however, it would begin to dawn upon the community that the principle was really intended for all, that it was an essential element of the Lord's re-

ligion. A strong wind of sentiment would begin to blow in favor of its adoption—men would hear the sound thereof, and could not always tell whence it came and whither it went, but it would continue to blow—consciences would be awakened, one after another would see “the truth” into which the Spirit was leading them, and eventually the thing would become established as a rule, which none but the wilfully unconscientious would think of disregarding. Thus it is that one ethical principle after another has been adopted, and one evil practice after another done away with, until we have attained that stage of Christian civilization which now exists. The Blessed Spirit has been guiding us, and we should be duly grateful for what we have already attained; but there is a good way yet to go before we reach “all truth.” The conscience of Christian communities is not yet by any means thoroughly Christian, and many things are condoned, and even approved, which are plainly not in accord with the mind of Christ. It is not so very long ago that members of the Church would say that certain principles of the Sermon on the Mount were impracticable, at least for communities and nations—that a few individuals might practice them, but not bodies of men, and I imagine some people think so still. You cannot expect nations to forgive one another, they say—they must retaliate; and consequently war must go on. “Corporations have no souls,” and consequently they are not to be expected to have any morals. Business corporations are organized to make money, and they must be allowed to make it as they can, and not be hampered by the same rules of honesty as those which govern the individual, still less by principles of charity or mercy. “Business is business.” Neither is the man who works for a corporation to be bound by those rules of honesty in dealing with the funds of the company—such funds do not belong to anyone in particular, and the officers and employes may apply them as they have opportunity. This is undoubtedly the theory that has largely prevailed, ramifying throughout the whole system of corporate and institutional activity; and some good people, who would

---

*Bishop's Address.*

---

not think of dealing so with individuals, seem to have had no scruples in corporate relations. But the wind has begun to blow in these directions, and consciences are being enlightened, and some unfortunate ones, who probably are as much to be pitied as blamed, are suffering from the process.

We are sometimes tempted to be discouraged when we behold Christian nations, to which have been given the means to regenerate and civilize the earth, building great "Dread-noughts" and preparing for war among themselves, and yet not lifting a finger to stop the atrocious butchery of their brethren by the bloodthirsty and fiendish Turk. We are tempted to be discouraged when we see the representatives of the people in free America, alike in city, State and nation, looking out for their own power and gain, for their pockets every time, rather than for the welfare of the whole—defrauding the consumer that they and their wealthy patrons may increase their own wealth. But, as I said, the wind is now blowing this way, and the truths will gradually be learned that the elected officers of the people must be patriots and not greedy politicians—that corporations and those who work for them must have consciences even if they have no souls, and that nations must eventually come under the rule of the Sermon on the Mount, and exchange the barbarous practices of war for those of beneficence and peace.

But, dear brethren, all this is merely preliminary to what I desire to make the chief point of this address, and that is, another one of the truths into which the Holy Ghost is surely guiding us. On the most solemn day of the Church's year, when we contemplate the Redeemer suffering on the cross and thereby accomplishing His own words, "the Son of man came not to be ministered unto, but to minister, and to give His life a ransom for many," we are taught to pray "that every member of God's Holy Church, in his vocation and ministry, may truly and godly serve Him." Observe the words, *every member*—

---

*Bishop's Address.*

---

in his *vocation and ministry*—may *truly and godly serve*—that is, that all the members of the Church, lay as well as cleric, men as well as women, have a *calling* to minister, in other words, *to do some kind of service*—and the petition is, that every one of them may do it in a true and godly manner, as servants of the Lord Christ should do. Now let it be distinctly understood that no one can recognize more clearly than I do, nor appreciate more highly the valuable service rendered to the Church of God by some of our laymen in this country and in every diocese. We have recently been called upon to mourn the loss of a most eminent example, Mr. Geo. C. Thomas, of Philadelphia, who has stood before us as an edifying object lesson of what a layman can do when he will. He was a successful business man, attending faithfully to duty every day, yet from early years engaged every Sunday as a teacher or superintendent in Sunday School, and in other ways that were possible for him, giving time and thought and money to such work as the Church might require—and then, before old age came on, he laid aside his active business, and gave most of his energies to the extension and strengthening of the Kingdom of God. As for money, he poured it out with lavish hand to promote the same good work. Mr. Thomas not only *spent* money to procure for his own parish such things as he desired it to have, but he also *gave* money to other parishes and to the Church at large, particularly through the Board of Missions, in order that those in charge might themselves procure the things that seemed to them to be needed. There was nothing selfish in the way that he gave his money and himself to the good cause. And why? Because he *thoroughly believed in it* as the cause of God, the divinely appointed agency for the elevation and improvement of mankind. With such an instance still fresh in our minds, surely no reflection can be cast upon the good work that laymen have done and are doing in our midst.

The fact remains, however, and is patent to every thoughtful

---

---

observer, that our Good Friday prayer is still largely unanswered, so far as "every member" is concerned. Indeed, the sentiment of service does not prevail to such a degree as to affect the consciences of all, and make them feel that the neglect of it is a thing to be repented of, a thing of which they ought to be ashamed. The privileges of laymen in this age and particularly in this Church are great. They have charge of temporal matters in their parishes, they call their own Rectors, they sit in the Conventions both of the diocese and of the national Church, and have a co-ordinate vote with the clergy in the election of Bishops and even in doctrinal decisions—they have their part, moreover, in the public worship, with full opportunity to exercise that priesthood of the laity, which some people in these days would fain make us believe is the only priesthood there is. Certainly, privileges like these entail a corresponding responsibility, not only to perform faithfully the duties of such offices as they may hold, as vestrymen, committeemen, superintendents, lay readers, or delegates, but also to be ready to serve in unofficial capacities, when the needs of the parish, the diocese, or the Church at large so require. However it may have been in other ages, or may be to-day in other lands, this American Church is as much the Church of the laymen as of the Clergymen, and the people in the pews are, in their sphere, as responsible for its efficiency, prosperity and success, as are the ministers who officiate at the altar, the desk or the pulpit. As Bishop Huntington finely expressed it in his Convention Address of 1891—"We can never understand human rights, however fiercely we may demand them, till we learn that they are correlates of duties and a means of getting duty done." Granting that the Clergy are by no means perfect, and are sometimes wanting in those elements of wisdom, manner, energy and ability which tend to the successful prosecution of their ministry, is it not too frequently the case that the layman considers it his function to criticize rather than to assist—to make the situation worse by opposition, instead of doing what he can to correct and possibly remove the difficulty?

---

*Bishop's Address.*

---

Granting also that the parish is the necessary local agency for carrying on the Church's work, is it not true that many of the laymen have failed as yet to grasp the idea that the parish is but a small piece of a larger whole, for the welfare of which whole every member has his own personal responsibility, and to which he owes his service? Parochialism is a disease most paralyzing in its effects upon the Church's system, narrowing the vision, cramping the sympathies, and encouraging a merely selfish view of the Master's work.

But here again, we are happy to believe, the wind of the Spirit has begun to blow. Every one who has ears to hear must have heard the sound of it, in those "forward movements" among the laymen of several Christian denominations, which have recently been taking place in our own country, in Canada, in England, and in fact, at the very "ends of the earth," as we used to call them. The earth is now known to be round and to have no "ends," for it is encircled with one continuous chain of mission stations where the name of Christ is honored, and we are all neighbors. The remarkable gathering in London last summer at the Pan Anglican Congress made this fact plainer to us than it had ever been before. Bishops and Priests, laymen and women, not only from every continent, but actually from almost every nation under heaven, and from the islands of the sea, were there consulting with enthusiasm for the extension of the Kingdom of God and for the best interests of humanity. They were not strangers and foreigners, but brethren in the one household of faith, whatever may have been their race or their color, calling upon us all to be up and doing.

Now, brethren, it is not necessary to prolong this discourse, for my meaning must be quite clear to you. I am extremely anxious that our beloved Diocese should awake to these movements of the Blessed Spirit, and arouse itself to a realizing sense of its opportunities. There is work to be done within

---

---

our own borders, which is waiting for the zeal and interest of both Clergy and laity for its accomplishment. And as for the general work of the Church throughout the world, we know that our failure to meet the apportionment is perennial. Is it to continue so? And if it is to continue so, wherein does our poverty consist? Are we poor in this world's goods, or poor in self-denial and in the love and zeal which care for the extension of Christ's Kingdom among men? Are we still living in that by-gone day, when people could say without a twinge of conscience, "we take no interest in missions?" I desire, then, to suggest for your consideration the feasibility and the advisability of establishing some sort of an organization among the men of the Diocese, by which they may be brought in touch with one another in the interest of the Church's activities. It makes little difference what form or name it assumes, whether that of a Church Club, or a Layman's League, or a Brotherhood of Workers, so long as it will be satisfied with not more than one dinner a year, and will take for its constant prayer the Good Friday Collect, that "every member of the same, in his vocation and ministry" may have grace to do "true and godly" service in the Master's cause.

## B. Missions of the Diocese.

### (1) Report of the Board of Managers.

The Board of Managers of Diocesan Missions of the Diocese of Central New York respectfully submits the following report:

At a meeting of the Board of Managers in St. Paul's Chapel, Syracuse, on Tuesday, June 2d, 1908, it was resolved to ask the Convention to authorize the appropriation of \$12,500 for the missionary work of the Diocese for the ensuing year, and the assessment of \$11,500 on the Districts. At a subsequent meeting held on Wednesday, June 3d, 1908, in same place by resolution the assessments were made the same as last year, and the appropriations as given in the following table were recommended by the Archdeacon:

First District .....	\$1,900 00
Second District .....	2,365 00
Third District .....	1,103 00
Fourth District .....	1,850 00
Fifth District .....	1,508 00
Sixth District .....	2,210 00
For the Deaf Mutes .....	200 00
For the Archdeacon's Salary .....	1,800 00

*Missions of the Diocese.*

The subsequent arrangement whereby the Sixth District was absorbed into the Third and Fifth Districts resulted in a readjustment of assessments and appropriations, as follows:

	Assessed.	Apportioned.
First District .....	\$ 1,700 00	\$ 1,900 00
Second District .....	3,100 00	2,365 00
Third District .....	2,365 00	2,583 00
Fourth District .....	2,750 00	1,850 00
Fifth District .....	1,585 00	2,243 00
Deaf Mutes .....		200 00
Archdeacon's Salary and Expenses.....		1,800 00
	<hr/> \$11,500 00	<hr/> \$12,941 00

At a meeting of the Board of Managers in Calvary Parish House, Utica, on Tuesday, June 1st, 1909, the following reports were adopted and the next day were presented to the Convention. The Secretary read an abstract of these reports to the Board:

---

**FIRST DISTRICT.**

(Jefferson and Lewis Counties.)

The officers of the District are: The Rev. Francis W. Eason, Dean; the Rev. Theodore Hadyn, Secretary; Mr. Eli W. Herrick, Treasurer; the Rev. J. C. Jagar and Mr. Eli W. Herrick, members of the Board of Managers. There are 28 Parishes and Missions in the district, all of which receive stipendiary aid except the five following: Trinity, Watertown; St. Paul's, Watertown; Trinity, Lowville; Grace, Carthage; and Zion, Pierrepont Manor.

The Rev. Thomas Duck has left the District and Diocese and the parishes of Theresa, Redwood and Alexandria Bay, formerly served by him are now in charge of Rev. L. A. Davison, in Deacon's Orders. The vacancy at Copenhagen and Champion has been filled by the appointment of the Rev. Edwin B. Mott. There have been no other changes in the working force of the District within the year.

Two meetings of the Convocation have been held within the year, viz., in June, at Grace Church, Carthage; in January, at St. Paul's, Watertown.

Emmanuel Church, Adams; St. Paul's, Fredericks; and Christ Church, Ellisburg, are served by the Rev. Wm. A. Braithwaite.

The most notable event at Adams is the purchase of a Rectory, for which almost the whole amount needed has been secured within the year. A chapter of the Knights of St. Paul has brought the Rector in touch with many of the boys of the village. A club for girls has also been organized.

Of Fredericks the Missionary reports: This can not be more than a preaching station. The people can or will do little toward its support. The building is almost a ruin. Little can be done to improve it. The roof was shingled last summer largely by the hands of the Missionary.

Of the work at Ellisburg, transferred to Mr. Braithwaite in October, he says: This work is a joy and inspiration to the Missionary. From 30 to 47 have attended the monthly service. The members of the congregation subscribed the amount necessary to replace the old, broken down furnace with a stove. An envelope system has been introduced.

St. James', Theresa; St. Peter's, Redwood; and the Church of St. Lawrence, Alexandria Bay, have been served by the Rev. L. A. Davison since January 1. He reports: The attendance at Theresa is increasing, partly due to the growing efficiency of the choir. The Sunday School is weak. The W. A. ineffective. Offerings are small but improving. The Vestry and Guild are earnest in their endeavors.

Redwood: Harmony, charity and good will prevail in the parish. The S. S. is small but active. The W. A. works faithfully. The Easter offering of \$40 (\$16 from S. S.) was for General Missions.

Up to May 1st no services have been held at Alexandria Bay.

St. Paul's, Antwerp; St. Andrew's, Evans Mills; and Trinity, Great Bend, are served by the Rev. G. E. Edgar, who reports that in these missions clerical duties have been regularly performed, with encouraging response and appreciation, particularly at Evans Mills and Great Bend. At Antwerp the Church has been equipped with electric lights, and repairs have been made to the Rectory, in front of which a cement walk is being laid.

St. Paul's, Brownville; Olin Memorial, Glen Park; and the Church of the Redeemer are still served energetically by the Rev. G. A. Shaw. These parishes suffered severely through the business depression and paper makers' strike. Within the year 14 members of the Church at Glen Park were transferred to other cures. Both Brownville and Glen Park fell considerably behind in their payments toward the Missionary's salary, which indebtedness they are, however, gradually reducing. At Brownville there is a very promising S. S. numbering 40, now maintained by a local superintendent and teacher, whereas in the past teachers went out from Watertown.

The Rev. Walter E. Cook has charge of St. John's, Cape Vincent, and maintains services fortnightly in the Union Chapel at Millen's Bay and on alternate Sundays in summer in a school house on Carlton Island. Mr. Cook says: The work is in unusually good condition. Finances are kept up splendidly, and we are making larger offerings for all outside objects, both Diocesan and General. Extensive repairs will be made upon the Church in Cape Vincent in May, including a new roof, new carpet, hard wood floor for chancel and redecoration of interior. The Ladies' Guild raised \$500 from a bazaar last summer, which will cover the cost. A chapter of the Knights of St. Paul has been organized with splendid results among the boys of the town.

Grace Church, Copenhagen, and St. John's, Champion, are now served by the Rev. Edwin B. Mott. For a time Copenhagen was provided with services from Carthage, but these parishes have been without a regular incumbent since February, 1908. Mr. Mott has had charge of this work since March only. He reports that there are flourishing Ladies' Guilds which do much for the parish and prepared a missionary box at Easter. The Rectory is being equipped with a bathroom, and new sink and hot water boiler for the kitchen, which, with painting, etc., will cost about \$200.

The Rev. Theodore Haydn has charge of Christ Church, Clayton, and St. Paul's, LaFargeville. Several things seem to mark progress in Clayton. The Sunday School has increased slightly in membership, but better far, it has increased in regularity of attendance and efficiency. The choir has gained in regularity. An evening congregation of decent size has been the rule instead of the exception this year. Daily Lenten services were well attended, especially by the young people. The members of the parish have made up their minds that they must work instead of trusting wholly to Providence and the chance generosity of summer visitors. Pledges have been

---

*Missions of the Diocese.*

---

secured to cover the estimated expenses for the coming year. The Rectory has been painted, and the Church has a processional cross, the gift of the Young Ladies' Guild, also a purple burse and chalice veil. A large confirmation class was presented at the Bishop's visitation. The parish problems are a mortgage of \$1,000, and the pressing need of repairs to the Church property, also the urgent need of a parish house.

The notable features of the year's work at LaFargeville are the extensive repairs and improvements to the Church property, consisting of bell tower, and choir room, furnace with chimney and furnace-room outside the Church, electric lights, several memorial windows, pulpit, choir stalls, litany desk, interior alterations, repainting within and without, by which the Church has been revolutionized, beautified and greatly dignified in appearance. \$1,200 was the approximate cost, of which \$225 was from an invested legacy, \$225 from outside friends, \$275 from the Ladies' Guild, and the balance provided by subscription. This is a promising Mission and would repay closer attention than it can receive under present arrangements.

During the six weeks in which the Church at LaFargeville was closed for repairs an experiment was made in holding services at several points on the river, viz., Hotel Frontenac, Round Island; Fine View and Grenell I. Statistics given with the report of Christ Church, Clayton, will show that such work might be made more than self-supporting, as well as affording a plan by which Church extension might be practically begun in this vicinity, among the Islands in summer and the inland towns in winter.

Christ Church, Sacket's Harbor, and All Saints', Dexter, are served by the Rev. G. P. Sommerville, of whose work the Secretary is unable to give any special particulars.

The Boonville Associate Mission, the Rev. Francis C. Smith, Rector, maintains services in St. Paul's, Constableville; St. Mark's, Port Leyden; and Trinity, Greig.

Mr. Smith says of Constableville: I do not regard this field in good condition. Years of reliance by the people as a whole upon a few has bred indifference and apathy, combined with a disposition to be discontented with any arrangements for supplying the services. For the past five or six years the total amount received outside of endowments and the generous subscriptions of two families, has not exceeded \$150, from fifty families connected with the Church.

*Missions of the Diocese.*

The parish has recently lost by removal the Junior Warden, Mr. Steinbrenner, to whose efforts alone it is due that services were not allowed to lapse. A Sunday School, large for the size of the place, has been built up and maintained by his efforts. Half the present congregation—and the live half—is composed of children of Lutheran parents brought to Confirmation through the Sunday School.

Port Leyden has a small congregation, mostly of older people, very faithful, very appreciative of anything done for them, good churchmen.

Greig has a scattered congregation that has been poorly instructed in the Church and sadly neglected in the past.

The Rev. Francis C. Smith, with the assistance of the Rev. Oliver Kingman, has continued the associate Mission work at Trinity Church, Boonville, and Christ Church, Forestport, in connection with certain stations in the First District. During the coming year the work will be confined to Boonville and Forestport.

The Rev. A. J. Schrader has continued in charge of the Sauquoit Valley Missions, at Chadwicks, Clayville and Bridgewater. He reports the Church at Chadwicks painted and otherwise improved at a cost of \$150, and a cement walk laid. The Church at Bridgewater has been painted.

The Rev. Geo. D. Ashley, Trinity Church, Camden, reports that during his two months' illness the parishioners showed much kindness and the services were not discontinued. A new furnace has been placed in the Church.

The Rev. Geo. C. Wadsworth continued in charge of St. John's, Whitesboro, throughout the year. A flagstone walk has been laid and the Rectory painted.

The Rev. A. L. Byron-Curtiss gave up the work at St. Joseph's, Rome, November 1st, after fourteen years' service, to become Rector of St. Luke's, Utica. Since then the Rev. A. W. Allen has been in charge in connection with St. Peter's, Oriskany. At St. Joseph's repairs were made to the Church building, costing \$500, secured by Mr. Byron-Curtiss from personal friends.

The Rev. A. W. Allen had charge of St. James', New York Mills, until November 1st. Since that time it has been in charge of the Rev. G. C. Wadsworth.

The Rev. C. J. Lambert has continued the work at Grace Church, Earlville, with increased congregations.

Services have been maintained at St. Timothy's, Brookfield, by a lay reader, with Holy Communion on alternate months by the Archdeacon and the Rev. Dr. Duff, Missionary of Chenango County.

The stations are all filled at present, and the work has not been intermitted at any point during the year.

THIRD DISTRICT.

(Broome, Chemung, Chenango and Tioga Counties.)

The officers of the District are: The Rev. Harry S. Longley, Dean; the Rev. Charles H. McKnight, Secretary; the Rev. N. S. Boardman and Mr. L. A. Knott, members of the Board of Managers.

The work in the Third District has progressed satisfactorily during the year. There has been a notable consolidation of Mission stations and fewer resident clergy in small places. Among the arrangements along this line are the Mission Stations of Spencer, Candor and Van Etten, which are under the direction of the Rev. John Henry Wilson, a post-graduate student of Cornell University. The Rev. Mr. Wilson reports the work at Candor as encouraging. The

people have supported the present arrangement. At Van Etten the report is that a resident priest is desired. At Spencer the attendance at the services has been small. The Missionary in charge recommends that the Spencer congregation worship with the Van Etten congregation. During the year services have been held in all three places every Sunday. At Candor and Van Etten there should be both morning and evening prayer every Sunday. Our losses are due to irregular services.

The Horseheads congregation has been under the charge of the Rev. Charles H. McKnight, Rector of Trinity Church, Elmira. The people have been faithful and are united in a request for a priest or deacon who will be able to give them pastoral care.

The Church at Big Flats has been open and closed. The services have been irregular. The Archdeacon made a visit in the winter, and the Rev. N. S. Boardman is now at the Church every other Sunday. The Brotherhood of St. Andrew of Christ Church, Corning, Diocese of Western New York, has offered to help maintain services at Big Flats.

The Rev. E. C. Hoskins reports good support at Windsor. Mr. Hoskins has been there about a year, going from Candor, Spencer and Van Etten.

Since the congregation of Emmanuel Church, Elmira, moved into their new building the services have been well attended. A new interest and zeal has sprung up, and the congregation has nearly doubled in number. The Sunday School has increased from an enrolled membership of 50 and average attendance of 30 to 72 enrolled members and average attendance of 50. Lent services were well attended. At the first Easter service in the new Church, a large number were present and 65 made their Communion. Regular services have been held throughout the year.

St. Mark's Church, Millport: This Mission continues its good work. There have been regular Sunday services morning and evening throughout the year, and attendance has been very good. Owing to removals, the Sunday School has not been so large as in the past. The devotion and loyalty of the members of St. Mark's makes it a great pleasure to minister to them. At the celebration of the Holy Communion, 7 a. m. Easter morning, 24 received, several of whom walked two miles to the Church. Some of the prominent families of the Mission have gone to live at Elmira Heights. As there is no

one in charge at the Heights, the Rev. N. S. Boardman has given private Communion to the sick there several times.

At Grace Church, Whitney's Point, the Rev. Albert Broadhurst has recently taken charge, and he reports services and ministrations as regular and satisfactory.

The Rev. Luther L. Weller has recently come into the Convocation, and as Rector of St. Peter's Church, Bainbridge, has charge of the work at Afton.

The Rev. Dr. Duff, Missionary of Chenango County, reports the work at Chenango Forks to be in charge of a candidate for Holy Orders.

The Rector of Grace Church, Waverly, the Rev. Charles T. Raynor, reports an unusually successful year. The people have worked hard and raised more money than ever before. The Rector's salary has been increased and many improvements made to the Church property. The Convocation has been invited to meet at Waverly in October.

The Rev. George H. Kirkland of St. Luke's, Harpursville, reports regular services and good support. The assessments have all been met promptly.

The work at Endicott has not been commenced, but arrangements are being perfected. Endicott is a growing manufacturing village. The plan proposed at Convocation was to place Chenango Forks and Endicott under one Missionary. The Convocation as now constituted is considered as an advance over the former arrangement, when there were six Convocations. The change from six to five Districts has strengthened the parts of the Diocese affected by the combinations.

The stipends mentioned above are those actually paid for the year. The full amount allowed to some stations has not been paid owing to vacancies and changes during the year. At the beginning of the fiscal year, Chenango Forks was allowed \$72.50 and the same amount to Whitney's Point, but later in the year this was changed, allowing to the former place \$71.25 and to the latter place \$73.75. Candor, Van Etten and Spencer were allowed at the beginning of the year \$400.00; later this was changed to \$375.00. Big Flats was allowed at the beginning of the year \$100.00, and this was changed to \$78.67.

dition at a cost of about \$30. The Church is soon to be painted.

St. Mark's, Jamesville—Missionary (from May 1, 1908, to Feb. 21, 1909), Rev. Luther L. Weller. Sunday services, 41; week day, 2; Holy Communion (public), 8.

St. James', Pulaski; Grace, Mexico—Missionary, Rev. G. H. Otta-way. Sunday services have been maintained at both stations. The attendance has been good. At Pulaski a Friday evening service is regularly held, and there is an observance of the Saints' Days. During Lent there was one week-day service at Mexico and an extra week-day service at Pulaski. All Diocesan assessments have been paid, money has been raised for the improvement of the Pulaski Rectory, and \$400 is now in hand for redecorating the Church at Mexico.

The Good Shepherd, Onondaga Castle—Missionary, Rev. W. S. Hayward. Sunday services, with one exception, and many week-day services have been held throughout the year. Baptisms, 12; confirmed, 11; all assessments and apportionment paid. Besides lectures every Friday evening, and the monthly missionary intercession with address, the Missionary reports much interest in his weekly catechising.

St. Philip's, Syracuse—In charge of the Rev. H. G. Coddington, D. D., Rector of Grace Church, Syracuse. The Rev. Karl S. Heyne has rendered valuable assistance during the year. The interior of the building has been thoroughly renovated and improved. There is a small but active Sunday School, all missionary assessments are promptly paid, and the attendance at the services has been good.

Emmanuel, Redfield—The Rev. George D. Ashley was missionary in charge until September last, when ill health compelled him to give up the work. Since September the work has been under the care of the Archdeacon.

St. Paul's Warners—In charge of the Rev. J. Malcolm Smith, Rector of Grace Church, Baldwinsville. The year past has been one of spiritual and financial prosperity. Sunday afternoon services have been held regularly. On the last Sunday in each month the Holy Eucharist is celebrated at 8 a. m. Catechism is held at 2 p. m. The Missionary has been helped by St. Philip's Society of Syracuse and the Rev. W. W. Raymond. Last September a new font was given by the Little Helpers of the Diocese. A substantial fund is now in hand for the enrichment of the interior of the Church. Baptisms, 5;

confirmed, 5. A modified form of the Dupanloup catechetical method has been introduced in the Sunday School, which has resulted in greater interest in the lessons and increased attendance of the children at the services.

**Emmanuel, Memphis**—In charge of Rector of Christ Church, Jordan, the Rev. Burnett T. Stafford. During the past year regular services have been maintained. The attendance has been good. The last Easter offering was the best in the history of the Mission. The Chapel has been repainted and a porch erected at the door of entrance. A Sunday School has been held and at the Bishop's visitation two were confirmed.

**Emmanuel, East Syracuse**—In charge of Rev. I. M. Merlin-Jones, D.D., Rector of St. John the Divine, Syracuse. Services Sunday morning and evening have been held during the year. There have been 6 baptisms and 3 persons confirmed. Diocesan Mission assessment has been paid.

**St. John's, Marcellus**—Missionary, Rev. Edward B. Doolittle. The attendance at the appointed services is most encouraging. The number making their Communion shows a decided increase over one year ago. Ten have been confirmed. All the mortgaged indebtedness has been paid; electric lights have been put in the Church, and the Rectory has been decorated. The Sunday School numbers about 80 and the attendance is good. A beautiful solid silver communion service of seven pieces has been received in memory of Besse Sweet Gallup. The parish organizations are in good working order.

**St. John's, Oswego**—This Chapel is under the care of the Rev. Hamilton D. B. MacNeil, Rector of the Church of the Evangelists, Oswego.

**St. Andrew's, East Onondaga**—In charge of the Rev. James Empringham, Rector of St. Paul's, Syracuse. Services have been maintained every Sunday. The debt has been wiped out during the past year. Plans are being made to erect a Church. There have been 3 baptisms and 3 persons have been confirmed.

**St. John's, Phoenix**, is in charge of the Rev. Walter E. Jones, Rector of Calvary Church, Syracuse, who reports another very successful year. Interest has not only been maintained but has increased, and the Mission is exercising a very potent influence on the life of

*Missions of the Diocese.*

the community. It will be remembered that two years ago this Mission had only 16 communicants, with a total of 23 baptized persons. Since that time 40 persons have been baptized, and 40 people have been confirmed. In addition to this, other communicants have been received by letter, so that the Mission now has over 60 communicants. All the services have been splendidly attended, and the offerings have materially increased. God has certainly blessed the work of His Church in this town, for it has grown, but the growth would be much greater if the people had an adequate place in which to worship, the people now being obliged to worship in a house temporarily arranged as a chapel. The people of St. John's are very anxious to build a Church and they have now in the bank in paid-up subscriptions about \$1,245. A few hundred dollars more have been pledged in cash, materials and labor. Two thousand dollars more are needed before the Church can be built. An appeal has been made to the communicants of the Diocese to help in this growing work.

At Cleveland regular services are maintained by the Rev. Thomas Stafford, and occasional services are held at Lacona.

Trinity, Canastota; St. Paul's, Chittenango—Missionary, Rev. J. C. Munson. Services have been regularly maintained in both parishes on Sundays and Holy Days. In Canastota there is a renewal of life along all lines. The Sunday School has doubled its number, and the teaching force has been increased. Trinity Church Guild deserve special mention for the work they have accomplished during the year, having paid up all outstanding debts of the parish, installed two fine gas lamps in the Church and made other minor improvements. They have also added eleven new members to their number. The Diocesan expense fund has been paid up for two years, and the Diocesan Mission fund more than half. In another year they expect to raise the amount in full. Chittenango is also on the increase. All its assessments paid in full and great interest is shown at all services, the three hours service on Good Friday being especially appreciated and well attended.

Respectfully submitted by the Board of Managers.

JAMES J. BURD, Secretary.

REPORT OF THE COMMITTEE ON THE REPORT OF THE  
BOARD OF MISSIONS OF THE DIOCESE OF  
CENTRAL NEW YORK.

Your Committee to whom the report of the Board of Managers was referred, having carefully examined that report and having compared it with some similar reports in the past, find evidence of considerable improvement. Contributions appear to be made with more promptness and regularity, and there is evidence of a conscientious effort on the part of most of the parishes to meet the assessments, and a much larger proportion than usual having paid the full amount they were asked to contribute, while a considerable number of them have more or less largely exceeded that amount. We also note with much satisfaction and thankfulness the fact shown in the report of the Archdeacon, that as a result of the efforts of the Special Committee on Clerical Support, endorsed by the Convention, the average salaries of the Missionaries have been considerably increased during the past year. Such salaries are still painfully meager, but it is exceedingly gratifying to learn that salaries of Missionaries able to do full work, which two years ago

ranged from \$450 and a house to \$950 and a house, the average being \$660 and a house, at the present time are so much improved as to range from \$600 and a house to \$1,000 and a house, the average being \$837 with a house. There is still much to be desired in the way of increased and more regular contributions from some parishes and missions, but on the whole your committee feel that the Convention is to be congratulated on the faithful and efficient manner in which the Missionary work of the Diocese is being done.

Respectfully submitted,

GEO. G. PERRINE,

H. D. TITUS,

S. B. DRASS,

(2) ARCHDEACON'S REPORT TO THE BOARD OF MANAGERS  
OF DIOCESAN MISSIONS.

Since the last meeting of the Diocesan Convention, I have visited 95 of the Missionary Parishes and Stations, 14 of them twice, 6 three times, 5 four times, and 2 five times; presented the cause of Diocesan Missions to 28 of the self-supporting parishes, visiting 8 of them twice; attended 15 meetings of Convocations, met Vestries and Committees on 25 occasions, and held conferences with other Committees 8 times. I have held 208 public services, celebrating the Holy Communion 64 times in public, 3 times in private and assisted at the celebration 9 times, baptized 4 infants, delivered 172 sermons and addresses. With the assistance of the Rector of Emmanuel Church, Adams, I held in May, 1909, an eight days' Mission in Lacona, Oswego County.

A Parochial Missions Society has been organized during the past year, among some of the clergy of the Diocese, for the purpose of conducting Missions in any parish or missionary station wherever their services may be desired, either by the Bishop of the Diocese, or by the rectors of parishes. It is felt that there is need of arousing greater interest among the people of the Church, and of looking after and bringing back those who may have strayed away, and it is

---

*Report of the Archdeacon.*

---

hoped that the efforts of this society may be successful in accomplishing such results.

With the assistance of Lay Readers, services have been regularly maintained during the year in all the missionary parishes and stations, except Copenhagen, Champion and Port Byron; the two former missions have recently been placed in charge of a resident clergyman and the rectors of Auburn have taken charge of the latter.

At the present time there are 45 missionaries ministering to 101 stations, in addition to which there are 5 missions carried on by self-supporting parishes without cost to the Board.

In endeavoring to carry out the suggestions made in the Report of the Special Committee on Clerical Support, endorsed by the Convention, the average salaries of the missionaries have been considerably increased within the past two years. Two years ago, when the Committee was appointed the salaries of missionaries able to do full work, ranged from \$450 and a house, to \$950 and a house, the average being \$660 and a house. At the present time they range from \$600 and a house, to \$1,000 and a house, the average being \$837 and a house.

The Rector at Trumansburg has started a new and promising Mission at Jacksonville; arrangements have been made to start two new Missions this present month, one at Endicott, near Binghamton, the other at Elmira Heights, a suburb of Elmira, in both of which places we have a large and increasing number of adherents. The villages of Marathon and Camillus have been visited, in both of which places there are a number of communicants. It is intended to hold occasional services in these villages beginning at an early date.

With the men and money at hand, much has been done the past year for the extension of the Kingdom of God throughout the Diocese. Yet much remains to be done, for in the Diocese there are over 360 villages of between 125 and 1,000 inhabitants without the services of the Church; there is a vast population in the country, practically cut off from all Church privileges, "as sheep having no shepherd." Surely we have duties to perform toward those people.

In view of the needs of the Missionary work of the Diocese and

*S. S. Advent Offering.*

the opportunities for the extension of that work, we are justified in urging upon our communicants the necessity for increased offerings for Diocesan Missions, and the wisdom in taking some action towards the increase of the Permanent Missionary Fund of the Diocese.

Once more we have been enabled to close the year without debt, and a small balance on hand with which to begin the new year. The sum of \$825 received as the income of the Permanent Fund is less than was expected, but we are assured that in the future the income from this fund will be larger.

The sum of \$13,056 will be needed to carry on the Missionary work of the Diocese for the coming year, \$11,500 of which should be assessed upon the various Convocations.

WILLIAM COOKE, *Archdeacon.*

June 1st, 1909.

Your Committee in reporting would call attention to these facts, namely: That the number of Sunday Schools participating has increased from 23 last year to 46 this year. We believe, though we have not the statistical reports to confirm our belief that this increase is far greater than that reported in the growth of the General Lenten Offering in the first two years. Again, the amount of last year's offering was \$118.14, of this year's \$204.42, a gain of over 70 per cent.

There has been some expression of disapproval of the selection of a special object as the beneficiary of this offering, and some Sunday Schools have not contributed. On the other hand we have some on the list who made an offering because of the interest of a special object. It is difficult to know which way to turn. The plan, however, is thought to be a good one and worthy of our patient trial. As proposed it was an acknowledged adaptation of the Lenten Sunday School Offering to the Advent Season for our Diocesan benefit, and an exact copy of the plan in successful operation in at least one Diocese. That Diocese and the General Church designate "Diocesan Missions" and "General Missions" as the objects respectively. It is, to be sure, the undisputed right of any Sunday School to designate its offering as it pleases, but the great desire of those in charge of the appropriation and disbursement of funds for the Missionary work of the Church is that administration may be centralized, as evidenced by their reiterated teaching that "Specials" are undesirable because of the confusion of the work and the inevitable tendency. It is, maybe, easier to interest persons in an object, A or B or C, but it is manifestly better that their interest should be awakened in and held for the whole alphabet of Missionary enterprises, and that a competent Board should apply their gifts as each has need, and according to the ascertained possibilities of strengthening and extending the work in Diocese or the General Field.

Your Committee would recommend, therefore, that the Advent Offerings of the Sunday Schools be asked for Diocesan Missions, be-

lieving that though there may be some loss in these earlier years of the experiment, we would thereby build on surer foundations.

## F. Parochial Fund.

*To the Convention of the Diocese of Central New York:*

The Trustees of the Parochial Fund make their report for the year beginning May 1, 1908, to May 1, 1909, as follows:

We desire to state in regard to the vacant real estate which is held by the Trustees of the Parochial Fund, that, as appears from the account of 1908, there was on hand at that date vacant real estate valued at \$14,345. During the current year, this amount has been reduced to \$11,387.90. We have still on hand upwards of fifty lots scattered over different parts of the city, and a few lots outside of the city. During the past year, quite large assessments for taxes have been levied upon this real estate for paving, sewer, sidewalks, and the yearly City, County and State taxes, so that the income of many of the funds has been greatly reduced. We hope in the course of the next three or four years to get rid of all of this vacant real estate.

When Mr. Andrews was appointed Treasurer in November, 1903, it was found that many of the mortgages were long past due, and the Trustees have been compelled to bring upwards of thirty-six foreclosure actions, and, as a consequence, all of this vacant real estate, and in many cases, real estate upon which there were buildings, had to be bought in by the Trustees.

Since November, 1903, all of the improved real estate, consisting of upwards of fifteen houses, has been sold, (including, also, some improved real estate, to which the Trustees had title prior to November, 1903), and much of the vacant property.

The Trustees think it wise that all of the property remaining in

*Parochial Fund—Report of the Trustees.*

their hands should be sold as rapidly as possible, and they are using every endeavor to accomplish this end.

The Camillus property is treated as worthless as it is extremely doubtful if much of anything can be realized from it. (See previous reports).

Two-thirds of income of this fund is payable to Bishop of the Diocese for educational purposes, and one-third for support of Rector of Christ Church, Jordan, N. Y.

The deficiency judgment against S. S. Ruston was settled at 10 per cent. on the dollar. This is more than we hoped to ever realize on the judgment as we had considered it absolutely worthless.

During the past year the Perm. Miss. Fund advanced \$11.65 for city taxes and \$2.13 for State and County taxes, a total of \$13.78, which was paid back January 25, 1909.

The amount due Fiske Fund, per report of 1908, of \$46.56 was reduced \$11.56 Jan. 23, 1909, leaving a balance due Fiske Fund of \$35.00.

According to previous report there is \$53.47 due to Perm. Miss. Fund, which amount has been treated as a gift, until something is realized from the sale of the lots, from the sale of which, however, it is feared there will be a heavy loss.

Income paid to Church of Good Shepherd, at Oriskany Falls, N. Y.

M. J. Cuddy bond and mortgage of \$150 was paid in full Jan. 4, 1909.

Celia Hayes bond and mortgage was paid in full, \$500.00 having been paid July 2, 1908, and \$500.00 Feb. 3, 1909.

Jones (Belknap) bond and mortgage of \$600.00 was paid in full Sept. 13, 1908. Villeneuve bond and mortgage was reduced \$100.00, \$50.00 having been paid July 1, 1908 and \$50.00 Dec. 31, 1908.

W. C. Herriman paid \$600.00 Dec. 15, 1908, for the release of lots 14 and 15, block 122, Herriman Tract, from his bond and mortgage.

*Parochial Fund—Report of the Trustees.*

\$1,700 was loaned Jan. 16, 1909, to Dana C. Hyde on his bond and mortgage. \$1,000.00 was loaned Apr. 30, 1909, to Dana C. Hyde on his second bond and mortgage.

The Taylor (Turner) bond and mortgage has been foreclosed and the property covered by the mortgage being lots 8-18 inc., Becker St., was bid in by the Trustees. The amount due on mortgage together with the interest due Jan. 1, 1908, of \$16.50, and necessary disbursements in connection therewith, was \$631.94, the actual disbursements of \$65.44 were paid out of income of this fund. We have deficiency judgments vs. Theodore W. Taylor and Everett P. Turner for \$220.72.

Lots 7, 8, 9, 10, 11 and 13, Turtelot Tract (Cook St.) were sold Feb. 8, 1909, to F. C. Muller by contract for \$1,285.00, \$100.00 being paid down. The share of this fund being for lots 8, 9, 10, 11 and 13 was \$991.93, and of the amount paid down \$77.19, the balance belonging to Wheeler Fund. It was also part of consideration of this sale upon full payment, the judgment vs. Robertson is to be cancelled. The interest of this fund was sold for \$108.07 less than it was listed at in 1908 report, but as this fund has received \$84.00 from E. R. Robertson on the judgment against him, there was a net loss of \$24.07 to this fund from the sale of this property.

Lot 10, Block 5, Ackerman Ave., was sold to Mrs. White for \$300 cash.

There is \$150.00 still due from Wheeler Fund for advances made during past year, \$75.00 being due to principal and \$75.00 to income. The other advances were all paid. The amounts of \$73.88 due from Johnson Fund, \$7.02 from Babcock Fund, \$52.00 from Wheeler Fund, and \$7.00 from Fiske Fund, according to 1908 report, have been paid.

There remains due to income of this fund from

Douglass Fund .....\$53 47

Wheeler Fund ..... 75 00

and due to principal from

St. Joseph's Church, Rome, Fund.....\$45 19

Wheeler Fund ..... 75 00

The amount of \$53.47 due from Douglass Fund has been treated as a gift (see previous reports).

The judgment against Robertson (balance due this fund being \$157.60, \$20.00 having been paid during past year), is to be cancelled upon payment in full of Cook St. lots (Turtelot Tract).

paid, \$135.00 having been paid July 11, 1908, and \$90.00 Oct. 20, 1908.

\$175.00 was loaned July 13, 1909, to J. M. Gilbert on his bond and mortgage. \$1,500 was loaned to Dana C. Hyde on his bond and mortgage, \$800 having been advanced Nov. 16, 1908, and \$700.00 March 12, 1909.

Lots 29, 30, 31 and 32 Oakland St. were sold October 5, 1908, for \$1,350 cash, which is \$29.72 more than we had them listed at in report 1908. Lots 34 and part lot 35, Oakland St., were sold to Acre for \$450.00, \$50.00 having been paid down December 1, 1908, and a bond and mortgage taken back for \$400.00, the balance. This property was sold at a loss of \$11.82. This makes a net gain of \$17.90 on property sold by this fund during past year, not taking into consideration the expenses of sale or money expended in keeping the lots. This gain of \$17.90 was added to the accrued income.

The amounts of \$1.82 due from Constable Fund and \$1.81 due from Babcock Fund, per report 1908, have been paid.

There is \$32.50 due from Babcock Fund for loans made to pay taxes.

The taxes against Lot 1, corner Hunt and Colvin St., were not paid, as the taxes and assessments against this lot are more than it is worth. (See report of 1908).

Rev. A. J. Brockway was paid \$200.00 during past year.

Income payable as follows: \$500 toward salary of Pastor; residue to Vestry for repairs, etc., under written order of the Bishop.

The deed of trust also provides that the Bishop may, should at any time the parish become unable to support a clergyman without some assistance, apply a larger portion toward said salary should the accumulation warrant it, reserving, however, always enough for the other purposes mentioned.

This fund was bequeathed in trust to Bishop Huntington, Bishop of the Diocese, on whose death, under Chap. 59, Laws of 1863, the fund vested in the Trustees of the Parochial Fund. This provision of the act has only recently been called to our attention. Formerly this fund was not considered a part of the funds of the Trustees of the Parochial Fund. The trustee received income as above, but we do not yet know up to what date the above payments pay the interest.

The fund was created under the will of Mary Wetmore of Holland Patent, N. Y., under the following provision:

"I give to the Bishop of the Diocese of the Protestant Episcopal Church of which Holland Patent shall be a part, the sum of \$3,000 in trust to keep the same continually invested at the legal rate of interest in a mortgage of real estate in Oneida County worth at least double of the money to be loaned, exclusive of the value of building, and pay over the income thereof at least as often as once each year to the Rector for the time being of the St. Paul's Protestant Episcopal Church of Holland Patent. But if for any cause the said Church shall be without a Rector for the space of three consecutive calendar months, the income of said fund shall be paid over to the fund for the support of Diocesan Missions of said Diocese until such time as there shall again be a Rector of said Church."

F. A. Shoudy (Wiggins) bond and mortgage of \$400 was paid in full July 13, 1908. \$500 was loaned to J. M. Gilbert on his bond and mortgage July 13, 1908.

Lot 7, Turtelot Tract, was sold February 8, 1909, for \$293.07 to F. C. Muller, \$22.81 was share of amount paid down received by this fund. (See Perm. Miss. Fund for statement). This was sold for \$31.93 less than it was listed at in 1908 report, but as this fund has received \$21.00 from E. R. Robertson on the judgment against him, there was a net loss of \$10.93 from the sale of this property. The judgment against E. R. Robertson upon which this fund received \$5.00 during past year is to be cancelled upon payment in full of contract.

The amount of \$37.47 due from St. Paul's Church, Constableville Fund, (report 1908) was reduced \$32.47, leaving a balance due of \$5.00.

The amount of \$52.00 due Perm. Miss. Fund (report of 1908) was paid.

Last September the Perm. Miss. Fund paid Rev. D. Daly \$144.00 and Bella V. Brinklow \$24.00 for services at Wheeler Chapel during past summer. \$18.00 has been paid on this amount, leaving a balance due Perm. Miss. Fund of \$150.00. The amount of \$45.08 advanced by Perm. Miss. Fund toward city taxes was paid back.

Income payable for purpose of maintaining clergymen, organist and singer to hold services in the Protestant Episcopal Church at Mannsville, N. Y., and for maintaining the grounds and buildings.

Two members of the original committee on the report of the Trustees of the Parochial Fund being unable to be present, the Bishop appointed in their stead Col. William Verbeck of Manlius, and Charles L. Behm of Syracuse. These two gentlemen and George J. Mager, of the original committee, met at the office of Charles W. Andrews, Treasurer of the Parochial Fund, and made a thorough examination of the securities, receipts and disbursements, and cash on hand, and do certify that we found the same correct to the best of our knowledge and belief.

We are pleased to report further that the securities have in the main been materially strengthened and a considerable portion of the unproductive real estate disposed of.

## G. Van Wagenen Fund.

*To the Convention of the Diocese of Central New York:*

My report in detail shows since last year the payment of one loan in full (Scudder-Shapley), and the reduction in four others (Bar-

rows, Davis, Lillis and Rogers). The two loans taken on (Ryan and Katzmarck) are fully explained in my current account.

In case of the Norris loan so long in arrears of interest, I have been unable to get any payments, but have, instead, taken additional security, which I feel pretty sure will secure the Fund against ultimate loss. Foreclosure would have brought hardship to an unfortunate family with the probable possession of a piece of real estate which your Trustee did not want.

The Andrews default occurred through the death of the principal without a will. I am trying to avoid the cost of foreclosure. In any event, the shrinkage on two city lots in Binghamton can be slight if any.

The report of the Examining Committee will verify the disbursements since the last report.

## I. Work Among the Deaf Mutes.

### REPORT OF THE DEAF MUTE COMMISSION TO THE DIOCESE OF CENTRAL NEW YORK.

Your Commission hereby presents its Eighth Annual Report.

We wish to bear evidence to the continued faithfulness and acceptability of the Missionary, Rev. Harry Van Allen. Sharing his ministrations, under our present arrangement, with the Diocese of Albany, it is only a wonder that he accomplishes as much work in our Diocese as he actually does.

Much of his time must be consumed in travel between the two

Dioceses and different stations in each, and yet during this past year he has held in Central New York 92 services, and called on 260 individuals, visiting beside the larger places, 12 smaller towns. He is not only a Missionary and Spiritual Adviser to his people, but a friend and counsellor to them in legal and financial difficulties. He comes in close touch with them everywhere, and is admired and trusted.

While the Diocese may feel a just pride, then, in the work which is being done for these people, they may also be confident that with our Missionary, this work is in most competent and reliable hands. As far as he is concerned we do not see how any improvement could be made.

We say this because we wish the several contributing parishes to know that their offerings are being made to a very worthy cause, and that the stewardship of the work is being faithfully fulfilled.

During the past year 58 parishes have contributed \$359.31, a small increase over last year, though not as large as in 1907. We again wish to acknowledge the receipt of \$100.00 from the Junior Auxillary and \$200.00 from the Board of Missions. With these sums the Treasurer has been able to meet the monthly stipends on Mr. Van Allen's salary.

We find it necessary, though, to remind the parishes that our balance at the end of each year is still decreasing. To fulfill our obligations we ought to receive each year \$400 from the parishes, and unless this amount is received in the near future, we will be embarrassed. As your Commission, may we earnestly beg the rectors and incumbents of all parishes, and missionary stations, to keep this fact in mind, each and every one striving this coming year to send us an offering for this most worthy cause.

These people are distinctly and especially the wards of this Church in the territory of Central New York. As far as we know, we are the only Christian body ministering to them. They, therefore, look to us because they have nowhere else to look. Without us they would be spiritual orphans.

Our work for them is a most solemn trust, and one in which we should take pride, and also loyally support. Brethren of the clergy

*Deaf Mute Commission.*

and laity, we beg you to remember these facts, take them home with you, and this year give us the \$400 we ask of you.

Thanking all those who have helped in the past, we remain, respectfully,  
Your Commission,

JOHN R. HARDING,

GEORGE T. JACK,

## Report of the Missionary to the Deaf Mutes.

*To the Commission on Church Work Among the Deaf and Dumb in the Diocese of Central New York:*

GENTLEMEN—I take pleasure in submitting the following report of my work as Missionary to the deaf and dumb of the Diocese during the past year: :

I have held services as follows: At Utica, 32; at Syracuse, 21; at Rome, 12; at Oneida, 9; at Auburn, 6; at Binghamton, 6; at Watertown, 3; at Elmira, 2; at Oswego, 1; total, 92. Of these services 18 were celebrations of the Holy Communion.

These services have been held in the larger centers of population, and at nearly all of them deaf people have been present from surrounding towns and villages, some coming a dozen miles or more. I have also made a number of missionary trips, visiting isolated families and individuals, and these trips have taken me to the following places (some of which I have visited more than once): New Hartford, Clinton, Hamilton, Clark Mills, Vernon, Clayton, Cape Vincent, Boonville, Camden, Baldwinsville, Fulton and Skaneateles.

During the year I have had 260 personal interviews with 422 individuals, either at their homes or at church after service. In this way I have been able to exercise considerable influence and afford practical assistance. With Mr. Talcott's generous help I have been able to aid several people to extricate themselves from legal difficulties, and I have also helped, by means of letters, several deserving young men to obtain employment.

---

*Report of the Missionary to the Deaf Mutes.*

---

The deaf people of the Diocese, with the generous help of Mrs. Charles T. Olmsted and of the Rector of Trinity Church, Utica, have been able to place an aged woman—a faithful communicant of the Church for many years—in the Gallaudet Home for Aged and Infirm Deaf Mutes at Poughkeepsie. In May last a reception was tendered me by the deaf people of Utica and vicinity, and I was presented with a purse of twenty-five dollars. In December another very largely attended gathering was held at my house in Utica.

I can touch upon only in the briefest manner the various activities which have taken up my time. I have attended two social gatherings of the deaf, both in Utica; I was present at the outing of the deaf of Central New York at Sylvan Beach, at which some one hundred and fifty deaf people were present, and another gathering held at Summit Park later in the summer; I have visited the schools for the deaf in New York City, Philadelphia and Rome, and have taken a special interest in the welfare of the last named school; in December I was present at the observance of the thirtieth anniversary of All Souls' Church for the Deaf in Philadelphia, and took part in a conference of church workers among the deaf which was held at the same time.

In many respects the past year has been a trying one, owing to the general business depression. Nevertheless, while all have been more or less straitened, few, if any, have been anywhere near actual want. Most of my people have been able to secure fairly remunerative employment while large numbers of hearing men have been entirely idle. This ability of the deaf to take care of themselves in spite of the grievous handicap of deafness is worthy of note.

The financial depression has, however, had its effect upon the amount which my people have been able to give, the offerings at my services amounting to \$88.56 only. If the purse given the missionary, \$25, and the \$25 raised to secure the admission of the old lady to the Gallaudet Home, be added to this, it will nevertheless be seen that the deaf people have not been lacking in generosity and self-denial. No attempt has been made to estimate the amount indirectly given in entertainment and other courtesies to the missionary.

There has been one baptism, that of an infant child of deaf parents at Rome, and there have been two funerals, one at Utica and one at Rome, the Rev. Mr. Dantzer of Philadelphia officiating at the lat-

ter. One candidate for Confirmation has been prepared and is ready to be presented to the Bishop.

My expenses have been: For railroad fares and incidentals, \$139.92; for postage, stationery, etc., \$12.54; charity, \$4.50; total, \$156.96.

The attendance at services has been excellent throughout the year; the loyalty and unselfishness of the people has been marked, and our work among them seems to be steadily gaining in strength and influence. In spite of difficulties and temporary discouragements I believe that the year has been a very successful one.

I wish to express my appreciation of the kindness shown me by the Bishop, by the members of the Commission and by the clergy generally. The rectors of the parishes in which I have held services have accorded me every facility, and I am particularly sensible of their kindness and courtesy.

Very respectfully,

H. VAN ALLEN.

**M. The Sunday School Commission.**

*To the Convention of the Diocese of Central New York:*

The Secretary of the Commission submits the following report of  
the work of the Commission during the past year:

One meeting of the Commission was held in Utica in November.  
At this meeting the Secretary was instructed to arrange for a series  
of Lectures on Sunday School Work to be given in various centers  
of the Diocese, providing that the requisite funds were forthcoming.  
The Secretary was also directed to issue an elementary reading  
course for Sunday School Teachers and for those desirous of becoming  
teachers in the Sunday School.

In accordance with these directions the Secretary prepared and  
issued in the Gospel Messenger a Reading Course for Teachers, of  
an elementary character, and based on the outline of the Teacher

*The Sunday School Commission.*

---

Training Committee of the Joint Committee of the General Convention on Sunday School Work. The privilege of examination was offered upon the successful completion of which an elementary certificate would be issued. No great and enthusiastic response was received to this latter proposition, one application alone being received for examination.

With regard to the proposed course of lectures, it was estimated that about \$400 would be necessary for the expense, and it was proposed to provide the necessary funds by a scheme which was carried out successfully in another Diocese, by issuing tickets for the course of six lectures at the nominal charge of 50 cents for the course. This would have necessitated the sale of about 800 tickets. The matter was submitted to the Parishes in the six large cities of the Diocese, with the result that the secretary received pledges for about three hundred out of the necessary eight hundred tickets. The lecture course was consequently abandoned, as it is manifestly impossible to bring men from a long distance, without at least paying their expenses, to say nothing of giving them some recompense for a week spent in the Diocese in this work.

The Secretary of the Commission has delivered one address on Sunday School Work during the year, in May, before a well attended meeting of the Syracuse Sunday School Institute.

Nothing very much, therefore, can be reported as having been accomplished during the year, although something of an effort has been made. The Secretary of the Commission had been elected a member of the Executive Committee of the Federation of Diocesan Sunday School Commissions, and is consequently in touch with what is being done in other Dioceses and by the Church at large for the betterment of the Sunday School.

One matter which should come before the Convention is the proposition of the Federation to put an Educational Secretary in the field, whose duty it would be to visit the different Dioceses belonging to the Federation and disseminate information about the best methods and ideals for the Sunday School. A letter of inquiry concerning the matter, and especially whether it would be possible to raise the amount apportioned to the Diocese of Central New York for the support of such Secretary was answered in the negative, as there was at the time no prospect of funds which the Commission could pledge. The amount apportioned to the Diocese based upon

---

the number of Sunday Schools is \$103.20 annually for three years. Fourteen out of the twenty-seven Dioceses represented in the Federation have pledged their apportionment, and the matter is still under advisement. It might be well if some action were taken concerning this matter by the Convention.

At the next General Convention a Canon will be introduced by the Joint Commission of the General Convention of Sunday School Work creating a Sunday School Board, somewhat similar to the Board of Missions. Some such action with regard to the Diocesan Commission as has been done in some Dioceses, might well be taken, as by enacting a Canon creating the Diocesan Sunday School Commission. It would be possible to provide some regular means for the support of its work, and thus make it possible for the Commission to accomplish more than has been done in the past. It has been suggested that a regular yearly assessment upon the Sunday Schools of the Diocese would provide such necessary funds. At present there are reported some 8,000 members of the Sunday Schools in the Diocese. A small yearly assessment of five cents per capita would thus provide a fund of \$400, and make it possible for the Commission to carry on some definite work for the Sunday Schools of the Diocese.

Respectfully submitted,

FRANCIS CURTIS SMITH, *Secretary.*

**ADOPTED JUNE 14TH, 1870.**

### **ARTICLE I.**

Section 1. There shall be an Annual Convention of the Church in the Diocese of Central New York on a Tuesday in May to be selected by the Bishop in each year, meeting at four o'clock and thirty minutes P. M. in such place as shall be determined by the Bishop for the time being or in case of his inability to act or of a vacancy in the Episcopate by the Standing Committee.

Sec. 2. On Tuesday evening, after service, a quorum being present, the Convention shall organize, and the Standing Committees shall be appointed.

Sec. 3. In the event of the prevalence of any epidemic disease, or for other sufficient cause, occurring after the designation of the place of meeting, the Bishop or in the case above mentioned, the Standing Committee, may appoint another place for the meeting of the Convention.

### **ARTICLE II.**

The Bishop may call Special Conventions when he shall judge it conducive to the good of the Church.

In case of a vacancy in the Episcopate, or the inability of the Bishop to do so, the Standing Committee may call such Convention.

### **ARTICLE III.**

Section 1. The members of any Convention shall be the Bishop, the Bishop Coadjutor, if there be one, and all Clergymen canonically resident in the Diocese, not under discipline, and Lay Delegates not exceeding three in number from each Parish, Church or Congregation in union with the Convention, provided, however, that no Clergy-

---

*Constitution.*

---

man shall be entitled to vote for a Bishop unless he has been canonically resident in the Diocese for at least one year.

Sec. 2. The Lay Delegates shall be chosen by the Vestry, when one is in legal existence. When the Vestry is, from vacancy or otherwise, incompetent to act, they shall be chosen by the Congregation.

Sec. 3. But in case of Churches or Congregations organized or incorporated without a Vestry, Delegates may be chosen by the Church or Congregation, unless the Convention shall otherwise prescribe.

Sec. 4. The mode of admitting new Churches or Congregations into union with the convention and the conditions under which union or representation shall be forfeited, may be prescribed by Canon.

ARTICLE IV.

Every Convention at its first morning session shall be opened with prayers and the Holy Communion, and the Bishop may at this time deliver his Annual Address or Charge.

ARTICLE V.

The Bishop shall preside in the Convention; but in case of a vacancy, inability to act, or necessary absence, the members shall elect a President from among the Presbyters.

ARTICLE VI.

A Secretary shall be chosen upon the assembling of the Annual Convention from among the members thereof, who shall remain in office until the meeting of the next Annual Convention, and until a successor be appointed. His duty shall be to take minutes of their proceedings, to preserve their journals and records, to attest the public acts of the body, and faithfully to deliver into the hands of his successor all books and papers relative to the concerns of the Convention which may be in his possession. It shall also be his duty to give due notice to each Minister and Vestry of the time and place appointed for the meeting of each Convention.

ARTICLE VII.

Section 1. In all matters which come before the Convention, the Clergy and Laity shall deliberate, and, except as provided in the next Section, may vote in one body; but if in any case it shall be required by five members, the two orders shall vote separately, the Clergy as individuals, and the Laity as Parishes; and the concurrence of a majority of each order shall be necessary to constitute a decision.

---

*Constitution.*

---

Sec. 2. In case of the election of a Bishop, the two orders shall always vote separately by ballot, and according to the mode above prescribed.

#### ARTICLE VIII.

The mode of altering the Constitution shall be as follows:: A proposition for an amendment shall be introduced in writing, and considered in the Convention; and if approved of, shall lie over till the next Annual Convention; and, if again approved of in such next Convention by a majority of the two orders voting thereon separately, the change shall take place, and the Constitution so altered shall be valid and obligatory.

#### ARTICLE IX.

No amendment of the Canons shall be made during the session of the Convention in which the same shall be proposed, unless two-thirds of each order shall concur therein; but any amendment, if approved by a majority less than two-thirds, shall lie over for the consideration and final action of the next Annual Convention.

## CANON I.

### *Of a List of Ministers in the Diocese.*

Section 1. Within one week before the meeting of every Convention of this Diocese, the Bishop shall prepare, or cause to be prepared, a list of all the Ministers canonically resident in this Diocese, annexing the names of their respective Cures, Parishes, Stations, or places of residence, designating those who are entitled to seats in the Convention; but no Clergyman while suspended from the Ministry, shall have a place on the said list. And such list shall be laid before the Convention on the first day of meeting, and be prefixed to the Journal.

Sec. 2. The right of any Clergyman of this Diocese to a seat in the Convention, shall, if disputed, be determined according to the provisions of the Third Article of the Constitution, by the Convention itself; whether his name be inserted in the list aforesaid or omitted.

## CANON II.

### *Of the Members and Organization of the Convention.*

Section 1. The evidence of the regular admission of a Clergyman into this Diocese shall consist in proof satisfactory to the Convention of a compliance with Section V of Canon 15, of the Digest of the Canons of the General Convention; and the evidence of a settlement in a Church thereof shall consist in proof satisfactory to the Convention, of a compliance with the first and second sections of Canon 14.

Sec. 2. The appointment of a Lay Delegate to the Convention of this Diocese shall be certified in writing by the Rector of the Parish or Church of which he is a delegate, or by one of the Wardens, or by the Clerk of the Vestry, or Trustees, and the Certificate shall be forwarded by mail or otherwise, to the Secretary not later than forty-eight hours before the meeting of the Convention. This Certificate shall state in all cases that the person so certified is entitled to vote for Wardens and Vestrymen—or would be so entitled if the Church which he is appointed to represent were not otherwise organized or incorporated—and that the said Parish or Church is not in arrears in payment of its assessment for the Diocesan Expense Fund, or (if it be in arrears) that it prays the Convention to remit

---

*Canon III.*

---

the sum in arrears for the good and sufficient reasons presented in a paper annexed. The form of said certificate may be prescribed by the Convention, and when so prescribed no other certificate of the appointment of any Lay Delegate or Delegates to the Convention of this Diocese shall be allowed or received.

Sec. 3. At every Convention the Bishop shall take the Chair, and shall continue to preside during its sitting. He shall possess the usual powers of presiding officers in deliberative assemblies to preserve order and decorum, and shall decide all questions of order without debate, subject to an appeal to the House. He shall have the right to name any clerical member to perform the duties of the Chair, but such substitute shall not extend beyond an adjournment, unless directed by the House.

Sec. 4. In case of the absence or disability of the Bishop, or of a vacancy in the office, the senior clerical member of the Standing Committee present shall call the Convention to order and act as President *Pro Tempore*, and perform all the duties of President until the convention shall be organized and shall have elected a President.

Sec. 5. The President having taken the Chair, the Secretary of the preceding Convention shall call over the names of the Clergy entitled to seats in the Convention, and shall enter in the Journal the names of those who are present. The Standing Committee on Credentials shall then report to the Secretary the names of all Lay Delegates duly elected and entitled to seats in the Convention under the Canons. Any irregular or defective certificates shall be reserved until a quorum shall have appeared. The names of the Lay Delegates duly appointed shall then be called and the names of those who are present shall be entered on the Journal. The irregular and defective certificates shall be reported to the Convention as soon as it is duly organized, who shall decide on the admission of the delegates named in them.

Sec. 6. The presence of at least twenty Clergymen entitled to vote in the Convention, and of Delegates from at least twenty Congregations, shall be necessary to the transaction of business, except that a smaller number may adjourn from day to day.

Sec. 7. A quorum being found to be in attendance the President shall declare the Convention duly organized. The Secretary shall then be elected, who may nominate an Assistant Secretary, to be approved by the Convention.

Sec. 8. The Rules of Order of the preceding Annual Convention shall be the Rules of Order until altered by a vote of a majority of the Convention.

### CANON III.

#### *Of the Call of a Convention.*

Section 1. Notice of the meeting of any Convention shall be

*Canon IV, V.*

given by the Secretary in a printed letter, transmitted by mail at the expense of the Convention to every Clergyman in the Diocese, and to the Wardens in every vacant Parish, at least one month before the time of meeting. This letter shall contain a notice of the time and place of holding the Convention, extracts from the Constitution and Canons relating to the appointment of Lay Delegates, and a form of certificate of their election. Notice of the meeting shall also be inserted in any newspaper in which the Bishop may direct such insertion to be made.

Sec. 2. Whenever, under the provision of the Constitution, a special Convention is called for any particular purpose, it shall be the duty of the Secretary in the notice thereof to specify such purpose.

CANON IV.

*Of the Admission of a Church into Union with the Church in this Diocese.*

Section 1. To entitle a Church to admission into union with the Church in this Diocese, it is required that there be submitted to the Convention of the same, at a stated meeting: (1) A certificate from the Bishop, or in case of his absence or a vacancy in the Episcopate, of a major part of the Standing Committee, approving the incorporation of such a Church; (2) The certificate of incorporation duly proved and recorded, or a copy thereof certified by the Clerk of the County. But no such certificate shall be given by the Bishop or the majority of the Standing Committee save upon satisfactory evidence of the ability of such Church to pay and continue the sum of at least six hundred dollars a year for the support of a Rector or Missionary; and also that such Church contains at least thirty actual Communicants.

Sec. 2. Whenever, hereafter, any Church in union with this Convention, shall neglect, for three years in succession, to make a parochial report, no missionary report being made in its behalf; and during the same period shall not employ a Clergyman as its Parish Minister, nor obtain the services of a Missionary, nor make the stated monthly collections as required by Canon X of this Diocese, such Church shall be regarded as having forfeited its connection with the Convention, and be no longer entitled to representation in the same; and the Bishop shall report said Church to the Convention in his Annual Address; but any such Church may be readmitted on the recommendation of the Bishop and by a resolution of the Convention, and such readmission shall take effect from and after the rising of the Convention which shall have agreed to the same.

CANON V.

*Of the Secretary of the Convention*

Section 1. In addition to the duties imposed upon the Secretary

---

*Canon VI.*

---

by the Constitution and by Canon III, he shall be required to transmit annually to each of the Bishops of the Protestant Episcopal Church in the United States, and to the Secretary of the last House of Clerical and Lay Deputies in the General Convention, and to the Secretary of every Diocesan Convention a copy of the Journal of the Convention; and shall request the last to send copies of their respective Journals in exchange. He shall also transmit a copy to each Clergyman in the Diocese, and each Lay Delegate attending the Convention, and five copies to each Parish in the Diocese, one of which it shall be the duty of the Clerk of the Vestry to preserve with the Parish records.

Sec. 2. He shall also transmit to every General Convention, in addition to the documents mentioned in Section II, Canon 47, of the Digest, a certificate to be signed by himself, containing a list of the Clergymen in this Diocese, and the amount of funds paid or secured to be paid (distinguishing them) to the General Theological Seminary; together with the nomination of Trustees of that Seminary; and also a certificate of the appointment of Clerical and Lay Deputies.

Sec. 3. Any expense incurred by a compliance with the several sections of this Canon shall be paid out of the Diocesan Fund.

Sec. 4. Whenever there shall be a vacancy in the office of Secretary of the Convention, the duties thereof shall devolve upon the Assistant Secretary, if there be one; if not, upon the Secretary of the Standing Committee.

### CANON VI.

#### *Of the Treasurer of the Diocese.*

Section 1. At every Annual Convention there shall be chosen a Treasurer of the Diocese. It shall be his duty to receive and disburse all moneys collected under the authority of the Convention, the collection and distribution of which shall not be otherwise regulated. He shall be subject to the direction of the Standing Committee in relation to the mode and place of depositing the funds received by him, and the manner of paying them out, and his accounts and books shall be at all times subject to the inspection of the Standing Committee or any member thereof. Before entering on the duties of his office he shall give a bond to the Standing Committee, in such penalty and with such surety as they shall direct, conditional for the faithful performance of his duties, and for the delivery over to his successor of all funds, securities, books and papers pertaining to his office.

Sec. 2. His accounts shall be reported to the appropriate Committee, according to Canon XIV.

Sec. 3. In case of a vacancy in the office the Standing Committee shall appoint a Treasurer, and the person so appointed shall

*Canon VII.*

continue to act until an election is made by the Convention. The Treasurer may be removed at any time from his office by the Standing Committee for any neglect or misconduct, of which they shall be judges.

CANON VII.

*Of Registers, Parochial Reports, and the Removal of Communicants from one Parish to Another.*

Section 1. The Parish Register, required by Section III, Canon 15, of the Digest, shall specify the name and the time of the birth of the child baptized with the names of the parents and sponsors; the name of the adult baptized; the names of the parties married, and of two or more special witnesses of the same, and the place where the marriage was solemnized; the names of the persons buried; and also the time when each rite was performed. These Registers shall be kept by the Minister in a book to be provided for that purpose belonging to the Vestry of each Church; which book shall be the Parish Register, and shall be preserved by the Vestry as a part of the Records of the Church.

Sec. 2. The Parish Register shall contain a list of the families and adult persons in the Cure as far as practicable, and also an accurate list of the persons confirmed from time to time.

Sec. 3. ## CANON XVIII.

*Of the Trial of a Clergyman not Being a Bishop.*

Whenever any Minister of the Diocese, not being a Bishop thereof, shall become liable to presentment and trial under the provisions of any Canon of the General or Diocesan Convention, the mode of proceedings in this Diocese shall be as follows, viz.:

Section 1. The trial shall be on a presentment in writing, addressed to the Bishop of the Diocese, specifying the offenses of which the accused is alleged to be guilty, with reasonable certainty as to time, place and circumstances. Such presentment may be made by the major part in number of the members of the Vestry of any Church of which the accused is a Minister, or by any three Presbyters of this Diocese entitled to seats in the Convention or as hereinafter mentioned. Whenever from public rumor, or otherwise, the Bishop shall have reason to believe that any Clergyman is under the imputation of having been guilty of any offense or misconduct, for which he is liable to be tried, and that the interest of the Church requires an investigation, it shall be his duty to appoint five persons, of whom three at least shall be Presbyters, to examine the case—a majority of whom may make such examination; and if there is, in their opinion, sufficient ground for presentment, shall present the Clergyman accordingly.

Sec. 2. A presentment being made in any of the modes above prescribed, the Bishop, if the facts charged shall not appear to him to be such as to constitute an offense, may dismiss it; or if it allege facts some of which do, and some of which do not constitute an offense, he may allow it in part and dismiss the residue, or he may permit it to be amended. When it shall be allowed in whole or in part, the Bishop shall cause a copy of it to be served on the accused, and shall also nominate twelve Presbyters of this Diocese, entitled to seats in the Convention, and not being parties to the presentment, and cause a list of their names to be served on the accused, who shall, within thirty days after such service, select five of them and notify their names in writing to the Bishop; and if he shall not give such notification to the Bishop within the said thirty days, the Bishop shall select five, and the Presbyters so selected shall form a board for the trial of the accused, and shall meet at such time and place as the Bishop shall direct, and shall have power to adjourn, from time to time and from place to place, (but always within the Diocese,) as they shall think necessary.

Sec. 3. A written notice of the time and place of their first meeting shall be served at least thirty days before such meeting on the accused, and also on one of the persons making the presentment.

Sec. 4. If at the time appointed for the first meeting of the Board of Presbyters, the whole number of five shall not attend, then those who do attend may adjourn from time to time; and if after

---

*Canon XVIII.*

---

one adjournment or more it shall appear to them improbable that the whole number will attend within a reasonable time, then those who do attend, not being less than three, shall constitute the Board, and proceed to the trial and a majority of them shall decide all questions.

Sec. 5. If a Clergyman presented shall confess the truth of the facts alleged in the presentment, it shall be the duty of the Bishop to proceed to pass sentence; and if he shall not confess them before the appointment of a Board for his trial as before mentioned he shall be considered as denying them.

Sec. 6. If a Clergyman presented, after having due notice, shall not appear before the Board of Presbyters appointed for his trial, the Board may nevertheless proceed as if he were present, unless for good cause they shall see fit to adjourn until another day.

Sec. 7. When the Board proceeds to the trial, they shall hear such evidence as shall be produced; which evidence shall be reduced to writing and signed by the witnesses respectively; and some officer authorized by law to administer oaths may, at the desire of either party, be requested to administer an oath or affirmation to the witnesses, that they will testify the truth, the whole truth and nothing but the truth, concerning the facts charged in the presentment. If on or during the trial, the accused shall confess the truth of the charges as stated in the presentment, the Board may dispense with hearing further evidence, and may proceed at once to state their opinion to the Bishop as to the sentence that ought to be pronounced.

Sec. 8. Upon the application of either party to the Bishop, and it being made satisfactorily to appear to him that any material witness can not be procured upon the trial, the Bishop may appoint a commissary to take the testimony of such witness. Such commissary may be either a Clergyman or a Layman, and the party so applying shall give to the other at least six days' notice of the time and place of taking the testimony. And if the person on whom the notice shall be served shall reside more than forty miles from the place of examination, an additional day's notice shall be given for every twenty miles of the said distance. And both parties may attend and examine the witness; and the questions and answers shall be reduced to writing and signed by the witness, and shall be certified by the commissary and enclosed under his seal and transmitted to the Board, and shall be received by them as evidence. A witness examined before such commissary may be sworn or affirmed in manner aforesaid.

Sec. 9. The Board having deliberately considered the evidence, shall declare in writing, signed by them or a majority of them, their decision on the charges contained in the presentment, distinctly stating whether the accused is guilty or not guilty of such charges respectively, and also stating the sentence which in their opinion should be pronounced; and a copy of such decision shall be without delay communicated to the accused; and the original decision, to-

---

Canon XIX, XX.

---

gether with evidence, shall be delivered to the Bishop, who shall pronounce such canonical sentence as shall appear to him to be proper, provided the same shall not exceed in severity the sentence recommended by the Board; and such sentence shall be final. Before pronouncing any sentence the Bishop shall summon the accused and any three or more of the Clergy, to meet him at such time as may in his opinion be most convenient, in some Church to be designated by him, which shall for that purpose be opened at the time to all Persons who may choose to attend, and the sentence shall then and there be publicly pronounced by the Bishop. But the Bishop, if he shall be satisfied that justice requires it, may grant a new trial to the accused, in which case a new Board of Presbyters shall be appointed, the proceedings before whom shall be conducted as before mentioned.

Sec. 10. All notices and papers contemplated in this Canon may be served by a summoner or summoners, to be appointed for the purpose by the Bishop, and whose certificate of such service shall be evidence thereof. In cases of service by any other person, the fact shall be proved by the affidavit of such person. A written notice or paper delivered to a party, or left at his last place of residence, shall be deemed a sufficient service of such notice or paper—provided, however, that the service, if not personal, shall be a notice of at least sixty days.

Sec. 11. The accused may have the privilege of appearing by counsel; in case of the exercise of which privilege, and not otherwise, those who present shall have like privilege; which counsel shall in all cases be members of the Protestant Episcopal Church.

Sec. 12. The record of all proceedings upon a presentment of a Clergyman, shall be preserved by the Standing Committee; and for that purpose shall, after final decision be delivered to their Secretary.

The presence of at least six persons qualified to vote thereat shall be necessary to constitute a quorum of such meeting. The action of the meeting upon any matter or question shall be decided by a majority of the qualified voters voting thereon, a quorum being present. The officiating minister, or if there be none, or he shall be necessarily absent, any other person qualified to vote at the meeting, who is called to the chair, shall preside thereat. Such presiding officer shall receive the votes, be the judge of the qualifications of voters, and declare the result of the votes cast at such meeting. The polls of the meeting shall remain open for one hour or longer, in the discretion of the presiding officer, or if required by a vote of a majority of the voters present. The meeting shall decide whether such unincorporated Parish or Congregation shall become incorporated. If such decision be in favor of incorporation, such meeting shall decide upon the name of the proposed corporation; what secular day of the week beginning with the first Sunday in Advent, shall be the date of the regular annual election; whether the Vestrymen thereof shall be three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four; and shall elect by ballot from the persons qualified to be voters thereat, who have been baptized, one-third of the number of Vestrymen so decided upon to hold office until the first annual election to be held thereafter, one-third of such number, to hold office until one year after such annual election, and one-third of such number, to hold office until two years after such annual election; and shall elect from such qualified voters who are communicants in the Protestant Episcopal Church, two persons to be Church Wardens thereof, one to hold office until such annual election, and one to hold office until one year after such annual election.

1. The fact of the calling and holding of such meeting;
2. The name of the corporation as decided upon thereat;

On filing such certificate in the office of the Clerk of the county so specified therein the Church Wardens and Vestrymen so elected and their successors in office, together with the Rector, when there is one, shall form a Vestry and shall be the Trustees of such Church or Congregation; and they and their successors shall thereupon, by virtue of this chapter, be a body corporate by the name or title expressed in such certificate, and shall have power, from time to time, to adopt by-laws for its government. Such corporation shall be an incorporated Church, and may be termed also an incorporated Parish.

Sec. 42. Corporate Trustees, Vestry; Powers and Duties Thereof—No meeting of the Vestry or Trustees of any incorporated Protestant Episcopal Parish or Church shall be held unless either all the members thereof are present, or three days' notice thereof shall be given to each member thereof, by the Rector in writing either personally or by mail, or, if there be no Rector or he be incapable of acting, by one of the Church Wardens; except that twenty-four hours' notice of the first meeting of the Vestry or Trustees after an annual election shall be sufficient, provided such meeting be held within three days after the election. To constitute a quorum of the Vestry or Board of Trustees there must be present either:

1. The Rector, at least one of the Church Wardens and a majority of the Vestrymen; or,

2. The Rector, both Church Wardens and one less than a majority of the Vestrymen; or,

3. If the Rector be absent from the Diocese and shall have been so absent for over four calendar months, or if the meeting be called by the Rector and he be absent therefrom or be incapable of acting, one Church Warden and a majority of the Vestrymen, or both Church Wardens and one less than a majority of the Vestrymen. But if there be a Rector of the Parish, no measure shall be taken, in his absence, in any case, for effecting the sale or disposition of the real property of the corporation, nor for the sale or disposition of the capital or principal of the personal property of the corporation, nor shall any act be done which shall impair the rights of such Rector. The presiding officer of the Vestry or Trustees shall be the Rector, or if there be none, or he be absent, the Church Warden who shall be called to the chair by a majority of the votes, if both the Church Wardens be present; or the Church Warden present, if but one be present. The Vestry shall have power to fill a vacancy occurring in the office of a Church Warden or Vestryman by death, resignation or otherwise than by expiration of term, until the next annual election, at which, if such vacancy would continue thereafter, it shall be filled for the remainder of the unexpired term. If vacancies exist in the offices of

---

*The Religious Corporations Law.*

---

Church Wardens or Vestrymen in such number that a quorum of the Vestry or Board of Trustees is not in office at any time, the Rector shall forthwith call a special election for the filling of such vacancies. If there be no Rector the Church Warden longest in office shall call such special election. Notice of such special election shall be read by the rector, or if there be none, or he be absent, by the officiating minister or by one of the Church Wardens, on the Sunday next preceding such election, in the time of divine service. If for any reason the usual place of worship of the Parish be not open for divine service on such Sunday, such notice shall be posted conspicuously on the outer door of the place of worship for one week next preceding the election. Such notice shall conform to that required for an annual election. The provisions of section forty-three of this chapter relating to annual elections shall apply to such special election, except as inconsistent herewith. Such vacancies shall be filled at such election for the remainder of the unexpired terms. The vestry may, subject to the canons of the Protestant Episcopal Church in the United States, and of the Diocese in which the Parish or Church is situated, by a majority vote, elect a Rector to fill a vacancy occurring in the rectorship of the Parish, and may fix the salary or compensation of the Rector.

Sec. 43. Annual Elections and Special Meetings of Incorporated Protestant Episcopal Parishes—The annual election of a Protestant Episcopal Parish, hereafter incorporated, shall be held on the secular day in the week commencing with the first Sunday in Advent, designated in its certificate of incorporation. The annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated shall be held on the day fixed for such annual election, by or in pursuance of law, or if no such date be so fixed, then on the Monday next after the first Sunday in Advent. Special meetings of any Protestant Episcopal Parish or Church heretofore or hereafter incorporated may be held on any secular day fixed by the Vestry. Notice of such annual election or special meeting shall be read by the Rector of the Parish, or if there be none, or he be absent, by the officiating Minister or by a Church Warden thereof, on each of the two Sundays next preceding such election or special meeting, in the time of divine service, or if, for any reason, the usual place of worship of the Parish be not open for divine service, the notice shall be posted conspicuously on the outer door of the place of worship for two weeks next preceding the election or special meeting. Such notice shall specify the place, day and hour of holding the election or special meeting. The notice of the annual election shall also specify the name and term of office of each Church Warden and Vestryman whose term of office shall then expire or whose office shall then be vacant for any cause, and the office for which each such officer is to be then elected. The notice of a special meeting shall specify the matter or question to be brought before such meeting and no matter or question not specified in such notice shall be acted on at such meeting. The presiding officer of such annual or special meeting shall be the Rector of the Parish, if there be one, or if there be none, or he be absent, one of the Church Wardens elected for the purpose by a majority of the duly qualified voters present, or if no

---

*The Religious Corporations Law.*

---

Church Warden be present, a Vestryman elected in like manner. Such presiding officer shall be the judge of the qualifications of the voters; shall receive the votes cast; and shall declare the result of the votes cast. The presiding officer of such annual or special meeting shall enter the proceedings of the meeting in the book of the minutes of the Vestry, sign his name thereto, and offer the same to as many qualified voters present as he shall think fit, to be also signed by them. Only men of full age belonging to the Parish, who have been regular attendants at its worship and contributors to its support for at least twelve months prior to such election or special meeting or since the establishment of such parish, shall be qualified voters at any such election or special meeting. The action of an annual or special meeting upon any matter or question shall be decided by a majority of the qualified voters voting thereon. The polls of an election shall continue open for one hour and longer, in the discretion of the presiding officer, or if required by a vote of a majority of the qualified voters present and voting. The Church Wardens and Vestrymen shall be elected by ballot from persons qualified to vote at such election, and no person shall be eligible for election as Church Warden, unless he be also a communicant in the Protestant Episcopal Church, nor be eligible for election as Vestryman, unless he shall have been baptized. At each annual election of an incorporated Protestant Episcopal Parish hereafter incorporated, one Church Warden shall be elected to hold office for two years and one-third of the total number of Vestrymen of the Parish shall be elected to hold office for three years. At each annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated, two Church Wardens and the total number of its Vestrymen shall be elected to hold office for one year thereafter, unless the term of office of but one Church Warden or of but one-third of its Vestrymen shall then expire, in which case one Church Warden shall be elected to hold office for two years, and one-third of the total number of its vestrymen shall be elected to hold office for three years. Each Church Warden and Vestryman shall hold office after the expiration of his term until his successor shall be chosen.

Sec. 44. Changing the Number of Vestrymen of Protestant Episcopal Parishes Hereafter Incorporated—If the Vestry of a Protestant Episcopal Parish, hereafter incorporated, shall, by resolution, recommend that the number of Vestrymen of such parish be changed to either three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four Vestrymen, notice of such recommendation shall be included in the notice of the next annual election of such Parish, or in the notice of a special meeting to be held not less than six months before the time fixed for holding the next annual election thereafter, and be submitted to such annual or special meeting. If such recommendation be ratified by such meeting, the presiding officer thereof, and at least two qualified voters present thereat, shall execute and acknowledge a certificate setting forth such resolution of the Vestry, the fact that notice thereof had been given with the notice of such annual election, or with the notice of such special meeting as the case may be; that the meeting had ratified the same; and the number of vestrymen so decided on. Such certificate shall

---

*The Religious Corporations Law.*

---

be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded, and such change in the number of Vestrymen shall take effect at the time of the next annual election thereafter. If the number of Vestrymen be thereby increased, then, in addition to the number of Vestrymen to be elected at such annual election, one-third of such increased number of Vestrymen shall be elected to hold office for one year thereafter, one-third of such increased number shall be elected to hold office for two years thereafter, and one-third of such increased number shall be elected to hold office for three years thereafter. If the number of Vestrymen by such change be reduced, such reduction shall not affect the term of office of any Vestryman duly elected, and at such next annual election and at each annual election thereafter, one-third of such reduced number of Vestrymen shall be elected to hold office for three years.

Sec. 45. Changing Date of Annual Election, Number and Terms of Office of Vestrymen and Terms of Office of Church Wardens in Protestant Episcopal Churches Heretofore Incorporated—If the Vestry of a Protestant Episcopal Parish, heretofore incorporated, shall by resolution, recommend that the date of the annual election be changed to a secular day in the week beginning with the first Sunday in Advent, or that the number of Vestrymen be changed to three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four, and that the terms of office of the Church Wardens be changed so that one Warden shall be elected annually, notice of such recommendation shall be included in the notice of the next annual election of such Parish, or in the notice of a special meeting to be held not less than six months before the time fixed for holding the next annual election thereafter, and be submitted to such annual or special meeting. If such recommendation be ratified by such meeting, the presiding officer thereof and at least two qualified voters present thereat, shall execute and acknowledge a certificate setting forth such resolution of the Vestry; the fact that notice thereof had been given with the notice of the annual election, or with the notice of the special meeting, as the case may be; that such meeting had ratified the same; the date determined upon for the annual election of the parish; the number of Vestrymen so decided on; and the fact that the meeting determined to thereafter elect Church Wardens, so that the term of one Warden shall expire annually. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded. If the meeting determine to change the date of the annual election, the next annual election shall be held on the day in the week beginning with the first Sunday in Advent, determined on at such meeting, and the terms of the Vestrymen and Church Wardens which, pursuant to law, would expire at the next annual election shall expire and their successors shall be elected on such day. If the meeting determine to change the number of Vestrymen and manner of electing Wardens and Vestrymen, there shall be elected at the first annual election thereafter, one-third of the number of Vestrymen so determined on, to hold office for three years; one-third thereof to hold office for two years; and one-third thereof to hold office for one year; and one Church Warden to hold office for one year, and one

---

*The Religious Corporations Law*

---

to hold for two years; and thereafter at the annual election there shall be elected one-third of the number of Vestrymen determined on at such meeting and one Church Warden. Any Protestant Episcopal Parish, heretofore incorporated, which has changed the number of its Vestrymen and the manner of electing Wardens and Vestrymen pursuant to the provisions of this section, may make further changes in the number of its Vestrymen in the manner provided in section forty-four of this chapter.

**Sec. 46. Changing the Qualifications of Voters and the Qualifications of Wardens and Vestrymen**—If the Vestry of a Protestant Episcopal Parish heretofore incorporated shall by resolution recommend that the qualifications of voters and the qualifications of Wardens and Vestrymen be changed to conform in both cases to the requirements of section forty-three of this chapter, notice of such recommendation shall be included in the notice of the next annual election of such Parish, and be submitted to the meeting. If such recommendation be ratified by such meeting the presiding officer thereof and at least two qualified voters present thereat shall execute and acknowledge a certificate setting forth such resolution of the Vestry, the fact that notice thereof had been given with the notice of such annual election, and that the meeting had ratified the same. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded.

# JOURNAL.

## FIRST DAY.

ST. PAUL'S CHURCH, SYRACUSE,

Tuesday, May 24, 1910.

This being the day appointed for the meeting of Forty-Second Annual Convention of the Diocese of Central New York, the Rt. Rev. Charles Tyler Olmsted, S. T. D. C. L., Bishop of the Diocese, and a number of the Clergy and Laity assembled in St. Paul's Church, in the City of Syracuse at 4:30 o'clock P. M., Evening Prayer was celebrated by the Rev. Sidney Winter, the Rev. David W. Bland and the Rev. O. E. Newton. At the conclusion of Divine Service the Rt. Rev. the Bishop of the Diocese took the chair and called the Convention to order.

The Assistant Secretary, in the absence of the Secretary, called the roll of the Clergy entitled to seats in the Convention, when eighty-eight answered to their names and took their seats. (*See page 22*).

On the report of the Committee on Credentials the Secretary was called when sixty-four Lay Delegates representing thirty-nine Parishes answered to their names and took their seats. (*See page 23*).

A quorum of the Clergy and Lay Delegates being present, the Right Reverend, the President, declared the Convention to be duly organized and ready for business.

The Convention proceeded to the election of a Secretary, when, on motion, the vote by ballot was dispensed with, and the Rev. James Winslow Clarke was chosen.

On nomination of the Secretary, the Rev. Wm. C. White was appointed Assistant Secretary.

*Journal.*

Rev. Dr. Wilson offered the following resolution, which was adopted by a rising vote:

Resolved, That the Secretary be instructed to convey to the Rev. James K. Parker, former Secretary of the Convention, the sympathy of its members in his serious illness, and to assure him that we offer our united prayers for his speedy recovery to full health and strength for work in the Master's service.

The Chair appointed the following Committees:

Committee on the Admission of Churches into Union with the Convention—The Rev. Dr. Coddington and Messrs. H. B. Hubbard and H. Moore.

Committee on Unfinished Business—The Rev. J. T. Rose and Messrs. J. H. Aboll and Robert C. Scott.

Committee on the Report of the Missionary Board—The Rev. G. G. Perkins and Messrs. H. D. Titus and S. B. Drass.

Committee on the Report of the Trustees of the Bible and Prayer Book—The Rev. Jesse Higgins and Messrs. E. G. Randall, and P. L. Wight.

Rev. Douglas Matthews offered the following resolution, which was adopted:

Resolved, That the sympathy of the Convention be extended to Rev. A. W. Allen, the Rev. James H. Kidder and the Rev. John B. Wicks in their illness.

The Archdeacon offered the following resolutions, which on motion referred to the Committee on the Constitution and Canons:

Resolved, That Rule 8 of the Second Day be amended by adding a new subsection to be numbered VIII and to read as follows: "On the Report of the Trustees of the Bible and Prayer Book Society, consisting of one clergyman and two laymen."

The Archdeacon offered the following resolution, which was on motion referred to the Committee on the Constitution and Canons.

Resolved, That Canon XIV, Section 2, be amended by adding a new subsection to be numbered 6, as follows, "On Report of the Trustees of the Bible and Prayer Book Society consisting of one Clergyman and two Laymen."

The Rev. Dr. Egar from the Committee on the Constitution and Canons presented the following

REPORT.

The Committee on Constitution and Canons, to whom was referred by a Resolution of the Convention of 1909 (p. 35 of the Journal) "to look carefully over all the Canons of the Diocese, to make such revisions in phraseology, arrangements of sections, or amendments, as may be deemed advisable," respectfully report:

That they have gone over a number of the Canons and were prepared to make a partial report upon them; in consequence of which the proposed amendments were sent to the Secretary, as required by Section 4 of Canon XIV of the Canons of this Convention, and were printed and sent out as that Canon directs. But upon further consideration at a meeting of the Committee held on Tuesday afternoon, January 24th, it seemed wiser, instead of presenting the partial report at this time to ask the Convention to continue the Committee to report on the whole subject at the next Convention. The printing of the partial report will not be hindered by this change as it gives the members of the Convention an opportunity to study the subject, and not only come better prepared to consider the proposals next year, but also to furnish the Committee with suggestions in the interim, which the Committee will be very glad to receive. And it will give the Committee time to review and revise what has been done as well as what is to be done. Your Committee therefore leave to report further progress, and ask to be continued in report on the whole subject at the next Convention.

On motion the report was accepted. The Rev. Dr. Egar from the same Committee, presented the following

REPORT.

The Committee on Constitution and Canons, to which was referred certain Resolutions offered by the Rev. Dr. Egar, contained on pages 37, 38 and 39, of the Journal of 1909, respectfully report:

*Journal.*

the amendments to Canon III and Canon X, on pages 38, need no attention at this time, as the Committee's report upon them is virtually contained in the Report on Revision of the Canons.

the amendments to Canon XII on page 38 and 39, be at this time, as they are essential to the Canon.

ved, That Canon XII be amended by adding to said an additional section to be numbered Section 5, to follows:

5. All moneys belonging to the Fund not held for investment, including the collections made under Section 2 of Canon, shall be paid to the Treasurer of the General Relief Fund on the first of April and the first of July in each year, according to the agreement entered into on November 11, 1906, by the Bishop of the Diocese, the Trustees of the Christmas Fund, and the Trustees of the General Clergy Fund.

present Sections 5 and 6 to be numbered 6 and 7.

that Section 5 (6) be amended by inserting after the first line "belonging to the Fund," the words "or investment," so that the section shall read: "All moneys belonging to the Fund held for investment shall be paid by the Trustees," etc., etc., as in the present Canon.

motion, the Resolution contained in the Report was adopted.

Rev. Dr. Egar from the same Committee presented the following

REPORT.

Committee on Constitution and Canons, to which was referred, in the Convention of 1908, so much of the Bishop's report as related to defunct Parishes, and which reported to the Convention of 1909, and was continued to the Convention of 1910 (Journal of 1909, page 31) do now report:

It was found on examination that the Religious Corporations Law (Chapter 51 of the Consolidated Laws of New York) while it authorized (Article 2, Sec. 16) the governing body of a Church or denomination in the State to declare, on certain conditions, a parish or church of

*Journal.*

its communion to be defunct, and to take charge of its property and affairs, did not furnish any means by which the Convention of this Church, being its incorporated governing body, could deal with defunct parishes of this communion cause the conditions are different. An amendment of the Law, therefore, was necessary before the Convention could take any action. Such an amendment was drawn up by Hon. Charles Andrews, a member of this Committee, and submitted to the Bishop of the Diocese, who secured the cooperation of the other Bishops and the Standing Committee of the Dioceses within the State, and entrusted it to Sen. Davenport, by whose influence it passed the Legislature. It has been approved by the Governor, and is now Chapter 18 of the Laws of 1910.

There are now in this Diocese about 20 parishes which in the legal meaning, defunct or extinct, and which are therefore remitted by this amendment to the care of this Convention, as the governing body of the Diocese, duly incorporated. And yet, in each of these defunct parishes, there is a congregation, and services are kept up. To secure them a proper status as congregations, as well as to provide due care of their property, which is of considerable value, it seems necessary to have a Canon making general regulations under which any particular case, not only of those now needing but of others which may arise in course of time, may be properly dealt with, and may receive the benefit of the Law amended.

The parishes now under consideration date back to a time when there was no such missionary system as now exists, when the formation of a parish seemed to be the only way to secure the services of a clergyman. They were therefore incorporated when they ought not to have been, and the present condition is the result. Similar results may be expected to follow in other cases where a premature parochial organization is permitted. And yet missions which have prospered should have some sort of canonical status and organization, and some means of self-government in financial and other matters, that they may learn how to manage their own affairs as Organized Missions, and become competent, by the experience thus gained, in due time to be formed into parishes.

Your Committee have prepared, as a part of the General Revision, a Canon dealing with this subject, which will be presented before the Convention in connection with that Revision, and therefore do not ask for any action at this time.

On motion, the Report of the Committee was received.  
The Rev. J. J. Burd offered the following resolution which was adopted:

REPORT.

Special Committee appointed at the last Diocesan Convention to consider the matter of nominations and balloting, beg leave to report as follows:

1st.—We recommend that all nominations be made on the first day of the Convention, at an hour to be determined by the Convention, but not later than eight o'clock in the morning, so that full opportunity may be given to the Secretary to print notices containing the names of the persons nominated and the title of the positions for which they are nominated, respectively, together with the names of the then present incumbents of such positions respectively, and to post the same in convenient places where the Convention is being held, for example, at the church door and at the Secretary's desk, and in other places as may be useful. Such notices to be printed in type that may be easily read, and to be posted on the following morning as near the time of the opening of the second day as possible.

2nd.—That the voting take place at a convenient hour on the second day before the noon recess; that the voting be held in such part of the place where the Convention is being held and so conducted, that the Convention may proceed with its usual work without material or unnecessary interruption while the voting is taking place.

3rd.—That before a vote is taken the presiding officer of the Convention shall name at least two persons (one of whom may be the secretary or his assistant) to be tellers, whose duty shall be to perform the usual duties incidental to tellings at elections, to have charge of the ballot box and of the counting of the ballots, to check off the names of the voters on the list, to be furnished by the secretary, of those entitled to vote, to canvass the vote as soon as the House orders the polls, and on completion of the canvass to report forthwith in writing to the presiding officer of the Convention the total number of votes cast for each position, the name of each person for whom votes have been cast and the number of votes

he has received, together with a statement of the names of the several persons elected and the title of the position which he has been chosen respectively.

The presiding officer shall then declare the result of the election.

Fourth.—We further recommend that the Convention adopt the following resolution amending the Canons and Rules of Order, namely:

Resolved, That Canon XVI be amended by striking out Section 2 thereof and substituting therefor the following:

Section 2. Nominations for members of the Standing Committee and for Deputies and Provisional Deputies to the General Convention, and for Delegates to the Missionary Council of the Department of New York and New Jersey shall be made on the first day of the Convention and it shall be the duty of the Secretary of the Convention to print notices containing the names of the persons nominated and the title of the positions for which they are nominated respectively, together with the names of the then present occupants of such positions respectively and, at the opening of the business session of the second day, to post the same for general inspection at convenient places where the Convention is being held; and also to prepare, for the use of the Convention on the Second day, ballots containing the title of the several offices to be filled with notes thereon indicating the whole number to be chosen for each office respectively, in other respects such ballots to be in blank. No printed ballots containing nominations shall be allowed. No ballots shall be counted on which more names for any position are voted than there are vacancies therein to be filled.

Be it further resolved that No. 16 of the Rules of Order for the first day be amended so that such Rule shall hereafter be numbered and known as No. 17.

Be it further resolved that a new rule of order to be known as No. 16 of the Rules of Order for the first day be adopted, to read as follows, viz:

*Journal.*

Reports from Special Committees. The annual convention shall be held at eleven o'clock in the forenoon on the second day, and continue at the order of the House until completed.

a.—We further report that we do not consider it advisable to recommend a repeal of the second sentence of Section Canon XVI, which reads as follows. "Election by ballot shall be dispensed with by an unanimous vote of the Convention."

# The Bishop's Address

To the Forty-Second Annual Convention.

---

*Brethren of the Clergy and of the Laity:*

be unto you and peace from God our Father and  
the Lord Jesus Christ!

Our last Convention we have lost by death the Rt.  
Rev. Hobart Hare, D. D., Bishop of South Dakota,  
and of our own Clergymen, the Rev. John Brainard,  
of St. Peter's Church, Auburn, and the Rev. J.  
Johnson, who ministered for many years at Calvary  
Syracuse. Dr. Brainard's record was remarkable  
and worthy of special mention. Forty-six years Rec-  
tor of the same parish, of an unusually genial disposition,  
liberal, prominent in the administration of the  
Diocese from the time that it was organized, he became so  
associated with Central New York that it will be  
long ere people cease to think of him in connection with  
this name will be found in a large part of its history.  
He also gave a long service in the Diocese, both as  
priest and as a teacher in St. Andrew's Divinity  
School for which latter work he was particularly well-fitted  
by his learning and scholarship.

A list of deaths among the lay people of the Diocese  
is as long as it was last year. And prominent among  
them that of Mrs. Huntington, wife of the first Bishop of  
Central New York. Surviving him for nearly six years,  
Mrs. Huntington attained even a greater age than her dis-  
tinguished husband, and her declining years were marked  
by cheerfulness which was a beautiful example to us

Others whose names have come to us are Mrs. Wm.  
H. Guilford; Mrs. Frances M. Stewart, of St.  
Peter's Church, Utica; Mrs. Chas. Stebbins, of Caze-  
ville; Mrs. Anna P. Stevens, of Moravia, mother of the

Rector of the parish there; Mrs. Jas. H. Kidder, wife of the Rector *emeritus* of St. Paul's, Owego; Wm. Thos. Lean, of Waterloo; Mrs. Helen L. Flansburg, of Lafayetteville; Miss Mary Elizabeth Clift, of Marcellus; R. M. St. John, of Romulus; George W. Berrill, of Waterville; Francis Clarke, of Oxford; and Mrs. A. L. White, of Redwings. Let us thank God for the good examples of all these servants, and pray that we, with them, may be partakers of his everlasting Kingdom.

My official acts during the past year have been as follows: Baptized five infants; confirmed 1,095 persons, and received from the Roman Catholic Church 10, making a total of 1,105; gave the benediction at one marriage, and officiated at five funerals. I have consented to the consecration of the Rev. Benjamin Brewster as Missionary Bishop of Western Colorado, the Rev. John Gardner Murrah as Bishop Coadjutor of Maryland, and the Rev. Arthur S. Lloyd as Bishop Coadjutor of Virginia. I ordered to the Diaconate Mr. David Henry Weeks, and advanced to the Priesthood the Rev. Messrs. Albert Brodhurst, Lucia Davison and David Henry Weeks. For necessary reasons our usual Trinity Sunday Ordinations were postponed this year, and I expect, God willing, to ordain three Deacons next week. We have had no new Churches consecrated. I officiated on Whitsunday at the re-opening and benediction of the interior of Christ Church, Binghamton, which has just been very beautifully refitted at considerable expense; and I must also mention what, through a much regretted oversight, I omitted from my last year's address: that two new Churches were consecrated during that year, viz: Emmanuel Church and Grace Church in the city of Elmira. And now still another Church is in process of erection in one of the suburbs of that same city, Elmira Heights, estimated to cost about \$12,000 altogether, the corner-stone of which we expect to lay in June. A Free Hall adjoining the Church of the Good Shepherd, Oriskany Falls, is nearing completion; and ground will probably be broken this summer for the proposed new Church at Phoenix. I also took part in the opening and benediction of Wallcourt Hall, a new building for Miss Goldsmith's School at Aurora.

Letters dimissory have been given during the year to

last annual report of the Archdeacon he alluded to  
nation of a Parochial Missions Society among our  
Clergy for the purpose of conducting such mis-  
any congregation to which they might be invited,  
by the Bishop. Four or five such missions have  
d during the past year, which at the time seemed  
ccessful, and from which it is hoped good results  
ow. It may be that this society will be a useful  
for the extension of the Church into those places,  
we have a few communicants, but no organized regu-  
k.

Missionary Council of the Department of New  
nd New Jersey was held in Utica in October in  
d was a most successful occasion. The attendance  
e meetings was large, both of delegates and of vis-  
e addresses were instructive and interesting, espe-  
the evening banquet, when the enthusiasm reached  
ax. Indeed, we have had nothing within my ex-  
in the Diocese that aroused so much interest in  
se of missions and gave so intelligent an under-  
g of what is now going on in the extension of the  
of Christ throughout the world. I am sure that  
ne who had the privilege of attending the Council  
ay with a new and stronger impulse to labor more  
y, to give more generously and to hope more  
lly. And, moreover, we have already seen some  
ood results of that meeting in the increased offerings  
ve come in during the winter and spring. Several

of our parishes have met their apportionments for the time in their history, and we have good reason to be that the Diocese will not again fall so far behind as it done heretofore.

The Committee appointed at the last Convention to consider and carry out, if possible, my suggestion of a men's Church Club in the Diocese, called a meeting in Syracuse before Lent with that end in view, which resulted in the organization of such a Club; and at a second meeting held after Easter in Utica the membership was considerably extended, and a commendable interest was manifested by the presence of representatives from every parish in that city, besides those who came from other parishes. Clubs of this description are already in existence and doing good work in some eighteen or twenty of our American dioceses, and there would seem to be no good reason why the men of Central New York should not show the same devotion to the cause of Christ and His Church. The idea of such a society for the promotion of Church and work has recently been signally emphasized and treated in other departments of human endeavor. The Secretary of the National Municipal League said the other day, at a meeting for the formation of such a league in Utica: "It is necessary, if we desire to secure good municipal government and to promote in other ways the interests of the city, *that men should get together* and love one another, and *become interested in the common weal* and not limit themselves to their own families and their own private affairs." And, again, about the same time another meeting was held to organize what is to be known as an "Association of Credit Men," one of the objects which was stated to be, "to establish *closer ties between business men*, as well as between them and their customers." You see, then, that statesmen and business men know how to accomplish the results which they have in view; and are we going to allow them to be "wiser" than the followers of Christ are in seeking the welfare of the Kingdom? If it is necessary for the good of a city that the citizens extend their vision beyond the confines of their own comfortable homes and their own personal occupations, so it is likewise essential to the successful v

*Bishop's Address.*

the Church of God that its members look beyond their home parishes, and *get together* for the promotion of the larger interests which the diocese and the general Synod represent. It is of the very essence of the principle which underlies the formation of the Church itself that in it we are bound together in One Body, become members of one another, each having need of the other. And it is only when we see when we think about it, the advantage of such union in the cultivation and propagation of a religion in the name of Jesus Christ, since it has a direct and reflex influence in the working of love. Love is the Alpha and the Omega of Christianity, and this principle, of members working for and with other members, acts directly upon us in bringing them to the knowledge and the blessings of the Gospel, while it reacts upon ourselves by shaking out of our natural tendency to selfishness, and exercises the spirit of love and good will to men. Now it is the production of such results as these—the spirit of fellowship among brethren of the same body—the enthusiasm for the cause of Christ which comes from communion with others who are enlisted in the same cause—the achieving of desired ends which comes easy when there are many hands to make light work—it is for such purposes that we hope the men of the Diocese generally will be moved of this matter and carry it on to assured success. We are numbering that by standing off and doing nothing men will remain simply neutral—they are really producing a discouraging effect, which always comes from those who look on and do not help. Another thing which I have in mind at present, and, indeed, I may say, on my conscience, is the securing of a Church House, or Hall, at Ithaca, for the benefit of the students of Cornell University who belong to our Church. There is an institution of this kind at the University of Michigan in Ann Arbor, founded by the late Bishop Harris, and now made a memorial to him; and the need of something similar at Ithaca is felt by many persons interested in our great University. We have been approached on the subject several times and are now taking some step toward such an end. There are many students there, of whom it is said 2,000 are from New York State, and some 500 or more of them belong to this Diocese. The Rector of St. John's Church, Ithaca, cannot

---

*, Bishop's Address.*

---

undertake to reach very many of these, and so far as the religious life is concerned there is no one else to look to them. I have consulted the Rector and a number of vestrymen, and have been assured that they would be glad to have such an institution there, and no doubt many of the Alumni all over the country would be forward to help in the matter. I might say that it would in no way conflict with the Y. M. C. A., which is established there, and would work along different lines. I commend it therefore to the Church in the Diocese of Central New York.

It will be necessary at this session to elect deputies to the triennial Convention of the Church in the United States which is to be held in October in Cincinnati. One of our clerical deputies to the last General Convention has moved to another diocese, and one lay deputy has died; but the whole ticket is, of course, open as usual to the choice of this Convention, to decide who shall represent the Diocese at this year. Two or three matters will come before the next meeting in Cincinnati which will probably call forth a good deal of discussion, and may possibly create some excitement. One of these is the Memorial presented by a large number of Clergymen to a special meeting of the House of Bishops in February, 1909, and referred by that body to the General Convention. It concerns the proposed repeal of an amendment to Canon 19, which caused such a stir two or three years ago. Another is that of the "Preamble" to the Constitution proposed in 1907 by the late Dr. Wm. Huntington, and awaiting ratification or rejection this year. Concerning the amended Canon I have already expressed my opinion, and need not repeat, except to say that I do not help feeling that the amendment in itself did not warrant the upheaval which followed its adoption, and that it be fairly interpreted and loyally administered there will be no fear of evil consequences to the Church from its continued operation. As to the Preamble, I am not at all certain that it would be wise to adopt it in its present form. No doubt it has some good points, and if it could be properly amended and made less ambiguous than it is, it might serve a very useful purpose; but we suffer so much already from lack of definiteness in statement, and we have so many keen witted theologians on both sides of the house

---

---

utilize such ambiguity to the upholding of their own positions, whatever the intention of the authors may have, that it is well to avoid it as much as possible. Both these questions have a certain bearing on the cause of Christian unity, and this is a critical time with regard to that important issue. That subject is now prominently before the minds of Christian people of every name, and it happens that we occupy a peculiar position with reference to it, seeing that we stand midway between the two extremes of our divided Christianity; so that it becomes upon us the careful how we make use of the strategic advantage of our position in the drawing together which seems to be approaching. It behooves us to be not arrogant, but humbled, ready to acknowledge our own shortcomings to all the circumstances, and in a large-minded way to recognize the good in others on both sides of us—and at the same time, to be true to principle, and not run the risk of alienating one side by compromising with that which is not sound on the other side. It is a vast and a difficult movement, and will doubtless involve much time and many mistakes in reaching its completion. We cannot say what the Spirit of God, who “maketh men to be of one mind in an house,” may accomplish; but we can hardly expect that such age-long divisions, such deep-rooted diversities of thought and of practice, such inveterate prejudices, could be done away with in a short time. The Laymen’s Forward Movement has aroused much enthusiasm for the forward progress of the Gospel, without reference to sectarian or party strife; and I think we do well to take advantage of that enthusiasm in arousing the people to greater missionary effort, but we must remember that organic Christian unity, which is the only sort of unity that can endure in this work-a-day world, can never be attained except through the calm and patient consideration of every phase of the very complicated and difficult question. Let us then continue to pray, even more earnestly than we have done before, that “all who profess and call themselves Christians,” among whom we ourselves are necessarily included, “may be led into the way of truth, and hold the truth in unity of spirit, in the bond of peace, and in righteousness of life;” and when the Church becomes one again, we trust in God’s good Providence it most certainly will, and shall the world believe that God hath sent us.

**A. Report of the Standing Committee.**

**FOR THE CONVENTIONAL YEAR 1909-1910.**

The Standing Committee respectfully reports that during the conventional year they have held five meetings, of which three were held in Syracuse and two in Utica.

At the first meeting held in Utica, June 2nd, 1909, seven members were present. The Committee was organized for the ensuing year by the election of the Rev. John R. Harding, D. D., as President, and the Rev. Edward H. Coley, as Secretary. A matter submitted by the Bishop for advice was considered and a conclusion decided on.

At the second meeting held in Syracuse, September 8th, 1909, seven members were present.

Unanimous consent was given to the consecration of the Rev. Arthur Selden Lloyd, D. D., to be Bishop-Coadjutor of the Diocese of Virginia; and the Rev. John Gardner Murray, to be Bishop-Coadjutor of the Diocese of Maryland.

Proper testimonials having been presented, the Rev. Lucien Adelbert Davison was recommended to the Bishop to be ordained Priest.

The Bishop and Trustees of the Parochial Fund having requested the advice of the Committee in regard to a provisional request, the subject was considered and the opinion given.

At the third meeting held in Utica, seven members were present. The Bishop attended.

The Rev. Dr. Duff offered the following minute on the death of the Rev. John Brainard, D. D. which was unanimously adopted:

---

*Report of the Standing Committee.*

---

"The Rev. John Brainard, D.D., who departed this life on Thanksgiving Day, November 25th, 1909, at the Rectory of St. Peter's Church, Auburn, was elected a member of the Standing Committee of this Diocese at its Primary Convention November 12, 1868, and he was thereafter elected annually to membership on the committee, and continued to attend its meetings with unfailing regularity until 1906, when he was incapacitated by the illness which, to our deep sorrow finally terminated in his death.

He became Secretary of the Committee in 1878, and succeeded to its Presidency in 1886, and this responsible position he continued to hold until, by his last illness, he was prevented from attending the meetings of the Committee.

For continuous service in the same positions in the Diocese the record of Dr. Brainard was unique. For 46 years the Rector of the same parish, the historic St. Peter's of Auburn building it up by his indomitable zeal and unwearied labor from a parish of moderate strength into one which now ranks with the foremost in the Diocese. For 46 years the leader and guide of this one parish, for 38 years a member of the Standing Committee, always present at its meetings, illuminating its deliberations by his wise and sagacious counsel, by his shrewd common sense and his knowledge of affairs, and often times lightening its graver labors by that inextinguishable humor forever associated with his name.

And for 24 successive years a deputy from this Diocese to the General Convention. This completes the unique record for long continued service on the same posts of duty.

In regard to Church legislation, whether Diocesan or General, the conservatism of Dr. Brainard was well known—probably an inheritance from his New England ancestry. Change merely for the sake of change was abhorrent to him, while new methods of Church work and new measures for Church progress even though apparently timely and of real worth must undergo the severest scrutiny before passing muster with him.

We speak briefly of the parochial life of Dr. Brainard, inasmuch as that phase of his career does not properly come within the scope of this minute. It is well worth noting, however, that Dr. Brainard's extraordinary influence and great popularity, not only among his own people, but also in the whole community where he lived, were due not solely to his fine social traits and personal magnetism, but also largely to his system of parochial visiting singularly well-devised and undeviatingly carried out. Thus it was that he came to know his people thoroughly, and it is in this way largely that we are to account for his phenomenal confirmation classes.

*Report of the Standing Committee.*

many within his parish and outside of its boundaries recipients of Dr. Brainard's gracious benefactions will be known in this world. The distressed and needy in need of cure, the brothers and fellow-workers hard pressed and want in his own Diocese, and many a struggling mission in the Church's distant fields of labor, were and constantly remembered by him both in word and deed. And so the years passed on and he went in and out among us a familiar figure in the Diocese, and no gathering of the clergy and laity seemed complete without his genial presence and his friendly greeting; and then came the end.

Upper testimonials having been presented, Mr. Walter A. [Name] and Mr. Ray Wootton were recommended to the Bishop as admitted candidates for orders.

petitions received from St. Paul's Church, Waterloo, to sell property taken on mortgage foreclosure; and from Christ Church, Oswego, to mortgage the Rectory property for \$2,000, consent to both was unanimously given.

The Bishop presented a petition to the legislature to amend Religious Corporations Law relative to "extinct churches," which was adopted and signed by the Committee.

At the fourth meeting held in Syracuse, March 14th, 1910, the members were present.

Additional testimonials having been presented, it was recommended to the Bishop that the Rev. David Henry Weeks be ordained Priest; and Mr. Guy E. Moulton be admitted as a candidate as of December 15th, 1909. Consent was given to St. Paul's Church, Waterloo, to sell a farm taken on mortgage.

A letter from Mr. John M. Brainard, acknowledging the resolution of the Committee regarding the death of his father, the late John Brainard, D.D., was read, and also one from the Rector of the Diocese in regard to the Gardner estate.

A request having been made for advice in regard to the method of paying the expense of administration of the Parochial Fund, the opinion was given that "The expense of collecting the Parochial Fund be in the future made a charge upon the entire income received by the Trustees from that Fund at the same rate thereon."

The Secretary was instructed to send a letter to the family of the late Bishop expressing their sympathy on the death of the late Bishop. Huntington, which was as follows:

*Report of the Standing Committee.***"The Misses Huntington:****My Dear Friends:**

At a meeting of the Standing Committee of the Diocese of Central New York, held in Syracuse, on Monday, March 19, 1910, the Secretary was unanimously requested to convey to you and the other members of your family their sincere sympathy with you all in the loss of your dear mother. As a help-mate to the first Bishop of the Diocese during his long and distinguished episcopate, she had come very near to the hearts of its clergy and laity. They recognized in her character, sweet disposition and strong faith, one who was well fitted for the place she filled so well, and her passing was felt as a personal bereavement. Called to her rest after a useful and well-spent life, "in the comfort of a reasonable religious and holy hope," her friends, among whom the members of the Committee count themselves "rise up," with their children, "to call her blessed." "May light perpetual shine upon her."

The fifth meeting was held in Syracuse, May 24th, 1910. All the members were present, with the Bishop. Proper nominations having been presented, Messrs. W. Frank Allen, G. A. Perry, Jr. and Walter A. Render were recommended to the Bishop to be ordered Deacons; and Messrs. C. H. L. Ford, Hopper, G. St. J. Rathbun and J. A. Springsted were recommended to be admitted candidates. An application received from the authorities of Trinity Church, Syracuse, to lease property recently acquired for a sum not to exceed \$1,000 was unanimously granted. An estimate of the amount required for the expense of the Diocese during the current year, was submitted as follows and recommended to the Convention for adoption:

The officers of the District are: The Rev. Francis W. H. Dean; the Rev. Theodore Haydn, Secretary: Mr. Eli W. Rick, Treasurer; Rev. Walter C. Cook and Mr. W. H. M. Members of the Board of Managers. At this meeting a committee was also appointed to prepare a form for a semi-annual report of the missionaries to the District, which form should call for specific information upon the most important matters in connection with the parish. According to such a blank has been prepared, containing 34 questions grouped under the following general heads: Status of Parish; Mission; Organization; Financial Condition; Property; Extension of Field. The subsequent reports are derived from this source.

THE THIRD MISSIONARY DISTRICT.

The officers of the District are. The Rev. H. S. Long Dean; the Rev. Charles H. McKnight, Secretary; Mr. Will J. Russell, Treasurer; the Rev. N. S. Boardman and Mr. L. Knott, Members of the Board of Managers.

The mission stations and parishes in this district are: Broome County, Harpursville, Endicott, Whitney Point, Waverly and Chenango Forks; Chemung County, Big Flats, Elmira Heights, Horseheads; Emmanuel, Elmira; Millport, Van Etten; Wellsburg; Chenango County, Afton, Guilford, McDonough; Mt. Upton; Tioga County, Candor, Smithboro, Spencer.

Conditions in the District are favorable. The Convocation is being strengthened by changes at Owego and the Good Shepherd.

*Missions of the Diocese.*

herd, Binghamton. The missionary at Van Etten, Spencer and Candor, the Rev. John Henry Willson, has done a good work. He speaks encouragingly of the work at Candor. The new mission at Endicott has been placed under the charge of Rev. A. R. B. Hegeman of Trinity Church, Binghamton. Mr. Hegeman will be assisted by Mr. W. Frank Allen, who is to be ordained in June. In missionary endeavor during the year probably the most important work has been done at Elmira Heights, under the direction of the Rev. David H. Weeks. By energy and zeal the missionary has accomplished a splendid work in gathering a congregation and Sunday School and in collecting funds to enable the building of a church to cost \$12,000. Mr. Weeks is to be commended for the great work he has done. Affairs at Horseheads and Big Flats, under the same devoted leadership, are in excellent condition. These three stations have experienced a year of prosperity and blessings. The work at Emmanuel, Elmira, has made progress. The great work which confronts the congregation is the payment of the church indebtedness. They have taken a great step forward during the past few months.

The parish at Millport maintains its excellent standard under the Rev. N. S. Boardman.

At Waverly the work is satisfactory. The rector, the Rev. Charles T. Raynor, has done good work during the year.

A normal condition of affairs prevails at the other points over which the Board of Missions has control. The district has met with a distinct loss in the removal from Guilford of the Rev. William B. Rogers. Good results have come from his residence there. Missionary interests, Diocesan and General, have been carefully maintained by Mr. Rogers. A new pipe organ has been installed in this church. The financial report shows that the district has met its assessment in full.

#### FOURTH DISTRICT.

(Onondaga, Oswego and Cortland Counties and the Town of Madison County not included in the Second District.)

Herbert G. Coddington, D. D., Rev. James Malcolm, Rev. James Empringham, Rev. Richmond H. Gesner. The Secretary and Treasurer of this district are the elected members of the Board of Managers.

Mission Stations: Altmar, Canastota, Chittenango, Hamilton, Constantia, East Onondaga, East Syracuse, Jamestown.

*Missions of the Diocese.*

Lacona, Memphis, Mexico, Onondaga Reservation, St. John's, Oswego; Phoenix, Pulaski, Redfield, St. Philip's, Syracuse; Warners. Of these St. John's, Oswego, and the Church of the Good Shepherd, Onondaga Reservation, do not receive stipends from the district.

Meetings, three: First, June 23, 1909, St. Paul's Parish House, Syracuse, N. Y.; second, October 12, 13, 1909, St. John's, Marcellus, N. Y.; third, April 19, 20, 1910, Zion Church, Fulton, N. Y.

Altmar, St. John's: Missionary, Rev. B. E. Whipple. This has been a year of activity. Services have been held every Sunday, with Sunday School. All the interests of the mission have been cared for. There have been 4 baptisms, 6 marriages, 1 burial, 8 confirmations. The church has been thoroughly painted and some repairs have been made. The missionary assessment has been paid. At the age of 81, the missionary resigned his work on May 1st, and adds: "I lay down my work with the church in pretty good repair, out of debt, and \$85 in the treasury." The Rev. George D. Ashley has been appointed to the temporary charge of the churches at Altmar and Lacona.

Jamesville, St. Mark's: Missionary, Rev. William B. Rogers. During the year there have been held 46 Sunday services, one week day service and 10 celebrations of the Holy Communion. Twenty-two dollars has been given for Diocesan Missions, which exceeds the assessment. Offerings have been made for other missionary purposes.

Marcellus, St. John's: Missionary, Rev. E. B. Doolittle. This parish became self-supporting during the year. For the first five months the missionary received a stipend, but this was refunded. Regular services have been maintained. There has been a healthy increase in church attendance. Sixteen persons have been confirmed, 13 have been baptized, 10 burials. The apportionment and Diocesan Missions assessment have been paid. The church work is "in a very encouraging condition."

Syracuse, St. Philip's: Rev. H. G. Coddington, D. D., in charge. The mission continues to minister to a slowly increasing number of colored people in Syracuse. The assessments for General and Diocesan Missions have been paid in full. Improvements have been made in the interior of the building. On Easter Day one of the church societies presented the church with a pair of brass Eucharistic candlesticks and a brass flower vase as a memorial of a deceased communicant. The rector is assisted by Mr. Ray Wootton, a candidate for Holy Orders, who conducts most of the services.

Memphis, Emmanuel. Rev. B. T. Stafford in charge. Regular services have been maintained during the year. Two new chandeliers have been presented to the mission by Christ Church, Jordan, making it convenient to hold evening services.

*Missions of the Diocese.*

The people are very much in love with their work and do well. Four people have been confirmed this year.

Warners, St. Paul's: Rev. J. Malcom-Smith in charge. The past year has been one of unprecedented spiritual and temporal prosperity. There have been five persons baptized and nine confirmed. Never before in the history of the parish has so many made their communions. Last December the church was cleaned, repapered, recarpeted and a beautiful altar reredos put in place and blessed. A pair of beautiful Eucharistic candlesticks were presented by Mr. S. T. Jack and Mr. D. Dunning of Syracuse and a cross for the altar. The rectors and people of Grace Church, Elmira, gave the mission a large altar frontal and tapestry. Owing to the fact that the new Rochester, Syracuse & Eastern electric railway passes through Warners the missionary is now able to give more services at the church.

Cleveland, St. James: Missionary, Rev. Thomas Stafford. Work has been carried on regularly throughout the year. The Glass Factory, which had been shut down for some months, resumed work. The missionary entertains the hope that this will induce many absent members to return to membership. All obligations have been discharged. "We look forward to progressive and prosperous church work the coming year."

Onondaga Castle, the Good Shepherd: Missionary, Rev. W. S. Hayward. Regular Sunday and Friday services have been held throughout the year and daily services during Holy Week. The Holy Communion was celebrated every Sunday. Fourteen were baptized, making 125 baptisms since the missionary took charge. Seven have been confirmed. The missionary's eldest daughter has continued the Italian cut and embroidery work and embroidery under the direction and patronage of the Sybil Carter Memorial Association of New York.

Oswego, St. John's: This chapel is under the care of Rev. Hamilton D. B. MacNeil, Rector of the Church of the Evangelists, Oswego.

Trinity, Canastota: Missionary, Rev. J. C. Munson. Regular services have been held on Sunday and Holy days. Trinity Guild is still doing its work nobly. The Sunday School attendance is good. A young choir of twelve are in training for a surplice choir and at present gives good assistance at Sunday services. For the first time in years the Diocesan missions assessment has been paid in full. A new cement sidewalk has been laid around the church.

St. Paul's, Chittenango: Missionary, Rev. J. C. Munson. Regular services have been held on Sundays and Holy days. All members attend most regularly. All assessments are paid and the Sunday School, which had been discontinued for years, has been reorganized.

*Missions of the Diocese.*

Phoenix, St. John's: Rev. Walter E. Jones in charge. has been a most successful year. There have been a number of baptisms and confirmations. The building fund amounts to more than \$3,000. If the building plans are completed, the church will be built this summer. The congregations are good.

St. James', Pulaski; Grace, Mexico: Rev. E. G. B. Browne, rector.

The former missionary left at the end of June, 1909. Services have been maintained at both places on alternate Sundays, except during the month of July. On Palm Sunday and Easter services were held in both places. A Friday evening service and two services on Saints' Days and special services during Lent were held at Pulaski, as well as special Lenten week day services at Mexico.

The congregations have shown a gradual increase. Special attention might be made of the Sunday School at Pulaski.

Extensive repairs and restoration work have been accomplished at Grace Church, amounting to \$300; and at St. James' the debt has been reduced by \$225. The money for these purposes has been raised through the efforts of the faithful members of the Ladies' Guilds at both places.

The increased interest and enthusiasm on the part of the churches in both Missions is to be highly commended.

ROZELLE JAMES PHILLIPS, Secretary.

#### FIFTH DISTRICT.

(Cayuga, Seneca and Tompkins Counties.)

The officers of the District are: The Rev. William B. Clarke, Dean; the Rev. Chas. W. MacNish, Secretary, and Mr. N. Hollister, Treasurer. The Rev. Henry E. Hubbard and A. N. Hollister are elected members of the Board of Missions.

The Mission parishes and stations are. In Cayuga County: Cayuga, Moravia, King Ferry, Port Byron, Union Springs, Weedsport; in Seneca County, Hayts Corners, Interlaken, Kidaia, Kidders, Romulus, Willowdale and Willard; in Tompkins County, Dryden, Groton, McLean, Slaterville Springs, Specville, Trumansburg and Jacksonville.

Three meetings of Convocation have been held during year, viz., at Shehawkin Cottage on Cayuga Lake, June 2, 1909; St. Peter's Church, Auburn, Oct. 18th and 19th, 1909; and St. John's Church, Ithaca, April 25th and 26th, 1910.

*Missions of the Diocese.*

The number of parishes and mission stations in the diocese, depending, to a greater or less extent, for assistance in conducting divine services is nineteen, and are as follows, viz.:

Luke's Church, Cayuga is in charge of the Rev. Wm. H. [Name], who reports that during his visit to England, the first [Name] he had taken during his long pastorate, a few of the Sunday services were unavoidably omitted.

Trinity Church, Dryden, is under the care of Mr. W. A. [Name], who reports that services are held each alternate Sunday afternoon, with good attendance in fair weather. All bills paid.

Ambrose Mission, Groton, is also under the care of Mr. [Name], and the report he gives is of an encouraging nature. Services in fine condition.

Immaculate Conception Church, Hayts Corners, is under the charge of the Rev. Chas. W. MacNish, and is witnessing for the "Truth as it is" in the observance of the Christian year, in sermons and the regular Sunday evening services. No debts are allowed to accumulate.

St. John's Mission Church at Interlaken is also in charge of Rev. Chas. W. MacNish. The love for and interest in the services are undiminished. The need of a suitable building is felt to an extent that the offerings on last Sunday were made for that purpose and amounted to \$31.

All Saints' Church, Kidders, is open only during the summer when the visitors of that resort seem glad for the ministrations of the church.

St. Andrew's Church, Kendala, is under the charge of the Rev. Wm. Bours Clarke, and is served most of the time by a reader.

St. John Church, McLean, is in charge of the Rev. Albert Hurst.

St. Matthew's Church, Moravia, is in charge of the Rev. [Name] Stevens, who seems to have been greatly blessed in his work of love. He reports 33 baptisms and 13 confirmations. The parish has not only paid its assessment of \$85 for Diocesan purposes, \$10.56 for Diocesan Expense Fund and \$40 for Parochial Missions, but is forging ahead with its internal affairs, especially in the work of the Church Hospital, but in its good fortune in having had given to it a suitable property to be used as a rectory, the donor being the Hon. S. Edwin Day, it being a bequest to the late Mrs. Day. Mr. Stevens reports other results for use in the church and chancel, but best of all the good results that have followed as most apparent fruits of the Parochial Mission that was held in the church last fall.

*Missions of the Diocese.*

---

Calvary Church, King Ferry, is in charge of the Rev. Erick Welham, the rector of St. Paul's Church, Aurora.

St. Paul's Church, Port Byron, was placed in charge of the Rev. N. T. Houser, rector of St. Peter's Church, Auburn, something over six months ago, and from the reports received from Mr. Houser the indications point unmistakably to a gratifying fact that the church at Port Byron has taken a new lease of life.

St. Stephen's Church, Romulus, is in charge of the Rev. and under him Mr. Lewis E. Ward, a Postulant, has been laboring during the past year. Reports are made of repairs and improvements on the church. The gift of a Litany desk was received from St. John's Church, Auburn. A Parochial Mission was conducted during the Advent Season by the Rev. M. Jones of Syracuse and Wadsworth of Fulton, resulting in good, as is plainly evidenced.

Slaterville Springs and Speedsville, both being remote from Groton, are specially hard to reach during winter and spring, when roads are bad, reports Mr. Render, the Reader in charge, and consequently the holding of several services have been prevented.

The Church of the Epiphany, Trumansburg, has been in charge of the Rev. O. E. Newton since December 1st, 1909. He reports that he is holding both morning and evening services every Sunday, with a goodly attendance, especially in the morning. During the Lenten season one regular service and also one service for instruction on Church Doctrine and Truth, which were well attended and much appreciated, were held each week.

At the Jacksonville Mission divine services are held every Sunday afternoon, with a fair attendance. This is followed by Sunday School, which is well attended and interesting.

Grace Church, Union Springs, as for many years, is in the charge of the Rev. Wm. H. Casey, who reports regular Sunday day services, with weekly administration of the Holy Communion. Mr. Casey not only preaches his regular sermon at the church, but is contributing, through the local press, he chooses to term "Sermons Out of Church," by which means he hopes to accomplish no small amount of good.

St. John's Church, Weedsport, is under the charge of the rector of Christ Church, Jordan, the Rev. B. T. Stafford. Stafford reports new and awakened interest on the part of some, both within and outside the church, and, on the whole, the outlook seems encouraging.

Christ Church, Willard, is still in charge of its former rector, the Rev. Chas. W. MacNish. One of the most trying fe-

*Missions of the Diocese.*

the parish is the fact that the people connected therewith have no employees of the Willard State Hospital, and the length of their stay among us is always uncertain. It really seems like entering to a procession. Yet the work of the church goes on the even trend of its way, and the services are held with regularity.

On the thirty-second anniversary of the founding of the diocese was celebrated this year by the holding of an interesting constructive Parochial Mission, conducted by the Rev. Wm. Clarke, Dean of the Convocation District, and the Rev. J. H. Way, rector of Grace Church, Cortland.

In the interests of missions in general a men's banquet was held just before Lent, which, it is believed, will result in good in this direction.

The assessment for Diocesan Missions was \$36 and \$38.97 have been contributed.

Grace Church, Willowdale, and Jerusalem Mission, Fayetteville, always full of good works for the Master, are cared for by a devout and zealous church woman, and are ministered to regularly from Geneva, both clerical and lay. For some unfortunate reason, no report has been received.

The assessment for Diocesan Missions was \$20 and \$19.75 have been paid.

During the year the Dean has visited and officiated in St. John's, Romulus; St. Luke's, Cayuga; Jerusalem Mission Church, Willard.

The Convocations in most cases have presented very reports this year, which are valuable and suggestive, but w it hardly seemed necessary to print in full for the Conven But there seems to be no good reason why these important talls should not be preserved for presentation, if so desire the several Convocations, for their consideration and action

The Secretary would again respectfully urge the office the Convocations to see that the annual reports are return him in good season—at least two weeks before Conventi and that the reports of the Treasurers accompany those o Secretaries.

OF THE COMMITTEE ON THE REPORT OF THE  
BOARD OF MISSIONS OF THE DIOCESE OF  
CENTRAL NEW YORK.

Committee to whom the report of the Board of Man-  
as referred, having carefully examined that report,  
excellent report of the Archdeacon, desire to express  
great gratification for the marked evidence of improve-  
the contributions for this very important work and  
administrations of the work itself. It is especially to  
that this improvement is not limited to any one dis-  
parish in the diocese, but applies nearly to all. While  
district and several parishes have contributed amounts  
in excess of their assessments, a much larger num-  
usual have met the assessments in full and some  
en short by such small amounts that it is evident there  
a very earnest effort in every district and in most of  
shes and missions to comply with all requirements. It  
much to be hoped that those few members which do not  
n to have felt the thrill which animates the whole  
y soon be touched by that Spirit which will move them  
to the full measures of their privileges and responsibil-

reports show that the work of the year has been done  
incurring any debts. This is much to be thankful for,  
must not be forgotten that if this happy and prosperous  
is to continue there must be no diminution in the  
that were necessary to secure it. We sincerely hope  
all be none, that while there is a generous readiness on  
of them that are strong to support the weak, there  
be a commendable effort on the part of the weak to  
strong. We note with great pleasure that one parish  
the past year has become self-supporting, and hope  
ng year will see others added to the number of that  
ble company. There is no reproach and no disgrace  
to a condition of dependence so long as such con-  
involuntary and cannot be avoided, and in many in-  
it is inevitable and cannot be escaped, but it is not a  
be desired in itself or a condition in which one

e whole your Committee feel the Convention, and the  
diocese, is very much to be congratulated on the very  
efficient manner in which its missionary work is

(2) ARCHDEACON'S REPORT TO THE BOARD OF MANAGERS OF DIOCESAN MISSIONS.

In submitting this my fourth annual report, I would say that since the last Diocesan Convention I have visited the Missionary Parishes and stations, 23 of them two or three times, 1 five times, and one eight times. I have presented the cause of Diocesan Missions to 30 self-supporting parishes. I have held 175 public services, celebrated Holy Communion 57 times, and assisted 8 times in public services. I have baptized 4 infants, delivered 160 sermons and addresses, attended 14 meetings of Convocation, meetings of vestries and Committees on 46 occasions, and performed the duties assigned to me by the Bishop.

The Missionary work of the Diocese has been carried on during the year without any interruption, services have been regularly maintained in all the Missionary parish stations. New Missions have been organized at Depew, Endicott, and Elmira Heights; and the Missions at Groton, Port Byron, which had been closed for some time, have been revived with every prospect of permanency. At Constantine a new slate roof has been put on the Church building, a first service in many years held there. At Elmira Heights the Church building is in course of construction, to cost \$12,000. At Phoenix sufficient funds are in hand to warrant the erection of a Church, and it is expected that work will be begun in the near future. At Onondaga Valley steps are being taken to erect a Church Building, and thus put the mission on a secure basis. At Oriskany Falls a new parish is in process of erection, the money being in hand to pay for it when completed. New pipe organs have recently been purchased in the Churches at Boonville and Guilford. Extensive repairs have been made to the Church property at Warners, Moravia, through the generosity of the Senior Warden, and the property has been purchased and paid for. During the year the parish at Marcellus, having secured a large bequest, has relinquished its Missionary stipend, and become self-supporting.

The Society of Mission Priests has held parochial meetings at Whitney Point, Romulus, and Willard arousing much enthusiasm, and apparently strengthening the work in

*Report of the Archdeacon.*

They have also held a Mission at Marathon, at which there appears to be a promising outlook for the establishment of a permanent work.

There are 112 Missionary parishes and stations in the Diocese, all of which services have been maintained during the year. At the present there are no vacancies in the Mission field. Of the 112 Missionary parishes and stations 6 have been carried by rectors of self-supporting parishes, without cost to the Diocese; 4 are summer Chapels, in which services have also been carried without aid; 6 have been taken charge of by rectors of self-supporting parishes—receiving a stipend for their work; 1 is a Chenango Co. Missionary—1 has been supported by the Board of A. of the Diocese; 10 have been served by Lay Readers preparing for Holy Orders—the Holy Communion celebrated by the Archdeacon in each of these Missions as frequently as possible; 82 have been cared for by 37 Missionaries who are receiving stipends from the Board of from \$500 a year; 4 of these Missionaries have charge of one station each, 21 of two stations each, and 12 of three stations each. In addition to the above, mention should be made of the faithful and efficient labors of our Deaf Mute Missionary, of which will be given by the Commission having that in charge.

From the figures thus given it will be seen that nearly all Missionaries have charge of two or three places each, some several miles apart and requiring considerable travel in order to minister to them regularly, and it not infrequently happens that the Station where the Missionary receives a much larger share of services, visitations, and ministrations, then the place where he does not live; it should be borne in mind that in every instance the Missionary stipend is given for the whole work assigned to the Missionary, whether he has under his care two, three, or more places and that each place is entitled to a just proportion of the Missionaries time and services, for the success in the smaller as in the larger ones depends in a great measure upon the personal ministrations of the Missionary outside the Diocese in the homes of the People, as well as inside.

Of the 98 parishes and Missionary stations, receiving aid at the present time from the Board, there would seem to be no prospect for at least 80 of that number to become self-supporting in years to come, if they ever do, on the other hand, there seem to be no apparent reason why the Missionary should not be gradually withdrawn from the other 18 and let them become self-supporting. Every parish and Mission Station should be taught that the Missionary stipend granted from the Board, to be continued so long as there is the need of it to enable them to meet their financial needs after they have exerted every effort to do all they can for themselves, and that it should be relinquished as soon as possible. They should be taught that no self-respecting

*S. S. Advent Offering.*

parish or Mission station will accept aid from the Board any longer than it is actually necessary, and that while receiving it they are retarding the growth of the Church by taking money which ought to be used elsewhere for the extension of the Kingdom of our Lord.

The sum of \$11,078.13 having been contributed by the parishes and Missions, \$129.18 from the Sunday School Advent Offering, \$1,000 from the Permanent Missionary Fund and \$90.59 from the other sources making a total of \$12,297.90. To keep the work up to its present efficiency the sum of \$12,762 will be needed for the coming year, \$11,632 of which should be assessed upon the various Convocations. We ought not to rest satisfied with merely holding our own, but never before has the outlook been more promising for the missionary work of the Diocese than at present, it is for us to grasp the opportunity and reach out, "lengthening our stakes" as well as "strengthening our stakes." During the past year a wave of enlightenment and enthusiasm has swept over the country in the Laymen's Missionary movement; we trust that the outcome of that movement will be apparent in our offerings for the Foreign and Domestic Missionary work of the Church, and may we not hope that some of that enthusiasm will reach even to Diocesan Missions, and result in larger offerings, and personal gifts being placed at the disposal of the Board, thus enabling it to promote the development of our Missions in our own Diocese, while strengthening the existing ones.

WILLIAM COOKE, Archdeacon.

Our Committee reports that there has been a decrease from 30 parishes contributing; five parishes that did not contribute last year have done so this year. On the other hand, 21 contributed last year have not done so this year. There is a decrease of \$46.94 over last year.

Our Committee is persuaded that, in large measure, this is due to the fact that last year we had a special object as the object of the offering, St. Philip's Church, Syracuse, while this year the offering was for Diocesan Missions, a most uninteresting and unattractive term to children.

Some of the parishes which have not participated in this offering during the past years advise the Committee that they cannot make an offering on the third Sunday of each month for this reason. They should not, therefore, be censured for not contributing in the Advent Sunday School Offering. But it has been suggested to your Committee to suggest the possible abolishment of the Advent Offering and ask each Sunday School to make an offering on the third Sunday of each month for Diocesan Missions.

Sinceasmuch as this Diocese has much interesting missionary work, your Committee suggests the advisability of preparing a set of slides and the purchase of a lantern, to be loaned to the different Sunday Schools and parishes in the Diocese for the purpose of instruction of the people on the needs and the successful working of our missionary system.

It is gratifying to note increased offerings of over \$2,000 for Domestic, Foreign and General Missions, and objects of the Diocese; also increased offerings for Deaf Mute Missions and for the Ministerial Education Fund.

The Canon providing that the Diocesan Expense Fund assessment shall be paid in quarterly payments evidently has been a terror for the parish officers. More than one-half the amount assessed was still due on March 1st of this year.

*Christmas Fund—Report of the Trustees.*

one parish—listed as self-supporting—is in arrears to fund. I have to report 23 parishes or stations as in arrears for the past year to the amount of \$164.11, and 11 parishes or stations still owe the Diocese \$105.51 for arrears previously reported.

It would seem wise to have the Canon so changed that these arrears shall be referred to some official or committee for remittance, or be published in the Journal until such time as the Convention shall desire to remit them.

The claim of the Diocese against the Gardner estate, amounting to \$2,000, has proven worthless, as the sale of the property did not bring enough to reimburse the Christmas Fund, which was a prior claim. The interest on the note has been reduced to 4 per cent.

The larger deficit reported in the Diocesan Mission Fund emphasizes again the need of increasing our Permanent Missionary Fund.

Respectfully submitted,

FRANK L. LYMAN,  
Treasurer.

The Committee on the Accounts of the Treasurer of the Diocese met on this date at the office of the Treasurer, and, upon examination, report that they find the bank balance, as shown in the pass book of the Salt Springs National Bank, correct, and all vouchers accounted for or exhibited for all disbursements.

### (1) REPORT OF THE TRUSTEES.

Syracuse, May, 1910.

The Convention of the Diocese of Central New York:

The Trustees of the Christmas Fund, Diocese of Central New York, respectfully submit their report for the year ending April 30, 1910, as follows. The appended report of the Treasurer shows the financial details.

At the first meeting of the year, held on October 25th, 1909, the following officers were elected to serve for the term of one year: President, Trustee Wm. Watkins; Secretary and Treasurer, G. Howard Avery.

*Christmas Fund—Report of the Trustees.*

It was our good fortune at this meeting to hear that there was a possible chance of a sale being consummated on the property called Fuller property, situated at the corner of Union Avenue and Madison Street. This property we held title to subject to a mortgage of \$4,000. We have invested in this property also about \$6,000 of our own money, besides the interest of \$830, past due interest. There was also a strong probability that a pavement and sidewalk would be laid on the Madison Street frontage.

The Trustees decided, after an informal discussion, that there was a possible chance to dispose of this property, even at some sacrifice, as it was costing us between four and five hundred dollars a year over and above its earnings, it was better to be done.

Mr. Lyman was instructed to wait upon the Society of Concord and see if some tangible offer could not be secured, which would result in the final sale. We were obliged to buy the adjoining property to give the Society of Concord the desired amount of frontage. We give below the result of the transaction.

The Trustees desire to incorporate in their report the following:

**ANNUAL STATEMENT OF THE GENERAL CLERGY RELIEF FUND TO THE DIOCESE OF CENTRAL NEW YORK.**

The Diocese of Central New York has received from the General Clergy Relief Fund for its beneficiaries during the year \$3,650. Eighty out of the 157 churches in the Diocese contributed through offerings to the General Clergy Relief Fund \$1,475.77. Eighteen beneficiaries in the Diocese of Central New York are receiving pension and relief from the General Clergy Relief Fund.

The General Convention recommends that an offering be taken by every church in the United States once a year for the General Clergy Relief Fund.

The General Canons of the Church provide for the administration of the Fund. (Canon 53.)

The General Fund stands upon absolutely the same basis as the Board of Missions.

Pension and relief as granted by the General Clergy Relief Fund is unforfeitable, and is more liberal and inclusive than any other plan of the Church.

No limitation as to years in a Diocese or District or session of Convention or other qualification can forfeit the right to pension or cause a clergyman or his widow and orphans to be ineligible.

*Christmas Fund—Report of the Trustees.*

General Clergy Relief Fund makes an annual report of its receipts and expenditures, or offerings and appropriations, and of beneficiaries, to every Diocese and Missionary Jurisdiction in the Church.

Out of the 80 Dioceses these reports are made officially at the Conventions at the time of their meeting.

It may be of interest, in addition, to state that during the past ten years over a million dollars have been gathered to the General Clergy Relief Fund; sixty-five Dioceses and Missionary Jurisdictions merged or consolidated with the General Clergy Relief Fund; the amount paid in pensions increased from ten thousand per year to over one hundred thousand; the annuitant increased from 150 persons to 550: \$100,000 in cash and contributions raised for the Fund for Automatic Pensions at 64. (For the endowment of this the Five Million Commission is working.) The Permanent Funds increased from about ninety thousand to about four hundred thousand; the old and cumbersome plan of reports of contributions and appropriations to the officials of each Diocese established; the office and book-keeping systematized, and best of all, the confidence of the Church secured and criticism turned to helpfulness, while gratitude and security possess the hearts of a small army of beneficiaries.

During the last year receipts have increased from a third to over the previous year; expenses have therefore been in proportion, even though over five hundred thousand of circular matter were ordered by the Clergy throughout the Church for distribution in the churches in securing the Christmas, Christmas and Quinquagesima offerings.

The increased cost of living has brought the Trustees a multitude of requests for increased pension and relief. To the extent of their ability the Trustees have acceded to these requests.

If the churches would more unanimously support the Fund, and if only a fifth of them doing so, much more could be accomplished. More is demanded of the Fund than of any other institution of the Church, and yet there is no institution from which money is so constantly diverted by similar or local institutions or auxiliaries from present and imperative needs on the part of the bishops, clergy and widows and orphans. With the beneficiaries and the Trustees it is a case of "Give us this day our daily bread."

Finally note that the notice in the Journal requested by the Trustees should bear the new name and title, GENERAL CLERGY RELIEF FUND, rather than "The Trustees of the Fund for the Relief of Widows and Orphans of Deceased Clergy-men and of Aged, Infirm and Disabled Clergymen of the Prot-

## F. Parochial Fund.

Convention of the Diocese of Central New York:

The Trustees of the Parochial Fund make their report for the year from May 1, 1909, to May 1, 1910, as follows:

We desire to call attention to the fact that by sales of vacant property during the last year the amount of vacant property has been reduced from \$11,387.90, as per our last report to \$6,030.21. As most of this property are remnants, there, a loss is anticipated from this source. The reduction in the amount of real estate on hand will largely reduce the taxes and assessments.

We desire also that all persons interested in these funds will feel perfectly at liberty to write to the Treasurer for information regarding to the funds in which he is interested.

One hundred and eighty dollars was loaned April 4, 1910, to Chas. T. Raynor on his bond and mortgage.

The Ackerman Avenue lot was sold for \$300 cash. Mr. John Land was paid \$15 commissions, which were paid out of \$300, and \$285 was deposited to the Douglass Fund account.

The Lancaster Avenue lot was sold to Wm. G. Rubenstein for \$412.50. Fifty dollars of this amount was paid in cash and purchase price bond and mortgage was taken, in which the fund has an interest of \$362.50.

The amounts of \$35 due Fiske Fund and \$53.47 due Perma-Missionary Fund (see last report) were paid.

A mortgage given by Hamilton Child to Samuel S. Ruston, covering some lots in Grandview Park Tract, Jefferson County, and assigned by Samuel S. Ruston to the Trustees of the Parochial Fund for part payment of the judgment of deficiency the fund had against him, was sold to Geo. Baxter for \$50. This was about all that the mortgage was worth, for the owner, Hamilton Child, has gone through bankruptcy. There were several unpaid taxes against the property; the interest on the mortgage has not been paid for several years, and the property was not worth, at most, more than \$50 above amount of unpaid taxes and cost of foreclosure.

In the future this fund should be able to pay an income, but it has been unable to do in the past because its entire principal consisted of vacant real estate.

One hundred dollars was paid on the Guenther bond and mortgage, \$50 having been paid January 3, 1910, and \$50 January 3, 1910. The amount of \$35 due from the Douglass Fund (see report) was paid February 21, 1910. The amount of \$20 from the St. Paul's Church, Constableville, Fund was received \$25, \$10 having been paid July 26, 1909, and \$15 February 1910. This leaves a balance still due from St. Paul's Church, Constableville, Fund of \$175.

October 22, 1909, \$10.96 was loaned to Babcock Fund to pay taxes. This loan was paid February 3, 1910.

*Parochial Fund—Report of the Trustees.*

May 26, 1910, this fund bought through the First National Bank of Syracuse, N. Y., one-half interest (other half owned by Permanent Missionary Fund) in one \$1,000 Rock Island & Pacific Railroad Co. first and refund mortgage 4% bond (No. 54989, due April, 1934, interest April 1 and October 1 of each year) for \$465.67; being for bond at 91%, \$8.17 for accrued interest to May 26, 1910, and 63 cents for the bank's commissions. Total cost of bond was \$913.75. Bank's commissions, accrued interest, \$16.33; total, \$931.33.

Lot 28 and 29 (Fiske Fund), 15 and 17 (Pierpont Fund), and lot 32 (Permanent Missionary Fund), Kelly Tract, sold to T. L. Delaney for \$650 cash. The expenses of sale, including commission and cancellation taxes, \$5.98, and commissions, amounting to \$30.98, leaving a balance of \$619.02 to be divided among funds interested. This was divided as follows, Permanent Missionary Fund retaining \$199.46, and paying to Permanent Missionary Fund \$146.65 and to Pierpont Fund \$272.91. This proportion to the interest these funds had in the property shown in 1909 report. The purchaser assumed a heavy tax against this property and also the balance due on the property tax. There was a loss to this fund of \$323.96 from the sale, which caused an impairment of this amount to the fund.

A sum of one hundred dollars was loaned April 12, 1910, to C. A. Delaney on his bond and mortgage.

A sum of one hundred and twenty dollars has been paid during past year on account of the interest due on the Carroll mortgage, and as the Carrolls have agreed to pay up the back interest, as the Carrolls have agreed to pay up the back interest to keep the interest paid in the future.

The sum is paid to Bishop of Diocese.

*Parochial Fund—Report of the Trustees.*

The Lancaster Ave. lot (listed at \$348.04 in last report) was sold to Wm. G. Rubenstein for \$412.50. Fifty dollars of this amount was paid in cash and a purchase price bond and mortgage was taken, in which this fund has an interest of \$362.50. There was a gain to this fund from this sale of \$64.46, not taking into consideration the expenses of the same, amounting to \$7.54. This makes a net gain to the fund of \$46.92, which has been added to the principal of the fund.

According to the land contract made with W. & M. Huff for the sale of 134 Hoeffler Street for \$1,250, on which they were to pay \$12 a month and the interest to be deducted from the payments, we are to pay all taxes against the property until the balance is paid on the principal, and a bond and mortgage given for the balance. During past year Mr. Huff has paid \$126, of which amount \$68.92 was principal and \$57.08 was interest. The principal due is computed to April 2, 1910, the date of his payment.

Income is paid to Rev. W. H. Casey, Union Springs, N. Y.

\$ 4

April 12, 1910, \$50 was loaned to C. A. Hills on his bond  
mortgage.

The West Newell Street property, owned by the Johnson  
Permanent Missionary Funds, was sold in March, 1910,  
William G. Rubenstein for \$1,550, and paid for by Rubenstein  
mortgage of \$1,450 and \$100 in cash.

The following local assessments were liens upon the property  
to be paid by the grantor, viz: Sewer tax, \$120.41; pavement  
tax, \$517.50; total, \$637.91. And it was agreed with the pur-  
chaser that he was to pay the annual assessments as they  
came due and that such payments were to be credited against the

*Parochial Fund—Report of the Trustees.*

in the mortgage and that any rebate on the assessments be shared by grantor and grantee.

sequently (March 9, 1910,) a rebate was allowed by the \$173.56 on the pavement tax and one-half of that viz., \$86.78, has been credited as payment on the mortgaging principal due May 1, 1910, \$1,363.22, \$1,096.82 belongs to Johnson Fund and \$266.40 to Permanent Missionary Fund. This is proportioned according to the interest these funds had in the property (viz., according to last Johnson Fund \$1,082.65 and Permanent Missionary \$62.96). The expenses of sale were: Recording mortgage, \$45; mortgage tax, \$7; commissions, \$25; search, \$9.36; satisfaction of taxes, 50c, making a total of \$43.81, balance of the cash payment of \$100, viz., \$56.19, was paid in the same way as the mortgage—Johnson Fund \$45.21 and paying Permanent Missionary Fund \$11.98. This makes a net gain (except as taxes to be credited mortgage) to Johnson Fund of \$59.38 and to Permanent Missionary Fund of \$14.42. The DeWitt and Clay lots were sold with this W. Newell Street property in the last report and were included in the figures of the last report, as above. These lots are worth about \$134.56, in which interest of the Johnson Fund is \$108.26 and the Permanent Missionary Fund \$26.30. This will make a total gain, if the amount for the Clay and East Syracuse lots is added to the Johnson Fund of \$167.64 and to the Permanent Missionary Fund of \$40.72 from this transaction.

A gain of \$167.64 has been deducted from the impairment of principal, which, according to last report, was \$487.99. Amount, plus the payment of \$22.99 made July 24, 1909, of impairment, reduces the impairment to the principal \$191.00, to \$297.36.

Amount paid for support of clergymen of Calvary Church, N. Y.

The Dunster (Bates) bond and mortgage of \$1,000 was paid on January 4, 1910. The Gilson bond and mortgage of \$1,000 was paid in full October 5, 1909. The \$300 bond and mortgage of A. M. Robertson was paid in full February 7, 1910.

One hundred dollars was paid on the V. Lamanno bond and mortgage, \$50 having been paid June 30, 1909 and \$50 December 27, 1909. One hundred dollars was paid on the Villave bond and mortgage, \$50 having been paid July 2, 1909, and \$50 January 3, 1910.

One hundred and twenty dollars was paid on the Herriman bond and mortgage, \$300 having been paid June 15, 1909, for the release of Lot 16, Block 122, from the mortgage; \$300 June 25, 1909, for the release of Lot 13, Block 122, and \$600 October 15, 1909, for the release of Lots 11 and 12, Block 122.

C. Muller paid \$300 September 21, 1909, for the release of Lot 8 from his contract. Two hundred seventy dollars and fifty-six cents of this amount was paid to the Wheeler Fund, and the balance, \$29.74, was paid to this fund. Mr. Muller also paid \$300 January 11, 1910, for the release of Lot 7 from his contract. The contract still covers Lots 9, 10, 11 and 13, Block 122, Tract (see 1909 report).

One thousand dollars was loaned to C. A. Hills on his bond and mortgage, \$1,000 having been advanced January 7, 1910, and \$1,000 January 22, 1910.

On February 17, 1910, this fund bought, through the First National Bank of Syracuse, N. Y., two \$1,000 Illinois Central Railroad Co. Cairo bridge bonds (Nos. 1716 and 1717, due December 1, 1950, and bearing interest at the rate of 4%, payable January 1 and December 1 of each year) for \$2,019.39, \$2,000 for the bonds themselves at par, \$16.89 accrued interest to January 17, 1910, and \$2.50 for the bank's commissions.

On February 26, 1910, this fund bought, through the First National Bank of Syracuse, N. Y., one-half interest (other half

interest owned by Fiske Fund) in one \$1,000 Chicago Island & Pacific Railroad Co. first and refunding mortgage bond (No. 54989, due April, 1934, interest payable April 1 of each year) for \$465.66, \$456.88 being for principal at 91%, \$8.16 for accrued interest to February 26, 1910, 62 cents for the bank's commissions. There was paid in the bond \$931.33, as follows: Bond, \$913.75; commission, \$1.25; accrued interest, \$16.33.

The amounts due from following funds as stated in 1909 report as follows, viz: To principal, St. Joseph's Church, Rome, Fund, \$45.19, and Wheeler Fund \$75, and to Douglass Fund, \$75, and Douglass Fund, \$53.47, have been paid.

September 18, 1909, \$144 was advanced to Rev. Daniel for services at Wheeler Chapel, Mannsville, N. Y., for Wheeler Fund, which amount the Wheeler Fund paid back to the October 22, 1909.

Sixty-one dollars forty-three cents was loaned March 2 to the Constable Fund to pay taxes and expenses of sale of Newell Street lot owned by that fund. Of this amount \$26.30 was paid back March 7, 1910, leaving a balance still due Constable Fund of \$35.68.

Part of Lot 32, Rowland Street, was sold, from the sale of which this fund received \$146.65 after all expenses of sale had been paid, which was loss to this fund of \$238.18 (see Johnson Fund for statement).

The West Newell Street property was sold, from the sale of which this fund received \$10.98 cash and an interest purchase price bond and mortgage of Wm. G. Ruben, amounting May 1, 1910, to \$266.40. The DeWitt and Johnson lots were also listed with the W. Newell Street property report. The estimated interest of this fund in these lots was \$26.30, which makes a total gain of \$40.72 to this fund from this transaction (see Johnson Fund for statement).

The loss of \$238.18 from the sale of the Rowland Street property minus the gain of \$40.72 from the sale of the W. Newell Street property, made a net loss to this fund of \$197.46, which was an impairment to the principal of this amount.

An unpaid local tax was discovered against property owned by the Trustees as 325 Hoeffler Street, which tax had been assessed when the Trustees owned this property. This tax was paid by the Permanent Missionary and Wheeler Funds March 7, 1910, in addition to the amount of surplus received from sale of this property (see 1907 report). The amount the Permanent Missionary Fund paid was \$18.16, which was much less than this property received from the surplus from the sale.

Income is paid to Treasurer of Diocese.

amount of \$300 due on the Abble Rlegal bond and mort-  
as paid July 2, 1909. The rate of interest on the Tur-  
ves) bond and mortgage was reduced from 6% to 5%.

uary 17, 1910, this fund bought, through the First Na-  
Bank of Syracuse, N. Y., one \$1,000 Illinois Central  
d Company Cairo bridge bond (No. 1718, due December  
, and bearing interest at the rate of 4%, payable June  
December 1 of each year) for \$1,009.69, \$1,000 being  
d itself at par, \$8.44 accrued interest to February 17,  
nd \$1.25 for the bank's commissions.

Elm Street property, owned by the Pierrepont and  
r Funds, was sold in October, 1909, to Mr. Hawksworth  
300 cash, out of which the following expenses of sale  
aid: Filing satisfaction of old taxes, \$5; cancelling  
n search, \$2.50; recording affidavit of Getley, 85 cents;  
ng release of lien of judgment, 65 cents; commissions,  
nd also the following taxes: One-half city taxes  
, \$13.32 (the other half was paid by purchaser by  
ent); third installment Elm Street walk, \$22.68, and  
of assessment for Elm Street walk, \$39.45, making a  
\$110.45, and the balance of \$1,189.55 was deposited  
account. Sixteen dollars forty-eight cents was paid for  
rch by this fund, which made the total expenses of sale  
es of Elm Street property \$126.93, and the balance,  
ayment of these amounts, \$1,173.07. This amount was  
ioned according to the interest in this property that the  
interested had, as follows: The Pierrepont Fund retain-

ing \$630.10 and the Wheeler Fund being paid \$542.90 made a net loss to the funds as follows: Pierrepont \$25.88, and Wheeler Fund, \$22.31. But this loss was the amount of 1909 city taxes, which were assessed, sidewalk taxes against the property.

The Hartson Street lots (Nos. 15 and 17 Kelley tract) sold, from the sale of which this fund received \$272.00, paying expenses of sale, a loss to this fund of \$443.00 (Fiske Fund for statement).

Last year (see last report) we sold four lots on Street to one party. It was afterwards discovered Trustees did not have title to three feet of one of the lots and so we paid the purchaser \$28.50 June 10, 1909, for three feet (which were deeded back to the Trustees) was at the same rate per foot as we had sold them for.

May 25, 1909, this fund advanced \$13.94 for taxes Babcock Fund, on which amount \$11.45 has been paid, a balance due of \$2.49. According to last report the balance was \$38.75 (erroneously stated in note as \$32.50) due from Babcock Fund. This makes a total of \$41.24 due from Babcock Fund.

During past year this fund suffered losses from sale of estate amounting to \$497.61 (including \$28.50 paid for sale of Oakland Street lots). This amount was deducted from the accrued income.

The taxes against Lot 1, corner Hunt Avenue and 1st Street, were not paid, as the taxes and assessment against the lot are more than it is worth (see report 1908-9).

During past year Rev. Mr. Brockway was paid \$700.00 have been directed to pay Mr. Brockway at rate of \$600.00 from July 1, 1909.

Income payable as follows: Five hundred dollars salary of pastor; residue to vestry for repairs, etc., under order of the Bishop.

The deed of trust also provides that the Bishop may at any time the parish become unable to support a clerk without some assistance, apply a larger portion toward salary should the accumulation warrant it, reserving, always enough for the other purposes mentioned.

Interest of the Wheeler Fund in the contract of F. C. for the purchase of the Cook St. lots was paid in full October 21, 1909. The balance of \$10.30 due on the M. & J. note was paid in full May 27, 1909.

Balance of \$5 due from St. Paul's Church, Constable-Fund (see last report) was paid July 26, 1909. The amount of \$150 due Permanent Missionary Fund (see last report) was paid July 24, 1909, and the amount of \$144 advanced Permanent Missionary Fund September 18, 1909, to Rev. D. Daly for services at Wheeler Chapel was paid to the Permanent Missionary Fund October 22, 1909.

*Parochial Fund—Report of the Trustees.*

The Ackerman Avenue lot (listed at \$352.95 in 1909) was sold to C. A. Hills for \$500 cash. This was a gain of \$147.05, not taking into consideration the expenses of the sale. (We agreed to pay for the sidewalk which was laid in front of this property, but had not been taxed of sale. This tax of \$23.21 was paid January 18, 1910. Expenses connected with sale were: Search, \$6.76, and sidewalk, \$23.21, making net gain from sale \$117.08.

The Elm Street property was sold to Mr. Hawksworth. After paying the taxes already assessed, balance of local taxes on the property and expenses of sale, this fund received \$117.08, a loss of \$22.31, which was much less than the taxes payable against the property (see Pierpont Fund for statement).

Twelve hundred dollars was loaned to Rev. Charles H. Nor on his bond and mortgage, \$500 being advanced in 1907, 1909, \$500 January 31, 1910, and \$200 April 4, 1911.

An unpaid local tax was discovered against property at 325 Hoeffler Street, which tax had been assessed by the Trustees owned this property. This tax was paid by the Wheeler and Permanent Missionary Funds March 7, 1911, in proportion to the amount of surplus received from sale of property (see 1907 report). The amount the Wheeler Fund paid was \$32.49, which was much less than this fund received from the surplus of the sale.

The St. John's Church, Interlaken, N. Y., Fund was turned over to the Trustees April 8, 1910.

During the past year the Trustees have been very successful in disposing of a large part of the vacant property owned by the Parochial Fund, and are making every effort to dispose of the balance of the real estate (all vacant) owned by the Fund. Since May 1, 1909, at which time the Parochial Fund had on hand vacant real estate listed at \$11,387.90, the Trustees have sold property listed at \$5,357.69, leaving real estate still on hand amounting to \$6,030.21, which consists of vacant lots in the city and a few vacant lots outside of the city. The Trustees hope to be able to dispose of most of this vacant property within the next year or two. See statement at beginning of 1909 report in regard to real estate owned by the Parochial Fund. The increase in impairment account is due largely to the sale of vacant real estate, from which the Trustees anticipated a loss, and this impairment will probably be increased by the sale of the remaining real estate.

Incomes amounting to \$5,052.34 were paid out during past year, in accordance with the objects of the funds, including amount of \$347.36 paid by Christ Church, Guilford, N. Y., and not including interest of \$100 on Moore mortgage (Wetmore

The insurance premiums, amounting to \$30, on the property at Kendala, N. Y., were paid by the Bishop, as the Church did not pay them. The Treasurer of the Parochial Fund has been directed to pay the incomes due this Church to the Bishop, the sum of \$30 which he advanced has been paid (part of the income from the Mary Stacey Fund is paid to St. Andrew's Church, Kendala, N. Y.)

The Treasurer's bond from the American Surety Company is in the possession of the Treasurer of the Diocese.

## G. Van Wagenen Fund.

*At the Convention of the Diocese of Central New York:*

I scarcely remember, in the thirty five years that I have had  
charge of this trust, a report when there was so little to be  
serious about.

In the case of the Andrews loan, reported in default last  
year, full payment of principal has been obtained and but a  
small concession from the full amount of accumulated interest  
was deemed necessary.

In the case of the Kelly and Odell loan (the latter now de-  
ceased) I thought it wise to avoid a possible misunderstanding  
with the survivor, and accept payment of twelve months' in-  
terest in place of the eighteen which my account showed was  
due. The deceased sister, who had always had charge of the  
payments, left the impression on the other that there was but  
a lesser amount due.

*Van Wageningen Fund—Report of the Trustee.*

There is no change in the condition of the Norris loan (only one at present in default). I can only repeat what I said about it last year.

Five loans have been paid up in full, and \$569.07 in reduction of others. The two taken on, larger in amount, tend to make the administration less burdensome.

The reduction of the amount allowed for traveling fees was made at the suggestion of the Missionary himself.

Respectfully submitted,

J. R. VAN WAGENEN,  
Trustee

Oxford, N. Y., May 2nd, 1910.

## 1. Work Among the Deaf Mutes

### REPORT OF THE DEAF MUTE COMMISSION TO THE DIOCESE OF CENTRAL NEW YORK.

Gentlemen—Your Commission hereby presents its annual report.

The work of our Missionary, Rev. Harry Van Allen, continued throughout the year with unceasing regularity with his usual faithfulness to the many and varied which ministration to the deaf demands. Although the community as average citizens, yet the lack of speech hearing naturally and necessarily isolates the deaf, in measure, from the general public. They, very largely, a world to themselves, only partially in touch with the life around them. Moving here and there all over the the Missionary brings to these various groups not only the message of the higher life, but also the greetings and fellowship of their brethren scattered abroad. In this way able to broaden their rather restricted and narrow view of the Church and the times. In our contributions to the Mission salary we are therefore not only helping these people physically, but mentally and socially; in fact, we are but touching their whole natures. Let us remind givers everywhere that no money in all our charities is bestowed for a more noble and helpful cause.

We are thankful to say that our special appeal for the year has met with a most gratifying response. From 60 we have received \$440.96. This amount, supplemented from the Board of Missions and \$100 from the Junior League provides us with a fair margin to meet our expenses for the winter offerings begin to come in. The salary is for one month and the Missionary thus saved from any financial

assessment. The deaf themselves have given this year almost enough to pay Mr. Van Allen's traveling and incidental expenses. All in all, then, we have had a successful year, with a decided increase in gifts and general interest. To all who have contributed so willingly and generously to make this statement a reality we extend our grateful appreciation. Wishing and hoping for like results in the future, we remain,

Very respectfully,

YOUR COMMISSION.

### **Report of the Missionary to the Deaf Mutes**

To the Commission on Church Work Among the Deaf and Dumb in the Diocese of Central New York:

Gentlemen—I take pleasure in submitting the following report of my work as Missionary among the Deaf and Dumb in the Diocese during the past year:

I have held services as follows: At Utica, 31; at Syracuse, 20; at Binghamton, 13; at Rome, 12; at Oneida, 9; at A

*Report of the Missionary to the Deaf Mutes.*

; at Elmira, 3; at Watertown, 2; at Oswego, 1; total, 99. Of these services 27 were celebrations of the Holy Eucharist.

The foregoing figures refer only to regular appointments which I have kept, the Prayer Book service being used and, on most occasions, a formal sermon being delivered. I have visited many of these places at other times in response to special calls, and, in addition, have visited Baldwinsville, Phoenix, Camden, Owsville, Lyons Falls and Clayton. I have also visited deaf people at Watkins, in the Diocese of Western New York.

Owing to the rapid increase in trolley communication the necessity of holding services in the smaller towns has largely been done away with. Services held at a single central point suffice for a large extent of surrounding territory, and the willingness of the deaf to come considerable distances to attend has made my work much easier and simpler. The distribution of the deaf is very unequal. There are cities of considerable size which contain only one or two deaf people, while, on the other hand, there are country villages which contain half a dozen. The deaf population of a place also fluctuates greatly from year to year, opportunity of obtaining employment being the leading factor. As a result, in the smaller places the opportunities for work vary greatly, and it is only in the chief cities that anything like permanent and systematic work is possible.

During the year I have had 173 personal interviews with 251 deaf persons, either at their homes or at church after service, in many cases being able to exercise considerable influence and to afford practical assistance. I have made several calls at hospitals to see sick people, and, in one instance, have aided in securing decent burial in a case of accidental death. I have aided several to obtain employment by means of letters of recommendation, and with Mr. Talcott's generous help I have been able to assist two deaf people involved in very serious legal difficulties.

There have been five baptisms during the year, all of infant children of deaf parents, one at Camden, one at Syracuse and three at Elmira. There have been two marriages, one at Camden and one at Utica. There have been two burials, one at Watertown and one at Auburn; at the latter Mr. Houser officiating for me. There has been one confirmation, at Rome, the candidate being presented for St. Peter's, Auburn.

I have attended various social gatherings of the deaf, have been present at the meeting of the Rome Alumni Association and have attended the annual gathering of the deaf of Central New York at Sylvan Beach, at which over a hundred people were present. During the year I have acted as corresponding secretary of the Joint Commission of Advice to Church Workers among the Deaf, of which Bishop Olmsted is President, and have tried to do my full duty as Missionary to the Deaf in our Western Diocese of Albany. I have not been outside the limits of my "parish" during the entire year and have not missed a Sunday service, except when hindered by illness or lack of money.

*Bible and Prayer Book Society.*

There has been a decided and gratifying increase in amount of the offerings of the deaf at services, a certain indication of returning prosperity in the business world. The offerings have amounted to \$125.43, an increase of forty per cent. over the offerings of the preceding year. No attempt has been made to estimate the amount given indirectly in the way of entertainment, etc. My expenditures have been as follows: For traveling expenses, \$118; for postage, stationery and printing, \$12.51; expense of visiting clergy, \$7.15; charity, \$10.00; total, \$140.66.

My thanks are due to the Rev. Mr. Smielau of the Diocese of Central Pennsylvania, who has assisted me by holding an occasional service at Binghamton in connection with his own services at Scranton. I am deeply grateful to the members of the Commission for their unvarying kindness, and especially to Harding and Mr. Talcott, who have always been ready to assist me with their advice. And I wish most gratefully to acknowledge the kindly sympathy and interest of the Bishop of the Diocese, which have been no small encouragement in work which must of necessity always be a more or less isolated and obscure work.

Very respectfully submitted,

H. VAN ALLEN,  
Missionary to the Deaf

Utica, May 12, 1910.

## OTHER CLERICAL REPORTS.

The Rev. W. M. Beauchamp, S. T. D., residing at Syracuse, reports that during the year past he has celebrated the Holy Communion 34 times, assisted in this 6 times, preached 50 times, aided in other services 9 times, celebrated 2 marriages and officiated at 7 funerals. On May 30, 1909, he laid the corner-stone of Wallcourt Hall, the fine addition to Miss Goldsmith's school for girls at Aurora-on-the-Lake, and twice addressed the faculty and pupils. His 80th birthday was pleasantly observed by the Syracuse Clerical Club, of which he has been for some years president, and the many congratulatory messages on the actual day were highly prized. Lectures and official duties of other kinds have made his 80th year a busy one; one of labor indeed, but not, he is thankful to say, one of sorrow.

The Rev. C. A. Bull, residing at Binghamton, reports that since resigning the Church of the Good Shepherd in January he has conducted 36 services, preached 25 sermons, celebrated the Holy Eucharist 10 times, baptized 4 infants, had 1 burial.

The Rev. R. M. Duff, D. D., Missionary of Chenango County, reports that during the past year he has held services regularly in three mission churches, two of which were in Chenango County and one in Madison County. Services have also been held in several other places in Chenango County where there were no church buildings. The services, on the whole, have been very well attended, and much interest has been manifested. Thirteen persons have been baptized—7 adults and 6 children. He has celebrated the Holy Communion 26 times, officiated at 1 marriage and 5 burials. In all, 124 services have been held during the convention year. Occasional services have been held in the Chenango County Home, and the claims of the Pension Fund have been presented in various churches in the Diocese, and occasional addresses have been made on the Laymen's Missionary Movement. Several hundred house to house visits have been made during the year.

The Rev. E. F. H. J. Masse begs leave to report that during the greater portion of the late convention year he was regularly occupied with the duties, pastoral and scholastic, of his position as Chaplain at St. Mary's School, Peekskill, N. Y.

*Other Clerical Reports.*

---

The Rev. A. H. Ormsbee, residing at Schenectady, N. Y., reports that for this convention year, from May 1 to May 1, he has served as Missionary at Charlton, N. Y. On account of failing health and some infirmities of age, he found it necessary to give up the work on May 1, 1910.

The Rev. William Wirt Raymond, residing at Baldwinsville, N. Y., has been well employed during the greater part of the year. In early summer assisted at Pulaski, Jamesville, Fayetteville and Baldwinsville. In August celebrated early communions in St. Paul's Church, Syracuse. In September served two Sundays in the Church of the Good Shepherd, Binghamton. In October four interesting Sundays in the Church of the Holy Cross, Utica; attended also the Department Missionary Conference in Grace Church. Beginning with November, exactly six months of most agreeable and profitable supply of St. Paul's Church, Owego, a substantial and thorough working and worshiping parish. Continued ministrations as Chaplain to The Shelter, Syracuse, a most commendable charitable institution.

The Rev. Chester M. Smith, residing at Baltimore, Md., reports that since resigning as Rector of St. Paul's, Holland Patent, and Missionary at St. Andrew's, Trenton, on account of a breakdown in health, his services have been confined to two celebrations of the Holy Communion in private to his family, and he has attended services a few times. He had hoped ere this to be strong enough to resume work, but God has been pleased to order otherwise. On June 1 he goes to Blue Ridge Summit, Pa., to spend the summer, which the doctors believe will do him great good, and it is his heartfelt prayer that such may be the case. He is most desirous to return to Central New York, and wishes he might be present at the Diocesan Convention.

The Rev. John A. Staunton, residing in Utica, reports that within the last Diocesan year he has celebrated the Holy Communion 14 times, said or assisted in 20 other services, preached 21 times, and baptized one infant.

The Rev. Charles H. Tindell reports from McLean Hospital, Waverly, Mass., that chronic rheumatic affliction prevents his attendance upon the convention this year, as in several years. In other respects he seems to be in good health, but of course cannot officiate in church services, which is one of the deprivations he must endure.

#### HOUSE OF THE GOOD SHEPHERD, BINGHAMTON.

The House of the Good Shepherd in the City of Binghamton reports that during the past year the House family has consisted of twelve women.

Generous baskets of provisions have been given by the church people of Binghamton, and there have been some contributions from churches outside of the city.

*The Shelter for Unprotected Girls, Syracuse.*

Matron—"Sister Clara," Miss La Hue.

Chaplain—The Rev. J. W. Clarke.

It is the aim of this institution to supply to the little ones entrusted to its care a good home, together with the much needed influence of a pure family life. Religious education is, of course, the primary object, and besides the daily devotions, it is the rule to have a weekly service and a catechetical instruction by the Chaplain. The house is grateful to the Bishop for his kindly interest shown in many ways.

Two hundred and thirty children have been cared for during the past year.

THE SHELTER FOR UNPROTECTED GIRLS, SYRACUSE.

206 Roberts Avenue, Syracuse. Reached by Park-Summit cars.

Founded by Bishop Huntington in 1877.

Not strictly a Diocesan institution, but chiefly in the care and management of the Church.

The Hon. Charles Andrews is President of the Board of Trustees; Miss Arlia S. Huntington is Vice President; Mrs. H. L. Isner is Secretary; Miss Mabel T. White is Treasurer; Miss A. Kendall is Superintendent; Bishop Olmsted, Mrs. F. R. Hazard and Mrs. Karl Schwartz are members of the Board.

About fifty girls are accommodated, voluntarily or involuntarily housed for better protection, more careful training and careful restraint. Thorough domestic instruction is given, with ample provision for common education, religious worship and recreation. Visits are permitted from parents and guardians, and also invited from other Christian and philanthropic people.

Good, efficient girls are placed out discreetly for domestic service, at first on probation if desirable.

Rev. William W. Raymond has been Chaplain since 1905, during which period he has held services, instructed classes, baptized 40 girls and prepared 31 for confirmation. Contributions are solicited, on which the support of the institution is largely dependent.

Services are also held every Sunday morning by Lay Readers, alternating from the several Syracuse Parishes.

### **ARTICLE I.**

Section 1. There shall be an Annual Convention of the Church in the Diocese of Central New York on a Tuesday in May to be selected by the Bishop in each year, meeting at four o'clock and thirty minutes P. M. in such place as shall be determined by the Bishop for the time being, or in case of his inability to act or of a vacancy in the Episcopate, by the Standing Committee.

Sec. 2. On Tuesday evening, after service, a quorum being present, the Convention shall organize, and the Standing Committees shall be appointed.

Sec. 3. In the event of the prevalence of any epidemic disease, or for other sufficient cause, occurring after the designation of the place of meeting, the Bishop, or in the case above mentioned, the Standing Committee, may appoint another place for the meeting of the Convention.

### **ARTICLE II.**

The Bishop may call Special Conventions when he shall judge conducive to the good of the Church.  
In case of a vacancy in the Episcopate, or the inability of the Bishop to do so, the Standing Committee may call such Convention.

### **ARTICLE III.**

and Lay Delegates not exceeding three in number from each Parish, Church or Congregation in union with the Convention, provided, however, that no Clergyman shall be entitled to vote for a Bishop unless he has been canonically resident in the Diocese for at least one year.

Sec. 2. The Lay Delegates shall be chosen by the Vestry, when one is in legal existence. When the Vestry is, from vacancy or otherwise, incompetent to act, they shall be chosen by the Congregation.

Sec. 3. But in case of Churches or Congregations organized or incorporated without a Vestry, Delegates may be chosen by the Church or Congregation, unless the Convention shall otherwise prescribe.

Sec. 4. The mode of admitting new Churches or Congregations into union with the convention and the conditions under which union or representation shall be forfeited, may be prescribed by Canon.

#### ARTICLE IV.

Every Convention at its first morning session shall be opened with prayers and the Holy Communion, and the Bishop may at this time deliver his Annual Address or Charge.

#### ARTICLE V.

The Bishop shall preside in the Convention; but in case of a vacancy, inability to act, or necessary absence, the members shall elect a President from among the Presbyters.

#### ARTICLE VI.

A Secretary shall be chosen upon the assembling of the Annual Convention from among the members thereof, who shall remain in office until the meeting of the next Annual Convention, and until a successor be appointed. His duty shall be to take minutes of their proceedings, to preserve their journals and records, to attest the public acts of the body, and faithfully to deliver into the hands of his successor all books and papers relative to the concerns of the Convention which may be in his possession. It shall also be his duty to give due notice to each Minister and Vestry of the time and place appointed for the meeting of each Convention.

#### ARTICLE VII.

Section 1. In all matters which come before the Convention, the Clergy and Laity shall deliberate, and, except as provided in the next Section, may vote in one body; but if in any

case it shall be required by five members, the two orders shall vote separately, the Clergy as individuals, and the Laity as Parishes; and the concurrence of a majority of each order shall be necessary to constitute a decision.

Sec. 2. In case of the election of a Bishop, the two orders shall always vote separately by ballot, and according to the mode above prescribed.

ARTICLE VIII.

The mode of altering the Constitution shall be as follows: A proposition for an amendment shall be introduced in writing, and considered in the Convention; and if approved of, shall lie over till the next Annual Convention; and, if again approved of in such next Convention by a majority of the two orders voting thereon separately, the change shall take place, and the Constitution so altered shall be valid and obligatory.

ARTICLE IX.

No amendment of the Canons shall be made during the session of the Convention in which the same shall be proposed, unless two-thirds of each order shall concur therein; but any amendment, if approved by a majority less than two-thirds, shall lie over for the consideration and final action of the next Annual Convention.

## CANON I.

### *Of a List of Ministers in the Diocese.*

Section 1. Within one week before the meeting of every Convention of this Diocese, the Bishop shall prepare, or cause to be prepared, a list of all the Ministers canonically resident in this Diocese, annexing the names of their respective Cures, Parishes, Stations, or places of residence, designating those who are entitled to seats in the Convention;; but no Clergyman while suspended from the Ministry shall have a place on the said list. And such list shall be laid before the Convention on the first day of meeting, and be prefixed to the Journal.

Sec. 2. The right of any Clergyman of this Diocese to a seat in the Convention shall, if disputed, be determined according to the provisions of the Third Article of the Constitution by the Convention itself; whether his name be inserted in the list aforesaid or omitted.

## CANON II.

### *Of the Members and Organization of the Convention.*

Section 1. The evidence of the regular admission of a Clergyman into this Diocese shall consist in proof satisfactory to the Convention of a compliance with Section V of Canon 15 of the Digest of the Canons of the General Convention: and the evidence of a settlement in a Church thereof shall consist in proof satisfactory to the Convention of a compliance with the first and second sections of Canon 14.

Sec. 2. The appointment of a Lay Delegate to the Convention of this Diocese shall be certified in writing by the Rector of the Parish or Church of which he is a delegate, or by one of the Wardens, or by the Clerk of the Vestry, or Trustees, and the Certificate shall be forwarded by mail or otherwise to the Secretary not later than forty-eight hours before the meeting of the Convention. This Certificate shall state in all cases that the person so certified is entitled to vote for Wardens and Vestrymen—or would be so entitled if the Church which he is appointed to represent were not otherwise organized or incorporated—and that the said Parish or Church is not in arrears in

---

*Canon II.*

---

payment of its assessment for the Diocesan Expense Fund, or (if it be in arrears) that it prays the Convention to remit the sum in arrears for the good and sufficient reasons presented in a paper annexed. The form of said certificate may be prescribed by the Convention, and when so prescribed no other certificate of the appointment of any Lay Delegate or Delegates to the Convention of this Diocese shall be allowed or received.

Sec. 3. At every Convention the Bishop shall take the Chair, and shall continue to preside during its sitting. He shall possess the usual powers of presiding officers in deliberative assemblies to preserve order and decorum, and shall decide all questions of order without debate, subject to an appeal to the House. He shall have the right to name any clerical member to perform the duties of the Chair, but such substitute shall not extend beyond an adjournment, unless directed by the House.

Sec. 4. In case of the absence or disability of the Bishop, or of a vacancy in the office, the senior clerical member of the Standing Committee present shall call the Convention to order and act as President *Pro Tempore*, and perform all the duties of President until the Convention shall be organized and shall have elected a President.

Sec. 5. The President having taken the Chair, the Secretary of the preceding Convention shall call over the names of the Clergy entitled to seats in the Convention, and shall enter in the Journal the names of those who are present. The Standing Committee on Credentials shall then report to the Secretary the names of all Lay Delegates duly elected and entitled to seats in the Convention under the Canons. Any irregular or defective certificates shall be reserved until a quorum shall have appeared. The names of the Lay Delegates duly appointed shall then be called and the names of those who are present shall be entered on the Journal. The irregular and defective certificates shall be reported to the Convention as soon as it is duly organized, who shall decide on the admission of the delegates named in them.

Sec. 6. The presence of at least twenty Clergymen entitled to vote in the Convention, and of Delegates from at least twenty Congregations, shall be necessary to the transaction of business, except that a smaller number may adjourn from day to day.

Sec. 7. A quorum being found to be in attendance, the President shall declare the Convention duly organized. The Secretary shall then be elected, who may nominate an Assistant Secretary, to be approved by the Convention.

Sec. 8. The Rules of Order of the preceding Annual Convention shall be the Rules of Order until altered by a vote of a majority of the Convention.

---

*Canon III.*

---

**CANON III.***Of the Call of a Convention.*

Section 1. Notice of the meeting of any Convention shall be given by the Secretary in a printed letter, transmitted by mail at the expense of the Convention to every Clergyman in the Diocese, and to the Wardens in every vacant Parish, at least one month before the time of meeting. This letter shall contain a notice of the time and place of holding the Convention, extracts from the Constitution and Canons relating to the appointment of Lay Delegates, and a form of certificate of their election. Notice of the meeting shall also be inserted in any newspaper in which the Bishop may direct such insertion to be made.

Sec. 2. Whenever, under the provision of the Constitution, a special Convention is called for any particular purpose, it shall be the duty of the Secretary in the notice thereof to specify such purpose.

**CANON IV.***Of the Admission of a Church Into Union with the Church in This Diocese.*

Section 1. To entitle a Church to admission into union with the Church in this Diocese, it is required that there be submitted to the Convention of the same at a stated meeting: (1) A certificate from the Bishop, or in case of his absence or a vacancy in the Episcopate, of a major part of the Standing Committee, approving the incorporation of such a Church; (2) The certificate of incorporation duly proved and recorded, or a copy thereof certified by the Clerk of the County. But no such certificate shall be given by the Bishop or the majority of the Standing Committee save upon satisfactory evidence of the ability of such Church to pay and continue the sum of at least six hundred dollars a year for the support of a Rector or Missionary; and also that such Church contains at least thirty actual Communicants.

Sec. 2. Whenever, hereafter, any Church in union with this Convention shall neglect, for three years in succession, to make a parochial report, no missionary report being made in its behalf; and during the same period shall not employ a Clergyman as its Parish Minister, nor obtain the services of a Missionary, nor make the stated monthly collections as required by Canon X of this Diocese, such Church shall be regarded as having forfeited its connection with the Convention, and be no longer entitled to representation in the same; and the Bishop shall report said Church to the Convention in his Annual Address; but any such Church may be readmitted on the recommendation of the Bishop and by a resolution of the Convention, and

*Canon V, I.I.*

uch readmission shall take effect from and after the rising of the Convention which shall have agreed to the same.

CANON V.

*Of the Secretary of the Convention.*

Section 1. In addition to the duties imposed upon the Secretary by the Constitution and by Canon III, he shall be required to transmit annually to each of the Bishops of the Protestant Episcopal Church in the United States, and to the Secretary of the last House of Clerical and Lay Deputies in the General Convention, and to the Secretary of every Diocesan Convention, a copy of the Journal of the Convention; and shall request the last to send copies of their respective Journals in exchange. He shall also transmit a copy to each Clergyman in the Diocese, and each Lay Delegate attending the Convention, and five copies to each Parish in the Diocese, one of which it shall be the duty of the Clerk of the Vestry to preserve with the Parish records.

Sec. 2. He shall also transmit to every General Convention, in addition to the documents mentioned in Section II, Canon 7, of the Digest, a certificate to be signed by himself, containing a list of the Clergymen in this Diocese, and the amount of funds paid or secured to be paid (distinguishing them) to the General Theological Seminary; together with the nomination of Trustees of that Seminary; and also a certificate of the appointment of Clerical and Lay Deputies.

Sec. 3. Any expense incurred by a compliance with the several sections of this Canon shall be paid out of the Diocesan fund.

Sec. 4. Whenever there shall be a vacancy in the office of Secretary of the Convention the duties thereof shall devolve upon the Assistant Secretary, if there be one; if not, upon the Secretary of the Standing Committee.

CANON VI.

*Of the Treasurer of the Diocese.*

Section 1. At every Annual Convention there shall be chosen Treasurer of the Diocese. It shall be his duty to receive and disburse all moneys collected under the authority of the Convention, the collection and distribution of which shall not be otherwise regulated. He shall be subject to the direction of the Standing Committee in relation to the mode and place of depositing the funds received by him, and the manner of paying them out, and his accounts and books shall be at all times subject to the inspection of the Standing Committee or any member thereof. Before entering on the duties of his office he shall

---

*Canon VII.*

---

give a bond to the Standing Committee in such penalty and with such surety as they shall direct, conditional for the faithful performance of his duties, and for the delivery over to his successor of all funds, securities, books and papers pertaining to his office.

Sec. 2. His accounts shall be reported to the appropriate Committee, according to Canon XIV.

Sec. 3. In case of a vacancy in the office, the Standing Committee shall appoint a Treasurer, and the person so appointed shall continue to act until an election is made by the Convention. The Treasurer may be removed at any time from his office by the Standing Committee for any neglect or misconduct, of which they shall be judges.

### CANON VII.

*Of Registers, Parochial Reports, and the Removal of Communicants from one Parish to Another.*

Section 1. The Parish Register, required by Section III, Canon 15, of the Digest, shall specify the name and the time of the birth of the child baptized, with the names of the parents and sponsors; the name of the adult baptized; the names of the parties married, and of two or more special witnesses of the same, and the place where the marriage was solemnized; the names of the persons buried; and also the time when each rite was performed. These Registers shall be kept by the Minister in a book to be provided for that purpose belonging to the Vestry of each Church; which book shall be the Parish Register, and shall be preserved by the Vestry as a part of the Records of the Church.

Sec. 2. The Parish Register shall contain a list of the families and adult persons in the Cure as far as practicable, and also an accurate list of the persons confirmed from time to time.

Sec. 3. In every Parish and Missionary Station a list of the Communicants shall be kept, which shall retain the names of all persons who shall have been admitted to the Holy Communion in that Parish or Station until they shall have ceased to be Communicants in the Cure by either (1) death, (2) removal or (3) repulsion and suspension or excommunication by competent authority. In the Annual Report of the Parish discrimination shall be made by means of separate items between those who shall have received the Holy Communion at least once within two years preceding such report, and all others whose names are on the list as above provided, but who shall not have received the Communion either in public or in private during the two years preceding the report, whatever may have been the occasion or cause of their neglect of their privilege and duty.

*Canon VIII.*

Sec. 4. The Annual Report shall also indicate all the additions to the list of Communicants during the past year, as well as the losses by death, removal, repulsion or suspension, as required by Section III, Canon 15, and Section I, Canon 47, of the Digest, and shall also contain, in addition to the value of churches and rectories, the amount of insurance thereon. Under the head of rector's salary and current expenses shall be included salary of ministers, choir expenses, wages of sexton, fuel and lights. Incomes from endowments shall be separately reported and the purpose for which said incomes are used.

Sec. 5. In every case where a Parish is destitute of a Minister, the Register contemplated by this Canon shall be kept by the Wardens, or by some person appointed by the Vestry, whose duty it shall also be to prepare and forward to the Bishop the Annual Parochial Report.

Sec. 6. Communicants removing from one Parish to another, in the Diocese, shall procure a certificate as provided for in Canon 39, Section 1, of the Canons of the General Convention.

Sec. 7. The same rule shall apply in this Diocese to Communicants who may wish to be transferred, without changing their residence from the list of Communicants in one Parish, so as to be received as Communicants in any other Parish or in any other place of worship where the Holy Communion is habitually celebrated.

Sec. 8. No Rector or other Minister in charge of any Parish in this Diocese shall receive as an habitual Communicant, or enter upon the list of Communicants under his charge, the name of any person who has been a Communicant in any other Parish in this Diocese without such a certificate or Letter Dimissory from the Parish to which said Communicant last belonged.

Sec. 9. Any Communicant, not under censure or ecclesiastical discipline, shall be entitled to such a certificate or letter on application therefor to the Minister in charge of the Parish to which said Communicant belongs, and in case of a vacancy in the pastoral care of a Parish, and in case of any person under discipline the application shall be referred to the Bishop of the Diocese, or in the vacancy in the Episcopal office, to the President of the Standing Committee, and the answer and decision of the Bishop or of the President of the Standing Committee, as above provided, shall be final and conclusive.

CANON VIII.

*Of Deputies to the General Convention.*

Section 1. The Convention shall, at its regular annual meeting next preceding the regular session of the General Conven-

*Canon IX.*

tion, elect by the concurrent ballot of the Clerical and Lay Members, four clergymen and four laymen, who shall be Communicants of the Church and residents of the Diocese, to act as Deputies from this Diocese to the General Convention. In like manner the Convention shall elect four Clergymen and four Laymen as Provincial Deputies to act as hereinafter mentioned. The Deputies and Provisional Deputies shall hold their office during the term of three years.

A concurrent ballot within the meaning of this section is a ballot in which the clergy and the laity voting separately shall cast each in their own order the highest numbers of votes for the same clergymen and the same laymen. But to effect an election the said highest number of votes in either order must be a majority of all the votes cast by that order in the ballot under consideration. And when there is a failure to elect one or more delegates on the first ballot the balloting shall continue in both orders until a concurrence is attained.

Sec. 2. Any vacancy occurring among the Deputies or Provisional Deputies between the stated times of election may be supplied by any Convention during or prior to which such vacancy shall occur.

Sec. 3. It shall be the duty of the Deputies-elect to signify to the Bishop, on some day within three weeks of the meeting of the General Convention, and at least one week before such meeting, the acceptance of the appointment and their intention to perform its duties; in default of which, and in case of their inability or unwillingness to perform the duties of the appointment, all vacancies so occurring by declensions, sickness or death shall be filled by the designation of the Bishop, from the list of the Clergymen and Laymen elected as Provisional Deputies, and such person or persons so designated by the Bishop, being furnished with his certificate thereof, shall have all the power and authority of Deputies duly elected by the Convention.

Sec. 4. In case of a vacancy in the Episcopate, or of the inability of the Bishop to act, the power conferred upon the Bishop by this Canon shall be exercised by the President of the Standing Committee.

**CANON IX.***Of the Standing Committee.*

Section 1. At every Annual Convention an election of a Standing Committee shall be made; which Committee shall consist of four of the Clergy and four of the Laity, to be chosen by ballot, and by the concurrent vote of each order, each Parish having one vote by its delegates. Vacancies in said Committee, occurring

*Canon X.*

death or otherwise, shall be supplied by the concurrent vote of the Clerical Members and Lay Members of the Committee.

Sec. 2. In case of a vacancy in the Episcopate, the powers and duties to be performed by the Bishop in matters of discipline, shall be performed by the Standing Committee, except in those cases where such powers and duties are or may be specially delegated to or enjoined upon the Clerical members of said Committee; in which case such powers and duties shall be exercised by said Clerical Members alone; provided that no sentence shall be pronounced upon a Clergyman but by a Bishop.

Sec. 3. The Secretary of the Standing Committee shall keep true record of their proceedings and report the same annually to the Diocesan Convention. He shall preserve all books, Journals and papers belonging to said committee and transmit the same to his successor in office.

CANON X.

*Of the Diocesan Missions and Offerings.*

Section 1. All members of the Church in the Diocese of Central New York constitute its Diocesan Missionary Society; and the Convention of the Diocese shall be the Diocesan Board of Missions.

Sec. II. At the next meeting of the Board of Managers after the Convention of this Diocese held in June, 1906, or as soon thereafter as convenient, and every succeeding fourth year an archdeacon shall be appointed by the Bishop, with the advice and consent of the Board of Managers.

He shall be in Priests' Orders and shall hold his office for four years unless his incumbency be terminated sooner by resignation or otherwise.

He shall under the direction of the Bishop, give his entire time to the Missionary work of the Diocese. He shall receive a stated salary, together with his traveling expenses; the amount of said salary and expenses to be determined by the Board of Managers, and to be paid by the Treasurer of the Board of Missions from the Missionary Fund.

Sec. III. 1. For Missionary purposes the Diocese shall be divided into five districts, as follows:

First District—Jefferson and Lewis Counties.

Second District—Oneida County, the City of Oneida, and all the rest of Madison County except the townships including the Parishes of Cazenovia, Canastota, Chittenango and Perryville.

Third District—Broome, Chemung, Chenango and Tioga Counties.

---

*Canon X.*

---

Fourth District—Onondaga, Oswego and Cortland Counties, and the townships of Madison County not included in the Second District.

Fifth District—Cayuga, Seneca and Tompkins Counties.

2. The principal officer of each Missionary District shall be called the Dean of the District. He shall be appointed every four years by the Bishop, from the Clergy of the District, after nomination in a regular Convocation of the same. Under the Bishop he shall have the oversight of all Missionary work in his District.

3. Each Missionary District shall annually elect a Secretary and a Treasurer, at its first regular Convocation after the Annual Convention of the Diocese.

4. If the office of Dean of any Missionary District become vacant by removal or otherwise, the Bishop shall appoint a successor for the remainder of the term.

Sec. IV. 1. In the general Missionary work of the Diocese, the Bishop shall be assisted by a Diocesan Board of Managers, consisting, together with the Bishop, of the Archdeacon, the Secretary of the Board, and the Treasurer of the Diocese, who shall also be the Treasurer of the Board, the five Deans, and five Clergymen and five Laymen, one of each from each Missionary District, to be elected severally by the Convocation of the District entitled to this representation. The Bishop shall preside at the meetings, and in his absence the Archdeacon shall preside.

2. The Diocesan Board of Managers shall consult for the promotion of the Missionary Work of the Diocese. It shall, each year, through its Secretary, present to the Diocesan Board of Missions, at its annual session, a report of the Missionary work of the Diocese during the Conventional year. The Board of Managers may appoint such committees as are necessary to attend to details of business arising during the interim between meetings of the Board.

3. At each Annual Convention the Diocesan Board of Managers shall submit to the Diocesan Board of Missions for its action an estimate of the sum required for the Missionary work of the Diocese during the current year. Immediately after the adjournment of the Convention the Diocesan Board of Managers shall meet and determine how much of the money voted by the Diocese for its Missionary work during the year shall be assessed to each District, and what part of it shall be given to the same for apportionment among its stipendiary Clergy. And this determination shall be published in the Journal of the Convention.

4. The Diocesan Board of Managers shall, through its Treasurer, prepare for publication in each Journal of the Convention, a table by districts, of all the Parishes and Missions in the Diocese, the sum assessed to each District to be raised for Diocesan Mis-

*Canon X.*

onary work, the amount assessed by the District to each Parish and Mission for the same, and the sum actually given for this purpose by each Parish and Mission. It shall also contain the amount of Stipendiary Fund given to each district, together with the sum apportioned to each of its Stipendiary Parishes and Missions.

5. Other meetings of the Board of Managers shall be held at the call of the Bishop, or in a vacancy of the Episcopate, of the Archdeacon. Eleven members of the Board, including three Deans, shall constitute a quorum for the transaction of business; but no action of the Board shall be valid without the approval of the Bishop.

Sec. V. 1. Each Missionary District shall hold not less than two stated Conventions yearly. At the first of these, which shall be held as soon after the adjournment of the Annual Convention as the District may determine, appropriations shall be made by it in aid of the Missionary work in the said District under the advice or direction of the Bishop.

2. Each Parish and Missionary Station seeking aid from the Convocation shall make written application through its Vestry Committee, stating the facts necessary to a full understanding of the case, particularly the number of contributors and the amount pledged or secured in the Parish or Station for the support of the Minister.

3. Each Missionary District shall be represented in its Convocation by the Clergy canonically resident, and by two Lay Delegates from each of its Parishes and Missions.

4. Each Missionary District shall have power to assess upon its own Parishes and Missions whatever sum may canonically be required of it for the Missionary work of the Diocese, and all moneys raised or collected for Diocesan Missions shall be paid monthly by the Treasurer of the District to the Treasurer of the Diocesan Board of Managers.

5. Each District Treasurer shall send a quarterly Statement of offerings for Diocesan Missions—stating amount due—to each Parish and Missionary Station in his District.

6. Each District Treasurer shall send a monthly statement of offerings for Diocesan Missions to the Dean of the District.

7. The Treasurer of the Diocese shall pay the stipends granted to the Missionary Clergy, monthly, on the order of the Dean of the District.

8. At least two weeks before the Annual Convention of the Diocese, the Secretary of each Missionary District shall make report of the year's work of the District to the Secretary of the

---

---

Board of Managers, including the items called for in Section IV, 4, of this Canon.

9. Any Missionary District may with the approval of the Bishop, undertake special Missionary work, provided it shall first have complied with all canonical requirements, and shall be free to make its own regulations and conduct its own Missionary work in all ways not conflicting with the provisions of this Canon.

10. It shall be the duty of every Clergyman in charge of a Parish or Mission to attend all Convocations of his District, and to report to the same the Missionary work done in his Cure.

11. Every Clergyman receiving a stipend from the Board of Missions shall make in writing, according to a form prescribed by the Board, a monthly report of his work to the Dean.

12. No Missionary shall receive the last month's stipend of each quarter, until he has made the required monthly reports to the Dean.

Sec. VI. 1. Offerings shall be made systematically in the Parishes and Missions of the Diocese as follows:

For the Communion Alms on the first Sunday in each month.

For the Board of Missions, Domestic or General, on a Sunday in Advent.

For the Christmas Fund, being the General Clergy Relief Fund, on Christmas Day or Quinquagesima Sunday.

For the Board of Missions, Foreign or General, on a Sunday after the Epiphany.

For the Mission among the Deaf Mutes in the Diocese, on the Twelfth Sunday after Trinity, or on the Sunday next before Advent.

Offerings for Diocesan Missions shall be made in every Parish and Mission in the Diocese on the third Sunday of each month, when one of the above named Sundays is not the third Sunday. All such offerings shall be forwarded monthly to the Treasurer of the District.

At the Episcopal Visitation, each Parish or Congregation shall take an offering which shall be placed in the hands of the Bishop to be used at his discretion for the benefit of needy persons, and which shall be called The Relief Fund of the Diocese.

2. It is recommended that offerings be taken for the following objects:

For the Bible and Prayer Book Society of Central New York, or the Bible and Prayer Book Society of New York, in the discretion of the Minister, on Whit Sunday.

*Canon XI.*

For the increase of the Ministry, on Easter, or some other near and convenient Sunday.

CANON XI.

*Of the Diocesan Expense Fund.*

Section 1. In order to provide for the necessary expenses of the Diocese, it shall be the duty of the Treasurer of the Diocese to present to the Standing Committee on or before the fifteenth day of May in each year, an estimate of the amount of money that will be needed during the ensuing year to meet the current expenses and expenses of the Convention, adding thereto the liabilities of the Diocese chargeable to said fund, if there be any.

Sec. 2. It shall be the duty of said Committee, upon receipt of this estimate to assess this amount upon the Parishes and Churches of the Diocese, at the rate of an uniform per cent. upon the amount last previously reported to the Convention and printed in the Journal under the head of "Rector's Salary and Current Expenses" as defined in Canon VII, Sec. 4, not including any amount that may have been given to the Parish or Church, or its Minister, by the Missionary Board of the Diocese, or by any other Missionary organization. But no Parish shall be assessed less than one dollar. ### CANON XVIII.

#### *Of the Trial of a Clergyman not Being a Bishop.*

Whenever any Minister of the Diocese, not being a Bishop thereof, shall become liable to presentment and trial under the provisions of any Canon of the General or Diocesan Convention, the mode of proceedings in this Diocese shall be as follows, viz:

Section 1. The trial shall be on a presentment in writing, addressed to the Bishop of the Diocese, specifying the offenses of which the accused is alleged to be guilty, with reasonable certainty as to time, place and circumstances. Such presentment may be made by the major part in number of the members of the Vestry of any Church of which the accused is a Minister, or by any three Presbyters of this Diocese entitled to seats in the Convention, or as hereinafter mentioned. Whenever from public rumor, or otherwise, the Bishop shall have reason to believe that any Clergyman is under the imputation of having been guilty of any offense or misconduct, for which he is liable to be tried, and that the interest of the Church requires an investigation, it shall be his duty to appoint five persons, of whom three at least shall be Presbyters, to examine the case—a majority of whom may make such examination; and if there is, in their opinion, suffi-

cient ground for presentment, shall present the Clergyman accordingly.

Sec. 2. A presentment being made in any of the modes above prescribed, the Bishop, if the facts charged shall not appear to him to be such as to constitute an offense, may dismiss it; or if it allege facts some of which do, and some of which do not constitute an offense, he may allow it in part and dismiss the residue, or he may permit it to be amended. When it shall be allowed in whole or in part, the Bishop shall cause a copy of it to be served on the accused, and shall also nominate twelve Presbyters of this Diocese, entitled to seats in the Convention, and not being parties to the presentment, and cause a list of their names to be served on the accused, who shall, within thirty days after such service, select five of them and notify their names in writing to the Bishop; and if he shall not give such notification to the Bishop within the said thirty days, the Bishop shall select five, and the Presbyters so selected shall form a board for the trial of the accused, and shall meet at such time and place as the Bishop shall direct, and shall have power to adjourn, from time to time and from place to place (but always within the Diocese,) as they shall think necessary.

Sec. 3. A written notice of the time and place of their first meeting shall be served at least thirty days before such meeting on the accused, and also on one of the persons making the presentment.

Sec. 4. If at the time appointed for the first meeting of the Board of Presbyters, the whole number of five shall not attend, then those who do attend may adjourn from time to time; and if after one adjournment or more it shall appear to them improbable that the whole number will attend within a reasonable time, then those who do attend, not being less than three, shall constitute the Board, and proceed to the trial and a majority of them shall decide all questions.

Sec. 5. If a Clergyman presented shall confess the truth of the facts alleged in the presentment, it shall be the duty of the Bishop to proceed to pass sentence; and if he shall not confess them before the appointment of the Board for his trial as before mentioned he shall be considered as denying them.

Sec. 6. If a Clergyman presented, after having due notice, shall not appear before the Board of Presbyters appointed for his trial, the Board may nevertheless proceed as if he were present, unless for good cause they shall see fit to adjourn until another day.

Sec. 7. When the Board proceeds to the trial, they shall hear such evidence as shall be produced; which evidence shall be reduced to writing and signed by the witnesses respectively; and some officer authorized by law to administer oaths may, at the desire of either party, be requested to administer an oath or

---

*Canon XVIII.*

affirmation to the witnesses, that they will testify the truth, the whole truth and nothing but the truth, concerning the facts charged in the presentment. If on or during the trial, the accused shall confess the truth of the charges as stated in the presentment, the Board may dispense with hearing further evidence, and may proceed at once to state their opinion to the Bishop as to the sentence that ought to be pronounced.

Sec. 8. Upon the application of either party to the Bishop, and it being made satisfactorily to appear to him that any material witness can not be procured upon the trial, the Bishop may appoint a commissary to take the testimony of such witness. Such commissary may be either a Clergyman or a Layman, and the party so applying shall give to the other at least six days' notice of the time and place of taking the testimony. And if the person on whom the notice shall be served shall reside more than forty miles from the place of examination, an additional day's notice shall be given for every twenty miles of the said distance. And both parties may attend and examine the witness; and the questions and answers shall be reduced to writing and signed by the witness, and shall be certified by the commissary and enclosed under his seal and transmitted to the Board, and shall be received by them as evidence. A witness examined before such commissary may be sworn or affirmed in manner aforesaid.

Sec. 9. The Board having deliberately considered the evidence, shall declare in writing signed by them or a majority of them, their decision on the charges contained in the presentment, distinctly stating whether the accused is guilty or not guilty of such charges respectively, and also stating the sentence which in their opinion should be pronounced; and a copy of such decision shall be without delay communicated to the accused; and the original decision, together with evidence, shall be delivered to the Bishop, who shall pronounce such canonical sentence as shall appear to him to be proper, provided the same shall not exceed in severity the sentence recommended by the Board; and such sentence shall be final. Before pronouncing any sentence the Bishop shall summon the accused and any three or more of the Clergy, to meet him at such time as may in his opinion be most convenient, in some Church to be designated by him, which shall for that purpose be opened at the time to all Persons who may choose to attend, and the sentence shall then and there be publicly pronounced by the Bishop. But the Bishop, if he shall be satisfied that justice requires it, may grant a new trial to the accused, in which case a new Board of Presbyters shall be appointed, the proceedings before whom shall be conducted as before mentioned.

Sec. 10. All notices and papers contemplated in this Canon may be served by a summoner or summoners, to be appointed for the purpose by the Bishop, and whose certificate of such service shall be evidence thereof. In cases of service by any other person, the fact shall be proved by the affidavit of such person. A

*Canon XIX, XX, XXI.*

Written notice or paper delivered to a party, or left at his last place of residence, shall be deemed a sufficient service of such notice or paper—provided, however, that the service, if not personal, shall be a notice of at least sixty days.

Sec. 11. The accused may have the privilege of appearing by counsel; in case of the exercise of which privilege, and not otherwise, those who present shall have like privilege; which counsel shall in all cases be members of the Protestant Episcopal Church.

Sec. 12. The record of all proceedings upon a presentment of Clergyman, shall be preserved by the Standing Committee; and for that purpose shall, after final decision, be delivered to their secretary.

CANON XIX.

*Of the Chancellor of the Diocese.*

The Bishop may nominate for the approval of the Convention a person skilled in ecclesiastical and civil law to be the Chancellor of the Diocese, whose office shall be to act as legal adviser and counsellor to the Bishop, the Standing Committee, ecclesiastical courts and the Convention, when called upon to do so.

CANON XX.

*Of Parochial Limits.*

No Parish of this Church shall be organized in any town, city or village where one already exists, without the consent of the Bishop and Standing Committee of the Diocese, and no edifice for public worship shall be erected by said Parish within one-half mile of the Church building already in existence.

CANON XXI.

*Of the Retirement of a Minister from the Active Duties of His Office.*

Any Clergyman of this Diocese, in good standing who has reached the age of sixty-five years, and desires to retire from the active duties of the Ministry by reason of disability shall, on the recommendation of the Bishop, if in his judgment such Clergyman shall be in need of such pension, be entitled upon his retirement, to receive a pension of \$500 per annum, payable quarterly by the Treasurer provided he has been engaged twenty years in the work of the Ministry of this Diocese. The amount needed for such pension shall be added to the Diocesan Expense Fund.

On filing of such certificate in the office of the Clerk of the county so specified therein the Church Wardens and Vestrymen so elected and their successors in office, together with the Rector, when there is one, shall form a Vestry and shall be the Trustees of such Church or Congregation; and they and their successors shall thereupon, by virtue of this chapter, be a body corporate by the name or title expressed in such certificate, and shall have power, from time to time, to adopt by-laws for its government. Such corporation shall be an incorporated Church, and may be termed also an incorporated Parish.

Sec. 42. Corporate Trustees, Vestry; Powers and Duties Thereof—No meeting of the Vestry or Trustees of any incorporated Protestant Episcopal Parish or Church shall be held unless either all the members thereof are present, or three days' notice thereof shall be given to each member thereof, by the Rector in writing either personally or by mail, or, if there be no Rector or he be incapable of acting, by one of the Church Wardens; except that twenty-four hours' notice of the first meeting of the Vestry or Trustees after an annual election shall be sufficient, provided such meeting be held within three days after the election. To constitute a quorum of the Vestry or Board of Trustees there must be present either:

1. The Rector, at least one of the Church Wardens and a majority of the Vestrymen; or,
2. The Rector, both Church Wardens and one less than a majority of the Vestrymen; or,

3. If the Rector be absent from the Diocese and shall have been so absent for over four calendar months, or if the meeting be called by the Rector and he be absent therefrom or be incapable of acting, one Church Warden and a majority of the Vestrymen, or both Church Wardens and one less than a majority of the Vestrymen. But if there be a Rector of the Parish, no measure shall be taken, in his absence, in any case, for effecting the sale or disposition of the real property of the corporation, nor for the sale or disposition of the capital or principal of the personal property of the corporation, nor shall any act be done which shall impair the rights of such Rector. The presiding officer of the Vestry or Trustees shall be the Rector, or if there be none, or he be absent, the Church Warden, who shall be called to the chair by a majority of the votes, if both the Church Wardens be present; or the Church Warden present, if but one be present. At such meeting of the Vestry or Trustees each member thereof shall be entitled to one vote. The Vestry shall have power to fill a vacancy occurring in the office of a Church Warden or Vestryman by death, resignation or otherwise than by expiration of term, until the next annual election, at which, if such vacancy would continue thereafter, it shall be filled for the remainder of the unexpired term. If vacancies exist in the offices of Church Wardens or Vestrymen in such number that a quorum of the Vestry or Board of Trustees is not in office at any time, the Rec-

tor shall forthwith call a special election for the filling of such vacancies. If there be no Rector the Church Warden longest in office shall call such special election. Notice of such special election shall be read by the Rector, or if there be none, or he be absent, by the officiating Minister or by one of the Church Wardens, on the Sunday next preceding such election, in the time of divine service. If for any reason the usual place of worship of the Parish be not open for divine service on such Sunday, such notice shall be posted conspicuously on the outer door of the place of worship for one week next preceding the election. Such notice shall conform to that required for an annual election. The provisions of section forty-three of this chapter relating to annual elections shall apply to such special election, except as inconsistent herewith. Such vacancies shall be filled at such election for the remainder of the unexpired terms. The vestry may, subject to the canons of the Protestant Episcopal Church in the United States, and of the Diocese in which the Parish or Church is situated, by a majority vote, elect a Rector to fill a vacancy occurring in the rectorship of the Parish, and may fix the salary or compensation of the Rector.

Sec. 43. Annual Elections and Special Meetings of Incorporated Protestant Episcopal Parishes—The annual election of a Protestant Episcopal Parish, hereafter incorporated, shall be held on the secular day in the week commencing with the first Sunday in Advent, designated in its certificate of incorporation. The annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated shall be held on the day fixed for such annual election, by or in pursuance of law, or if no such date be so fixed, then on the Monday next after the first Sunday in Advent. Special meetings of any Protestant Episcopal Parish or Church heretofore or hereafter incorporated may be held on any secular day fixed by the Vestry. Notice of such annual election or special meeting shall be read by the Rector of the Parish, or if there be none, or he be absent, by the officiating Minister or by a Church Warden thereof, on each of the two Sundays next preceding such election or special meeting, in the time of divine service, or if, for any reason, the usual place of worship of the Parish be not open for divine service, the notice shall be posted conspicuously on the outer door of the place of worship for two weeks next preceding the election or special meeting. Such notice shall specify the place, day and hour of holding the election or special meeting. The notice of the annual election shall also specify the name and term of office of each Church Warden and Vestryman whose term of office shall then expire or whose office shall then be vacant for any cause, and the office for which each such officer is to be then elected. The notice of a special meeting shall specify the matter or question to be brought before such meeting, and no matter or question not specified in such notice shall be acted on at such meeting. The presiding officer of such annual or special meeting shall be the Rector of the Parish, if there be one, or if there be none, or he be absent, one of the Church Wardens elected for the purpose by a majority of the duly

qualified voters present, or if no Church Warden be present, a vestryman elected in like manner. Such presiding officer shall be the judge of the qualifications of the voters; shall receive the votes cast; and shall declare the result of the votes cast. The presiding officer of such annual or special meeting shall enter the proceedings of the meeting in the book of the minutes of the vestry, sign his name thereto, and offer the same to as many qualified voters present as he shall think fit, to be also signed by them. Only men of full age belonging to the Parish, who have been regular attendants at its worship and contributors to its support for at least twelve months prior to such election or special meeting or since the establishment of such parish, shall be qualified voters at any such election or special meeting. The action of an annual or special meeting upon any matter or question shall be decided by a majority of the qualified voters voting thereon. The polls of an election shall continue open for one hour and longer, in the discretion of the presiding officer, or if required by a vote of a majority of the qualified voters present and voting. The Church Wardens and Vestrymen shall be elected by ballot from persons qualified to vote at such election, and no person shall be eligible for election as Church Warden, unless he be also a communicant in the Protestant Episcopal Church, and no person shall be eligible for election as Vestryman, unless he shall have been baptized. At each annual election of an incorporated Protestant Episcopal Parish hereafter incorporated, one Church Warden shall be elected to hold office for two years, and one-third of the total number of Vestrymen of the Parish shall be elected to hold office for three years. At each annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated, two Church Wardens and the total number of its vestrymen shall be elected to hold office for one year thereafter, unless the term of office of but one Church Warden or of but one-third of its Vestrymen shall then expire, in which case one Church Warden shall be elected to hold office for two years, and one-third of the total number of its vestrymen shall be elected to hold office for three years. Each Church Warden and Vestryman shall hold office after the expiration of his term until his successor shall be chosen.

Sec. 44. Changing the Number of Vestrymen of Protestant Episcopal Parishes Hereafter Incorporated—If the Vestry of a Protestant Episcopal Parish, hereafter incorporated, shall, by resolution, recommend that the number of Vestrymen of such Parish be changed to either three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four Vestrymen, notice of such recommendation shall be included in the notice of the next annual election of such Parish, or in the notice of a special meeting to be held not less than six months before the time fixed for holding the next annual election thereafter, and be submitted to such annual or special meeting. If such recommendation be ratified by such meeting, the presiding officer thereof, and at least two qualified voters present thereat, shall

execute and acknowledge a certificate setting forth such resolution of the Vestry, the fact that notice thereof had been given with the notice of such annual election, or with the notice of such special meeting, as the case may be: that the meeting had ratified the same; and the number of vestrymen so decided on. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded, and such change in the number of Vestrymen shall take effect at the time of the next annual election thereafter. If the number of Vestrymen thereby increased, then, in addition to the number of Vestrymen to be elected at such annual election, one-third of such increased number of Vestrymen shall be elected to hold office for one year thereafter, one-third of such increased number shall be elected to hold office for two years thereafter, and one-third of such increased number shall be elected to hold office for three years thereafter. If the number of Vestrymen such change be reduced, such reduction shall not affect the term of office of any Vestryman duly elected, and at such annual election and at each annual election thereafter, one-third of such reduced number of Vestrymen shall be elected to hold office for three years.

Sec. 45. Changing Date of Annual Election, Number of Office of Vestrymen and Terms of Office of Church Wardens in Protestant Episcopal Churches Heretofore Incorporated—If the Vestry of a Protestant Episcopal Parish, before incorporated, shall, by resolution, recommend that the date of the annual election be changed to a secular day in the beginning with the first Sunday in Advent, or that the number of Vestrymen be changed to three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four, and that the term of office of the Church Wardens be changed so that one shall be elected annually, notice of such recommendation shall be included in the notice of the next annual election of the Parish, or in the notice of a special meeting to be held more than six months before the time fixed for holding the annual election thereafter, and be submitted to such a special meeting. If such recommendation be ratified at such meeting, the presiding officer thereof and at least two other voters present thereat, shall execute and acknowledge a certificate setting forth such resolution of the Vestry; the date of the notice thereof had been given with the notice of the annual election, or with the notice of the special meeting, as may be; that such meeting had ratified the same: the term of office determined upon for the annual election of the Parish; the number of Vestrymen so decided on; and the fact that the meeting determined to thereafter elect Church Wardens, so that the term of one Warden shall expire annually. Such certificate shall be filed in the office of the Clerk of the County. Sec. 16. Property of extinct churches. Such incorporated governing body may decide that a church, parish, or society in connection with it or over which it has ecclesiastical jurisdiction, has become extinct, if it has failed for two consecutive years next prior thereto, to maintain religious services according to the discipline, customs and usages of such governing body, or has had less than thirteen resident attending members paying annual pew rent, or making annual contribution toward its support, or in case of a parish of the Protestant Episcopal Church, if such parish has ceased for two consecutive years next prior thereto, to have a sufficient number of men qualified to elect or to serve as wardens and vestrymen therein, and may take possession of the temporalities and property belonging to such church, parish or religious society, and manage the same; or may, in pursuance of the provisions of law relating to the disposition of real property by religious corporations, sell or dispose of the same and apply the proceeds thereof to any of the purposes to which the property of such governing religious body is devoted, and it shall not divert such property to any other object. And for the purpose of obtaining a record title to the land and the church edifice, or other buildings thereon, by such incorporated governing body, the surviving trustee or trustees of said extinct church, or if there be no surviving trustee then a surviving member of said extinct church, may, without a consideration being paid therefor by such incorporated governing body, convey to it said land and church edifice, or other buildings thereon, subject, however, to an order of the supreme or county court based upon a petition reciting that said church has become extinct; the names of its surviving trustee or trustees, and the names of its members, who must have given their consent to the making of said conveyance. Upon the recital of said facts ~~in~~ said petition the court shall have jurisdiction to grant an order allowing said conveyance to be made without a consideration; and should there be no surviving members, as well as no surviving trustee of said extinct church, said petition may be made by an officer of such incorporated governing body, in which event the court, upon a recital of said fact, shall have jurisdiction to appoint a suitable person as trustee for the purpose of making said conveyance. Where a proceeding is instituted under this section for the sale of the real property of an extinct religious corporation, a compliance with subdivisions four, five, seven, eight and nine of section seventy-one of "An act relating to corporations generally, constituting chapter twenty-three of the consolidated laws," shall be unnecessary, and such proceeding shall be in all respects valid without a compliance with said subdivisions.

### **Mortgaging of Church Property.**

Sec. 12. Sale, Mortgage and Lease of Real Property of Religious Corporations—A religious corporation shall not sell or mortgage any of its real property without applying for and obtaining leave of the court therefor pursuant to the provisions of the Code of Civil Procedure. The Trustees of an incorporated Protestant Episcopal Church shall not vote upon any resolution or proposition for the sale, mortgage or lease of its real property unless the Rector of such Church, if it then has a Rector, shall be present, and shall not make application to the court for leave to sell or mortgage any of its real property without the consent of the Bishop and Standing Committee of the Diocese to which such Church belongs; but in case the See be vacant, or the Bishop be absent or unable to act, the consent of the Standing Committee, with their certificate of the vacancy of the See or of the absence or disability of the Bishop shall suffice. \* \* \* The petition of the Trustees of an incorporated Protestant Episcopal Church \* \* \* shall, in addition to the matters required by the Code of Civil Procedure to be set forth therein, set forth that this section has also been complied with. But lots, plots or burial permits in a cemetery owned by a religious corporation may be sold without applying for or obtaining leave of the court. No cemetery lands of a religious corporation shall be mortgaged while used for cemetery purposes.

#### REPORT.

To the Convention of the Diocese of Central New York:

Your Committee on Constitution and Canons, to whom the duty was given by the Convention of 1909, "to look carefully over all the Canons of the Diocese, to make such revision in phraseology, arrangements of sections, or amendments, as may be deemed advisable" (Journal of Convention, 1909, p. 35), which was given further time and continued power by the Convention of 1910 (Journal, p. 28), and was further charged, by the latter Convention, to consider and report on sundry proposed amendments to the Canons and Rules of Order (Journal of 1910, pp. 29-30, 33-34 and 36-37), beg leave to report:

They have given careful consideration to the whole matter, consulting those most interested in the several departments, and are of the opinion that but very few structural changes are required or justified. They do consider, however, that it is wise, at this time, when the whole matter is before the Convention—

First—To renumber the Canons, to establish a more logical order, for greater convenience of reference.

---

*Journal.*

---

Second—To make several minor changes in phraseology, for closer conformity to the law of the State of New York, the General Canons of the Church and those of the Diocese, and a few, for greater efficiency in the administration of existing Canons; and,

Third—In response to an apparent desire of the Convention and the formally expressed desire of the Bishop and Board of Managers for Diocesan Missions, to advise the adoption of one new Canon and amendments to two or more others, viz., the Nomination and Election of Officers, the Organization of Missions and Defunct Parishes, and the Financial Administration of the Missions of the Diocese.

These recommendations will be found in the subjoined section of the report marked "Section A." We trust that the reasonableness of these changes will appear on a careful reading of the report, and as they are so numerous as to be somewhat confusing we have appended a section, marked "Section B," containing a copy of the Canons and Rules of Order, as they will appear if the recommendations of this Committee be approved by this Convention.

The changes recommended are embodied in the resolutions of Section A of this report.

Respectfully submitted.

JOHN A. STAUNTON,  
A. RANDOLPH B. HEGEMAN,  
CHARLES ANDREWS,  
J. T. A. DOOLITTLE.

**CANON VI.**

Resolved, That a new Canon, to be numbered Canon VI, be adopted by this Convention, to read as follows:

**CANON VI.****Of Organized Missions, and of Extinct Churches.**

Sec. 1. The Annual Report shall also indicate all the additions to the list of Communicants during the past year, as well as the losses by death, removal, repulsion or suspension, as required by Section III, Canon 16, and Section I, Canon 48, of the Canons of the General Convention. It shall also contain, in addition to the value of Churches and Rectories, the amount of insurance thereon. Under the head of Rector's Salary and Current Expenses shall be included salary of ministers, choir expenses, wages of sexton, fuel and light. Endowments and the income therefrom shall be separately reported and the purpose for which said incomes are used.

Sec. 5. In every case where a Parish or Mission is destitute of a Minister, the Register contemplated by this Canon shall be kept by the Wardens, or by some person appointed by the Vestry or Executive Committee, whose duty it shall also be to prepare and forward to the Bishop the Annual Parochial Report.

Resolved, That Sections 6 and 7 of Canon VII (XIV) be and they are hereby repealed; and that, instead of them, there be added as a foot-note at the foot of the page (Section I of Canon 40, of the Canons of General Convention) the provisions relating to Communicants removing from one Parish to another, as follows:

The Rev. H. E. Hubbard presented the following:

REPORT OF THE DIOCESAN COMMITTEE ON GENERAL MISSIONS.

The committee appointed January 6, 1911, to take up the matter of General Missions in the Diocese, both as to the Apportionment and the additional known as the Forward Movement Fund, begs to report as follows: The committee was at once divided, with the advice of the Bishop, into five sub-committees, of two each, in charge of the five Districts of the Diocese, and those sub-committees have been diligently at work trying to secure the co-operation of the Rectors and Vestries of the different Parishes of the Diocese and to understand the conditions in each Parish. Besides this we have offered our assistance in any way possible to any Parish desiring it. In making up our report we have put the Parishes of the Diocese into four classes:

Class I—Those Parishes that have paid their assessment in full, and perhaps have done or promised to do something for the Forward Movement.

Class II—Those Parishes that have pledged themselves to pay, their assessment in full before September 1, 1911, and perhaps do something for the Forward Movement.

Class III—Those Parishes that have done something toward their assessment or have promised to do all they can toward it.

Class IV—Those Parishes that have made no reply to the efforts of the committee, or have utterly refused to do anything for General Missions, either because of financial difficulties, lack of interest or the like.

While we have done something by becoming acquainted with the difficulties and desires of each Parish, much more might be accomplished by a committee in the way of furnishing speakers with definite data on Missions to supplement the work of the District Secretary, whose field is so large he cannot give the individual atten-

tion needed, and of personal visitations made by the members of the committee to the Mission Stations served by Lay Readers.

We would suggest that meetings be held in the interest of General Missions in various centers easily accessible to other Parishes, at which meetings Missionaries from the field be secured as speakers.

The committee would offer the following resolution:

*Resolved*, That there be in the Diocese of Central New York a Permanent Missionary Committee, consisting of fifteen members. Included within this committee shall be the eight delegates to the Missionary Council of the Second Department. The remaining seven members of the committee shall be appointed by the Bishop. This committee, co-operating with the Bishop and the Department Secretary, shall have full charge of all the General Missionary interests of the Church in this Diocese.

# The Bishop's Address

To the Forty-third Annual Convention.

---

*Dear Brethren of the Clergy and of the Laity:*

Grace be unto you and peace from God our Father and from the Lord Jesus Christ!

An unusual number of our American Bishops have passed to their rest since our last Convention, viz, the Rt. Rev. Doctors Williams, of Japan, Whitaker, of Pennsylvania, Paret, of Maryland, Atwill, of Kansas City, McVickar, of Rhode Island, Vinton, of Western Massachusetts, and Holly, of Haiti. Bishop Holly was a colored man, not technically a Missionary Bishop of this Church, nor a member of our General Convention; but he received his Orders from us, and was in close connection with us.

Of our own diocesan Clergy two have died during the year, the Rev. Archibald L. Reed, who had recently come to us from Canada, and was engaged as Assistant at St. Paul's, Syracuse; and the Rev. James H. Kidder, Rector of St. Paul's, Owego. Mr. Kidder had been in that same parish more than forty-two years, and was a man of strong character and good learning. He was quite infirm during his last years, and not able to do much active work, and finally became Rector *emeritus*. And I feel that it is no more than just to call attention to the very considerate treatment which Mr. Kidder received from his parishioners at that time, which is generally so trying to the aged Minister. He was allowed to remain in the comfortable rectory, and his salary was paid until he received the diocesan pension. Here is a good example which all our parishes would do well to pattern after.

Of the faithful laity we have lost, from Watertown, Mr. John M. Tilden, Mrs. E. L. Knickerbocker, Mrs. Olivia Meigs, and Miss Usher; from Syracuse, Mrs. Jos. M. Clarke, Mrs. Caroline O. Reals, Mrs. F. H. Barth; from Utica, Mrs. Emma J. Irish, Miss Maria L. Trow-

bridge, Mrs. Geo. Woodland and Miss Anna M. White; from Binghamton, Mrs. Hyde; from New Berlin, Mrs. Elizabeth Arnold, and her daughter, Mrs. Elizabeth A. Wright; from Rome, Mrs. Mary E. Allen; Mrs. McNulty, of Interlaken; Mr. Chas. L. Hoskins, of Seneca Falls; Miss Julia E. McIntosh, of Cayuga; Mr. Wm. M. West, of Hamilton; Mrs. C. M. Kimball, of Oriskany Falls; Mr. Eugene Diven, of Elmira; and from Pulaski, Mrs. E. J. Paul, and Mrs. S. E. Pierrepont Hill. Of these Mr. Tilden was well known as Vestryman and Warden of Trinity Church, Watertown, and Treasurer of the Convocation of the First District. Mrs. Knickerbocker was for several years Diocesan President of the Woman's Auxiliary; and Mrs. Irish, Mrs. Paul, Mrs. Clarke and Mrs. Allen were widows of Clergymen formerly connected with the Diocese. Let us thank God for the good examples of all these, His servants, and pray that we, with them, may be partakers of His everlasting Kingdom. Amen.

Letters Dimissory have been given during the year to the Rev. John T. Lewis, to Florida; the Rev. Messrs. Newton and Metcalf, to Western New York; the Rev. D. W. Bland, to Cuba, the Rev. G. A. Shaw, to Long Island; the Rev. E. B. Mott, to Los Angeles; the Rev. Messrs. H. S. Longley and F. Welham, to Chicago, and H. H. Gillies to Maine.

By transfer to this Diocese we have received the Rev. Messrs. H. W. Little, Sidney Winter, William D. Manross, Geo. C. Groves, Jr., H. H. Gillies, Angus M. Porter, Francis Yarnall, Romeo Gould, Priests; and the Rev. William A. Nichols, Deacon.

My official acts since the last Convention have been as follows:

I attended throughout the session of the General Convention in Cincinnati, in October, 1910, at which I voted for the Rt. Rev. Arthur S. Lloyd as President of the Board of Missions; and for the election of the following Missionary Bishops, viz., the Rev. Louis C. Sanford, for the District of San Joaquin; the Rev. Francis L. Hawks Pott, D.D., for the District of Wuhu, China; the Rev. Julius W. Atwood, for the District of Arizona; the Rev.

Theo. P. Thurston, for Eastern Oklahoma; the Rev. Edw. A. Temple, for North Texas; and the Rev. Geo. A. Beecher, for Kearney, in place of Bishop Graves, resigned.

I have given my canonical consent to the consecration of the Rev. Jas. DeWolf Perry, Jr., as Bishop of Rhode Island, and of the Rev. Rogers Israel, D.D., as first Bishop of Erie; and to the translation of the Rt. Rev. Sidney C. Partridge from the Missionary District of Kyoto, Japan, to be the Bishop of the Diocese of Kansas City.

I have baptized three adults and three infants. 1,100 persons have been confirmed, eight of them by the Bishop of Missouri, and I have received fifteen from the Roman Church, making a total of 1,115 added to the list of communicants. Officiated at 7 funerals. I have ordered as Deacons Messrs. W. Frank Allen, Walter A. Render, Geo. A. Perry and Ray Wootton, and have advanced to the Priesthood the Rev. Walter A. Render and Wm. A. Nichols. Messrs. Robert J. Parker, Harry T. Morrell, Howard F. Bailey, John Lyon Hatfield, Elmer J. Bailey, John M. Francis, Lee Lester Rose, Donald C. Stuart, Arthur Thomas Gwynn and Harry F. Rockwell have been received as Postulants, and Messrs. E. J. Hooper, J. A. Springstead, C. H. L. Ford, Raymond Lawrence, G. St. J. Rathbun, and C. W. Arthur have been admitted as Candidates for Orders.

I laid corner-stones of St. John's Church, Elmira Heights, St. John's Church, Phoenix, and of the Parish House of St. Andrew's, New Berlin; and officiated at the formal opening of the Parish Houses at Oriskany Falls, Cortland and New Berlin, also at the Benediction of new Altar and reredos in St. Peter's, Auburn; at the dedication of the G. F. S. Vacation House of this Diocese at White Lake; the installation of a memorial organ at Trinity, Boonville; the unveiling of a memorial tablet in the House of the Good Shepherd, Utica; attended Conference on Missions in Richfield Springs last summer, and the Bi-Centenary of the Church of England in Canada and opening of All Saint's Cathedral, in Halifax, N. S., in September. I have addressed the Men's Club of St. George's Church, the Diocesan Church Club in

Calvary Parish House, the Men's Bible Study Club of Y. M. C. A., the Junior Auxiliary at Trinity Church and the Women's Missionary Jubilee in Grace Church, all in Utica, and preached before the Diocesan Conference of B. S. A. in St. John's Church, Ithaca. I also had the pleasure of opening with a celebration of the Holy Communion on Easter Day the new St. John's Church, at Phoenix.

The forward movement which the Church is making in the matter of missionary effort was strongly emphasized by the election of that unusually large number of Missionary Bishops, whose names I have just read; and also by the reorganization of the General Board of Missions which was accomplished at the General Convention last fall. The affairs of the Board are no longer under the charge of a General Secretary, but it has a Bishop for its President, and its membership has been made more thoroughly representative of the whole country. Churchmen in the West and South can no longer complain that all the power of the Board resides in or near New York; but their own men can now attend its meetings and have a voice and a vote in its deliberations and decisions; and we are happy to know that up to this time the new plan has worked satisfactorily. You have all heard the message sent out by the new Board to the whole Church last winter, asking for the appointment of diocesan and parochial committees, to carry on a man to man canvass, to reach and secure offerings from every individual member of the Church. It is now suggested that we adopt the so-called "Chicago Plan," according to which the diocese requires by Canon the election of a Missionary Treasurer in each parish, or congregation, who shall have charge of, and give special attention to, all missionary offerings in each Church. We are also informed by the President of the General Board that it has been decided hereafter to put together in one apportionment all the offerings, whether from the congregation, the W. A., or the Sunday School. Heretofore, as you know, these have been kept separate, and different apportionments were made to each of those sources of help. The new method will increase the amount of apportionment to each parish, of course; but instead of its

---

all being raised by the congregation, the Sunday School and W. A. can both be brought in, and the people of the parish themselves may decide from which the greatest amount shall come. We are glad to know that some improvement has been made by our people in meeting the apportionment for the current year, and we trust when the year is up to have the happiness of being counted among the dioceses that have met the requirement.

With regard to the work of the Diocese in general, I think we have reason to be encouraged. We have made some progress in the extension of the Kingdom, lengthening its cords and strengthening its stakes. Three self-supporting parishes have been some months without Rectors, and two or three more mission fields have had chiefly lay services for nearly a year. Two of the parishes do not offer living salaries to men with families, and unmarried men are difficult to secure; while the mission fields are rather too burdensome, except for men who are hard pushed for work, or for Deacons, whom the Bishop can send where he thinks best. But we are by no means so badly off in these respects as some other dioceses often are; and on the whole, with the help of the Archdeacon and some efficient Lay Readers, our services have been quite well sustained at almost every point. But here let me say that the maintenance of religion in the villages and rural districts in these days, is a matter which calls for very earnest consideration. It is a well known fact, that while we occasionally start a new mission, and even build a new Church, in some village where we had no foothold before, the village Churches which were founded fifty years ago and more are not, as a rule, so strong and active as they once were, and in some cases are almost run out. This is owing in a measure, of course, to the tendency of the people to flock into the cities, giving up work on the farms and seeking employment in the crowded communities. But this is not the only reason. There are still a good many people living in the country, quite enough, no doubt, to fill the Churches, if they would come to them; but there has been a decline of the religious spirit, and consequently of the religious habit, among them. The habit of regular religious worship which prevailed a generation

---

*Bishop's Address.*

---

or two ago, has been given up by many of those now living, and the worst of it all is that the children are growing up with little or no religious instruction. Now, of course, we who know history are well aware that this is only a passing phase of religious deterioration, and that in a generation or two there will be a return to the knowledge of Christ. The unbelievers presume to boast that the Church is overthrown; but we need only send such people back a few thousand years to the prophet Elijah, and let them talk with him, and he will tell them what a rebuke he got from the Lord Himself for imagining that he alone was left faithful in Israel, and that it was all over with the work of God. And we too may inquire of the same Prophet, and learn how he took steps at once to improve the state of things which he had supposed to be hopeless. There is no place for despair in the Church of God. In the matter of which we are speaking it may not be easy to say just what is the best method of reaching the children in the country; but it occurs to me that the Clergy and lay people in our village Churches might undertake more extensive visitations in their respective neighborhoods, and see what can be done in the way of local Sunday Schools, held possibly in farm houses, and possibly here and there in district school houses, if permission could be obtained; gathering the children in little flocks and teaching them something from the Catechism and the Bible. Here would be a fine opportunity for the lay people to help—the men can lend their teams, and in some cases even their automobiles, to carry visitors about from house to house; and both men and women can engage in visiting and in teaching. “Where there is a will there is a way,” is a saying that is just as true in the work of Christ as in anything else that people want to do, and I commend this matter to you as worthy of your serious consideration.

You will remember that in my last Convention address I recommended the providing of a house or hall of some kind in the city of Ithaca, whereby the influences of religion might be brought to bear upon the students in Cornell University who come from families connected with this Church. A committee was appointed in the matter which has held several meetings during the year,

---

and the result has been the organization of a local Board in Ithaca, consisting largely of members of the University Faculty, who will have direct charge of the whole undertaking. These gentlemen have manifested much interest in the plan, and have issued an appeal to Alumni and other Churchmen for financial assistance. It has seemed to them that the best method in starting the work, is to rent a house for temporary use, in which a certain number of students can be lodged, and a still larger number provided with meals; where there shall also be a large common room for reading and social intercourse. This will make the house in a measure self-supporting, and afford a centre or gathering place, under the supervision of some man of influence among them; and then, when sufficient funds shall have been secured, a permanent building can be erected, which can be specially arranged to accommodate the whole work. There is some money already in hand, and any contributions which may be sent in will be gratefully received. When the permanent house shall be obtained, it is proposed to make it a memorial of Bishop Huntington. It is expected that the temporary house will be open and ready for use at the beginning of the next term in the autumn; and we trust that before long we shall be able to secure the service of a Clergyman, who may live in the house and serve as pastoral worker among the students in general.

I referred last year to the cause of unity and peace in the Church, and I trust we may feel that the events which have since transpired, have helped to promote that cause among Christian people. And now our thoughts are more particularly directed to the promotion of perpetual peace among the nations of the world. O blessed consummation! would that it might be! When one allows his mind to dwell on what war really is,—its barbarism, its savagery, its cruelty, its excruciating torture, its wastefulness and wanton destruction, one stands absolutely amazed at the spectacle of human beings engaging in it. How is it that men have taken such delight in it? How is it, above all, that Christians have not long ago made some serious and determined effort to apply the principles of their Master to national quarrels as well as to personal ones? For the same reason, no doubt, that

---

*Bishop's Address.*

---

they have failed to apply the principles of individual and personal honesty to corporate commercial transactions. "Corporations have no souls," it is contended, and consequently they need have no consciences, and for a somewhat similar reason, perhaps, it has been supposed that nations need have no Christian principles. Surely the time past, with its terrible record of blood and suffering ought to suffice us for such foolishness. The same divine teaching which has proved beneficial for men in their dealings one with another, is applicable to the dealings of races and peoples and nations. "If thy brother sin against thee go and tell him his fault"—that is Christ's own rule of arbitration, and since two of the greatest nations on the face of the earth have twice put it into operation, and in the midst of their close and constant relations with each other, have thereby avoided war for 100 years; certainly other nations can do the same thing. It is barbarous to suppose that national honor can be more completely conserved by the murder of 10,000 people and the humiliation of the enemy, than it can by arbitration and the gentlemanly yielding of certain points, which are perhaps rather matters of pride, after all, than of vital concern to the dignity and welfare of the nation. Let us, then, labor and pray for peace in the world as well as in the Church; for unless we do that we do not serve the Prince of Peace with full and whole-hearted obedience.

You are aware, no doubt, that I am responsible for certain articles that have recently appeared in "The Gospel Messenger" concerning the salaries of the Clergy. It is a topic which has aroused attention in many quarters, and some of our dioceses have taken action in the matter, fixing a minimum below which the salary must not fall, and generally including a house. It is a good example to follow. One still hears occasionally the expression, "hiring a minister," and the idea is quite prevalent that what is given to his support is a gift of "charity." Is not pew rent as much for the convenience and comfort of those who occupy the pew, as house rent is for those who live in the house? Is it fair to count such expenditures among one's "charities?" And even if the pews be free, and the Church be supported from what are "vol-

---

*Bishop's Address.*

---

untary offerings," does not the minister's salary come out of those offerings? And to whom do those offerings belong? They most certainly belong to God, having been offered to Him by His worshippers—so that St. Paul's words are thereby illustrated and verified: "Let a man so account of us as ministers, or servants, of Christ, and stewards of the mysteries of God," and "that Christ has ordained that they who preach the Gospel should *live of the Gospel*." Out of that which the people first give freely to God comes the living of those who are His ministers and stewards of His mysteries. Let us put away, then, the unworthy idea that the Clergy are hirelings of human corporations, and as such can be ground down to the lowest wage which their needs may force them to take; and look upon them, as they are, the servants of Christ, who minister for us about holy things, and are deserving of at least a comfortable support.

**REPORT OF FIRST MISSIONARY DISTRICT.**

(Jefferson and Lewis Counties.)

The officers of the district are: The Very Rev. Francis W. Eason, Dean; the Rev. Theodore Haydn, Secretary; Mr. Eli W. Herrick, Treasurer; the Rev. Walter E. Cook and Mr. Eli W. Herrick, Representatives to the Board of Managers.

There are 29 organized Parishes and Missions. One of these, however, Alexandria Bay, has not been under the care of any Missionary of the District for several years, although special services are maintained there in the summer by the Board of Trustees. At four other points services have been held during part of the year, viz., Depauville, Mannsville, Millen's Bay, and Black River, at which latter place St. John's Mission has been organized. The only Parishes which have not received stipendiary aid during the past year are Trinity Church, Watertown; Trinity Church, Lowville, and Zion Church, Pierrepont Manor.

The Rev. Wm. A. Braithwaite continues in charge of Emmanuel Church, Adams; St. Paul's, Fredericks, and Christ Church, Ellisburgh, and has regular services in all these places.

During the year the Rev. Mr. Edgar relinquished the cure of Antwerp, Evans Mills, and Great Bend, and assumed charge of the Missions in Copenhagen and Champion. St. Paul's, Antwerp, and St. Andrew's, Evans Mills, have since been supplied with services by Mr. Fred J. Davis, a licensed Lay Reader. Services have been provided in Great Bend by the Rev. Mr. Feary of Carthage.

The Rev. Walter E. Cook continues in charge of St. John's, Cape Vincent, and the Mission at Millen's Bay, and reports regular services at these places.

The Rev. Theodore Haydn continues in charge of Christ Church, Clayton, and St. Paul's, LaFargeville, and has held services continuously in this field: also during the summer of 1910 in the village of Depauville.

The Rev. T. Ainslie Stevenson resigned charge of St. Paul's, Constableville; St. Mark's, Port Leyden, and Trinity Church, Greig, on February 1st. He is still residing in Constableville, and has held occasional services in that Parish since the date of his resignation.

The Rev. Grant P. Sommerville, D. D., continues in charge of Christ Church, Sackett Harbor, and All Saints', Dexter. No report has been received from him, but services have been regularly maintained at these points during the past year.

The Rev. L. A. Davison continues in charge of St. James', Theresa, and St. Peter's, Redwood. The Secretary has not received his annual report.

The Rev. George A. Perry was appointed to the charge of the Church of the Redeemer, Watertown, and St. Paul's, Brown-

*Missions of the Diocese.*

ville, on March 1st, and reports that since this date he has carried on services in these places continuously.

The Rev. David C. Huntington of St. Paul's, Watertown; has charge of the Olin Memorial Church at Glen Park, and has instituted new work at Black River, and reports regular services at these points.

The Rev. Geo. E. Edgar is in charge of Grace Church, Copenhagen, and St. John's Church, Champion, and reports services held with regularity, except during the winter months, when the roads to Champion were impassable.

Trinity Church, Lowville, is still vacant.

The many vacancies and changes have not been conducive to progress in the District, and the steady flow of youthful vigor from the country to the city keeps the membership of the country Missions often at a standstill.

The Treasurer's report follows:

(N. B.—The amounts reported as received include several sums forwarded since May 1, applying on last year's assessments. The assessment at Alexandria Bay was repudiated by the Treasurer of that Parish, and the matter turned over by the vote of Convocation, at the request of the Archdeacon, for his adjudication. The deficit at Pierrepont Manor will, according to promise made by the Archdeacon to the Convocation, be paid from the income of endowments of that Parish.)

**SECOND DISTRICT.**

(Onelda County and Part of Madison County.)

The officers of the District are: The Rev. Octavius Applegate, Acting Dean; the Rev. Jesse Higgins, Secretary; Mr. J. Francis Day, Treasurer; the Rev. W. R. McKim and Mr. Walter S. Crocker, members of the Board of Managers.

The Mission Parishes and Stations are: In Onelda County, Augusta, Oriskany Falls, Boonville, Forestport, Bridgewater, Clayville, Chadwicks, Camden, Paris Hill, Whitesboro, Westmoreland, Oriskany, New York Mills, Holland Patent, Trenton, Deerfield, and St. Joseph's, Rome: in Madison County, Brookfield and Earlville.

Four meetings of Convocation have been held: In June, at St. George's, Utica; in October, at Whitesboro; in January, at St. Andrew's, Utica; in April, at Oriskany Falls.

The Rev. J. J. Burd reports for St. Paul's Mission, Deerfield, the work about as heretofore. No immediate prospects of growth. Attendance good in winter, especially during Lent. Two confirmed, fourteen made Easter communion.

The Rev. D. W. Bland gave up the charge of Trinity Church, Camden, in September, to take work as a Missionary in Cuba. The Rev. Geo. D. Ashley, former Rector, having been completely restored to health, resumed his former charge, to the great satisfaction of the people.

The Rev. Oliver Kingman has continued in charge of St. Paul's, Holland Patent, and St. Andrew's, Trenton.

The Rev. J. B. Wicks, the venerable Missionary at St. Paul's, Paris Hill, felt compelled by age and infirmity to retire from active work last June; but he has been so far reinvigorated as to once more take charge of his beloved flock on April 1st. He reports attendances good and assessments fully met.

The Rev. C. J. Lambert continues in charge of Grace Church, Earlville.

When the Sauquoit Valley Missions were left vacant by the departure of the Rev. Geo. O. Eskins last summer, the Rev. F. S. Eastman, Rector, of New Hartford, was placed in temporary charge, until the services of the Rev. H. D. B. MacNeil were secured. Under the new Missionary the work at Chadwicks is in every way encouraging. The conditions at Clayville and Bridgewater remain unchanged.

The Rev. A. J. Schrader continues in charge of St. John's, Whitesboro. He has relinquished the work at New York Mills, and taken up instead the duties at Westmoreland.

The Rev. J. T. Lewis gave up the work at Good Shepherd, Oriskany Falls, and St. Andrew's, Augusta, in June last. The place was temporarily filled by the Rev. J. O. Ward. The Rev. W. A. Nichols was placed in charge September 1st. He reports increasing interest in both places. In Oriskany Falls the attendance has more than doubled. Nine have been baptized, ten confirmed, and six received by transfer. The Parish house, built by Rev. Mr. Lewis, is in constant use, and is a most valuable asset in the work. There have been given to the Parish Eucharistic lights, vesper lights, altar cross, processional cross, piano, small pipe organ, altar vestments and communion linen. In both places the increased apportionment has been met.

The Rev. F. C. Smith, so long in charge of Trinity, Boonville, and Christ Church, Forestport, reports no items of special interest.

In September the Rev. A. W. Allen was obliged, on account of prolonged ill health, to give up his work at St. Joseph's, Rome, and St. Peter's, Oriskany. The work at Oriskany was placed in charge of the Rev. J. Otis Ward, and New York Mills was added to it. The work of the Missionary is acceptable, and both places are doing as well as conditions admit.

After an absence of two years the Rev. A. L. Byron-Curtiss returned last October to St. Joseph's, Rome, which had been his charge for fourteen years. The influx of foreigners and work on the Barge Canal has caused some parishioners to move, but the work continues to flourish. He reports 360 calls, 11 confirmed, 23 baptized, 5 marriages, 10 burials, 6 churchings. Children catechised regularly as directed in Prayer Book. "The ministrations of the Pastor are as extensive as at any time in the history of the Parish."

At St. Timothy's, Brookfield, services have been conducted regularly, as in former years, by the Archdeacon and the Chenango County Missionary.

Heights, Horseheads; Emmanuel, Elmira: Millport, Van Etten, Wellsburg; Chenango County, Afton, Guilford, McDonough, Mt. Upton; Tioga County, Candor, Smithboro, Spencer and Waverly.

The most important event in the District during the year was the removal of Dean Longley from Christ Church, Binghamton, to Evanston, Ill., and the appointment of the Rev. A. R. B. Hegeman of Trinity Church, Binghamton, as Dean.

Another clerical change has been the appointment of the Rev. E. C. Hoskins to take charge of Harpursville on the retirement of the Rev. Mr. Kirkland.

The Missionary at Candor and Spencer, the Rev. John H. Wilson, reports continued success at Candor. The Mission has met all its obligations.

The Rev. David H. Weeks has carried on aggressive work at Elmira Heights, and the church has been completed and opened for services. The basement admits of parochial activities, which have been a feature in the work of the year. Big Flats has responded during the year and given encouragement to the Missionary.

Emmanuel, Elmira, is trying to pay its indebtedness and made a slight reduction during the year. The Rev. N. S. Boardman, who also has charge of Millport, reports that the work is maintaining itself and the interest manifested is an encouragement.

The Rev. Charles T. Raynor of Waverly reports several improvements in church property, so that there has been a continued advance in this line. The Rector maintains his church paper as a factor in his work.

The three meetings of Convocation of the year were held at McDonough, Good Shepherd, Binghamton, and St. Paul's Owego.

Report of the work of St. Paul's Mission, Endicott, from June 1st, 1910, to May 1st, 1911, the Rev. W. Frank Allen in charge: Beginning June 1st, 1910, the services have been held in a moving picture theater. During these 11 months, 49 Sunday services were held, with a steadily increasing attendance. On September 25th we changed from an afternoon to a morning service, and the result has been better. During Lent we held seven cottage services, with special preachers. Holy communion has been celebrated twice by Rev. A. R. B. Hegeman.

The Mission has been given three fine lots, valued at \$1,800, to be used for church purposes. We are planning to build and equip a chapel to cost \$2,000 this summer. The funds will be available for this, as the people are interested. The work is growing and is bound to be a success, as the whole town is booming. It is hoped that the Board will look with favor on this work, as there is a fine opportunity in Endicott.

**FOURTH DISTRICT.**

(Onondaga, Oswego and Cortland Counties and the Townships of Madison County Not Included in the Second District.)

Officers: Dean, Rev. John T. Rose; Secretary, Rev. Rozelle J. Phillips; Treasurer, Mr. Charles L. Behm. The Executive Committee consists of the above officers, together with Rev. Herbert S. Coddington, D. D., Rev. James Malcom-Smith, Rev. James Empringham, Rev. Richmond H. Gesner. The Secretary and Treasurer of this District are the elected members of the Board of Managers.

Mission Stations: Altmar, Canastota, Chittenango, Cleveland, Constantia, East Onondaga, East Syracuse, Jamesville, Lacona, Memphis, Mexico, Onondaga Indian Reservation, St. John's, Oswego; Phoenix, Pulaski, Redfield, St. Philip's, Syracuse; Warners. Of these St. John's, Oswego, and the Church of the Good Shepherd, Onondaga Reservation, do not receive stipends from the District.

Meetings, three: First, June 2, 1910, St. Paul's Parish House, Syracuse, N. Y.; second, October 25 and 26, 1910, Christ Church, Oswego, N. Y.; third, May 2 and 3, 1911, St. Paul's Church, Syracuse, N. Y.

Altmar, St. John's—Missionary, Rev. George A. Perry. The Rev. Mr. Perry remained in charge until March 1, 1911. Services were held regularly.

Lacona, Emmanuel—Missionary, Rev. George A. Perry. Services were conducted by Rev. Mr. Perry up to March 1, 1911.

Canastota, Trinity—Missionary, Rev. James C. Munson. Regular services have been held on Sundays and holy days. The Lenten services as well as the Easter services were well attended. A Junior Guild has been organized and is doing splendid work. The Diocesan Mission assessment has been paid.

Chittenango, St. Paul's—Missionary, Rev. James C. Munson. Regular services have been held on Sundays and holy days, with special services during Lent. The number of communions made at the 8 a. m. service Easter was the largest in the history of the Parish. All assessments have been paid. A splendid gas plant has been installed in the church. The members of the Sunday School are most regular in attendance.

Jamesville, St. Mark's—Missionary, Rev. William B. Rogers. The report of the Missionary shows continued interest and loyalty on the part of a small congregation. The assessment for Diocesan Missions has been paid.

East Syracuse, Emmanuel—Missionary, Rev. Ray Wootton. Through the efforts of the Mothers' Guild and other members of the congregation the interior of the church has been thoroughly renovated. A new carpet has been put in. Six people

were confirmed. The Sunday School averages about 30 and the congregations are good. Sunday evening services are held for the benefit of the men employed on the railroad.

Cleveland, St. James'—Missionary, Rev. Thomas Stafford. During the past year, owing to the shutting down of the Window Glass Factory, there has been a large falling off in membership. Notwithstanding this, progress has been made and all Missionary assessments, General and Diocesan, have been paid.

Onondaga Castle, the Good Shepherd—Missionary, Rev. William D. Manross. There is a good attendance at all the services of the church, and at High Festivals the church is crowded. The outlook is very good.

Mexico, Grace—Missionary, Rev. E. G. Burges Browne. The duplex envelope system has been adopted. Services have been regularly maintained every other Sunday, and there was a mid-week service during Lent.

Pulaski, St. James'—Missionary, Rev. E. G. Burges Browne. There has been a loss this year through deaths and removals. Services have been maintained on alternate Sundays. By the will of the late Mrs. Sarah Evelyn Pierrepont Hill, \$2,000 was given as an endowment, the interest of which is to be used for the Rector's stipend and current expenses. Through the adoption of the duplex envelopes there has been an improvement in the finances of the church. Through the efforts of the Ladies' Guild the mortgage on the rectory has been reduced in three years from \$900 to \$125.

Redfield, Emmanuel—Lay Reader in Charge from June 19, 1910, to September 11, 1910, Cedric Charles Bentley. During this period three were baptized and six were confirmed. The congregations rose from 6 to 56. The Sunday School gave \$1.82 for General Missions.

St. Philip's, Syracuse—Rev. H. G. Coddington, D. D., in charge. During the past year most of the services have been conducted by the Rev. Ray Wootton and Mr. H. T. Morrell, Postulant. The interest of the congregation has been maintained. Three persons have been confirmed and all the assessments have been paid. A Sunday School is an important part of the work. An effort is now being made to secure a colored Deacon, for whose support the Syracuse Parishes have agreed to make additional contributions. The congregation worships in a dwelling house, 209 Almond street, which has been fitted up for use as a temporary church. A permanent structure, with rooms for social gatherings, is much needed.

Memphis, Emmanuel—Missionary, Rev. Burnett T. Stafford. Regular services have been held during the year. Attendance has varied. Lent was a most profitable season. A new bell is about to be put up, for which the greater part of the funds

---

came very freely from outside people. All obligations have been met.

Warners, St. Paul's—Missionary, Rev. J. Malcom-Smith. Regular services have been maintained during the year, the Holy Eucharist being celebrated at 7:30 a. m. on the last Sunday in each month. The Rev. W. F. Mayo, O. H. C., conducted a Day of Devotion during Lent at the Bishop's invitation. One person was confirmed. The people of St. Paul's Mission continue loyal, faithful and generous.

Constantia, Trinity—The Rev. G. C. Wadsworth in charge. The Archdeacon of the Diocese opened old Trinity Church, Constantia, which had been abandoned for about twenty years, and held a service in 1908. Later he called the people together and held a service at the residence of Mr. Geo. F. Scriba, which was well attended. The Bishop of the Diocese, the Rt. Rev. Charles T. Olmsted, D. D., D. C. L., arranged to have a slate roof put on the church, but upon investigation it was found that the timbers were so badly decayed that a great deal of repairing would have to be done before the slate could be placed. This was done under the direction of Mr. Geo. F. Scriba, who advanced the money to pay for material and labor, amounting to about \$140. The slate roof, which the Bishop had placed on the church as soon as these repairs were completed, cost \$141.75. After much delay on the part of the workmen and the contractors it was thought that the building was in shape for divine service. The Archdeacon, accompanied by the Rev. Geo. C. Wadsworth, Rector of Zion Church, Fulton, visited Constantia June 7, 1910, and made arrangements for an Episcopal visitation. Accordingly, on the 18th of June the Bishop of the Diocese, accompanied by the Rector of Fulton, opened the church and held a service in the evening at 7:30. This was the first Episcopal visitation since 1883. The following morning the Holy Communion was celebrated in the church by the Rev. Mr. Wadsworth, the first time it had been celebrated there, he was told, in about twenty years.

The Bishop having placed the work under his charge, Mr. Wadsworth held a service every Sunday evening thereafter from the first Sunday in July to the second Sunday in September. Several were baptized and a small class presented the Bishop at his second visitation in September. Until the last Sunday in October Mr. Fred J. Davis of Whitesboro read service in Constantia, but the weather grew so cold that he could no longer conduct services, though he and his brave little flock shivered heroically in the ruined, fireless church on the last two Sundays. It was from a cold caught in Constantia and added to later that Mr. Davis was finally confined to his home with pneumonia, his life being despaired of at one time.

The Rev. Geo. C. Wadsworth in the meanwhile continued to solicit money for the cause and went down, shortly after New Year's, and celebrated the Holy Communion in a private house.

*Missions of the Diocese.*

As soon as the weather would permit the contract was let for further repairs on the church. The walls were entirely replastered, the windows reglazed, two chimneys built and other minor repairs made. These repairs cost a little over \$400. One hundred dollars has been promised by the Bishop from the sale of the old church at Watson, the Rev. Mr. Wadsworth had about \$100 on hand in the bank, but the rest will have to come from outside sources. Gasoline lamps have been installed costing \$60; the Little Helpers have given \$40 for a font, and various articles of furniture have been promised. Mr. Cedric Bentley, a student at Hobart College and a Candidate for Orders in this Diocese, will begin work on Trinity Sunday. The Rev. Mr. Wadsworth hopes to open up the church on the Sunday after the Ascension. The latter has never received any salary for his work and gave up his vacation last summer, that the old church might be opened. He continues, however, Priest-in-Charge of the Mission and is Treasurer. On Tuesday in Easter Week a Parish meeting was held, the Archdeacon presiding. The following men were elected: Wardens, Andrew Daffier and Geo. F. Scriba; Vestrymen, G. Howard Avery, Harry O. Angevine, Donald Buel and Frederic C. Lander. The latter is also Clerk of the Vestry and is now past his 97th birthday. The Vestry of All Saints' Church, Syracuse, have kindly given Constantia church the loan of a handsome silver Communion service.

The Priest-in-Charge of Phoenix reports a most successful year. During the year the new St. John's Church has been built. The church was set apart for worship on Easter Day by the Bishop of the Diocese. The Parish is now well equipped, having both a church and parish house, and the outlook for the future success of the work is bright.

The Mission Parishes and Stations are: In Cayuga County. Three meetings of Convocation have been held during the year, viz., at Shehawkin Cottage, on Cayuga Lake, June 20th, 1910; Trinity Church, Seneca Falls, November 13th and 14th, 1910, and St. Paul's Church, Waterloo, April 24th and 25th, 1911.

---

*Missions of the Diocese.*

---

The number of Parishes and Mission Stations in the District depending to a greater or less extent for assistance in maintaining divine services is nineteen and are as follows, viz.:

St. Luke's Church, Cayuga, is in charge of the Rev. Wm. H. Casey, who has overlooked sending anything appertaining to the Parish, though the Treasurer's report shows that their assessment for Diocesan Missions has been paid with an overplus.

Trinity Church, Dryden, has sent no report.

St. Ambrose Mission, Groton, has sent no report.

St. Matthew's Church, Moravia, has sent no report.

Calvary Church, King Ferry, has recently been placed in charge of the Rev. Wm. Curtis White, who reports the administration of Holy Baptism to one adult and three infants. All Missionary apportionments have been met, mainly through the devotion of one communicant. As a thank offering for recovery from a dangerous illness, Miss Sarah A. Goodyear has presented a brass altar desk.

St. Paul's Church, Port Byron, is being faithfully served by Mr. Lewis E. Ward, a student in Hobart College, and most cheering reports have been sent in by him. The church people have been sought out and a new interest awakened, as manifested in the attendance upon divine service. A Sunday School has been organized and carried on with decided interest and regular attendance. The assessment for Diocesan Missions has been paid in full and all other expenses duly met. Thirteen have been baptized during the year and five have been confirmed.

Grace Church, Union Springs, is in charge of the Rev. Wm. H. Casey, who sends no report of the Missionary work in his two Stations. He reports, however, that he has been contributing articles to the local paper, which appear under the heading "Sermons Out of Church," and which are generally read and discussed with interest, and, it is believed, also with profit.

St. John's Church, Weedsport, is in charge of the Rev. Burnett T. Stafford, who reports that the financial obligations of the Mission are duly met and there is an increasing consciousness among the communicants that St. John's has a work to do in Weedsport.

Calvary Church, Hayts Corners, is in charge of the Secretary, and, like most small Missions, is constantly suffering from removals and deaths. It does not fail, however, in meeting all its financial obligations, including its apportionment for Missions, both within the Diocese and those in General.

St. John's Church, Interlaken, is also in charge of the Secretary, it being a "little flock" of zealous people. Its services

**REPORT OF THE COMMITTEE ON THE REPORT OF THE  
BOARD OF MISSIONS OF THE DIOCESE OF  
CENTRAL NEW YORK.**

There can be no question but that the various Missions of the Diocese are feeling the effect of the presence of an Archdeacon who stands ready to encourage the Missionaries in their efforts to extend the work of the Master into all sections. That some of the revived interest in the country districts is due to the reflex action of the Great Laymen's Forward Movement is equally without question.

In many places larger congregations are reported, the laity themselves making suggestions for the good of the work. Contributions for Diocesan Missions have been well up to the mark set in former years, but are not yet what they should be, all the Districts being a little in arrears. Each Parish and Mission of the Diocese could easily pay its assessment for Diocesan Missions if one man in each such Parish and Mission would take it upon himself to raise the same. But it is expected as soon as the Congregational Missionary Committee begin their work in soliciting subscriptions for General Missions that Diocesan Missions will feel the effect, as they have in other Dioceses already. In All Saints' Church, Syracuse, in Christ Church, Oswego, and some others subscriptions are solicited for "Missions," to be contributed through the duplex envelopes every Sunday in the year. Then the amount contributed is divided equally between General Missions and Diocesan Missions. It would be well if the delinquent Parishes and Missions (even the smallest) adopted a similar method.

New work has been undertaken at Endicott and Black River. At the former place three lots, valued at \$1,800, have been donated and a chapel to cost \$2,000 will be erected. Among other prosperous Missions ought to be mentioned the work at Constantia, N. Y., where the congregation are as large as in the city Parishes.

"Do it now" is a good motto in missionary work as well as in business, and the Secretary of the Board of Managers, the Rev. James J. Burd, requests that the Secretaries of the Districts make arrangements to send to him, as the Canon stipulates, their reports at least two weeks before Convention. This will necessitate the preparation of reports by the Missionaries themselves as early as May 2nd of each year.

Your Committee congratulates the Diocese upon the zeal, the energy and the devotion of all her Missionaries and prays that the Holy Spirit of God may be poured out upon their further efforts as they continue "to cast their bread upon the waters."

DAVID C. HUNTINGTON.

**(2) ARCHDEACON'S REPORT TO THE BOARD OF MANAGERS OF DIOCESAN MISSIONS.**

Since my last annual report I have held 163 public services, at which I have celebrated the Holy Communion 75 times and assisted thereat 6 times. I have baptized 4 adults and 16 infants, married one couple, read the burial office 2 times, delivered 164 sermons and addresses, also addressed Sunday Schools on several occasions. I have attended 11 meetings of Convocation, met with vestries and committees 21 times, and performed other duties assigned me by the Bishop.

During the year the usual number of changes have taken place among the Missionary Clergy, and it appears to be getting more and more difficult to secure clergymen for the smaller and outlying Missions. This is due, in part, no doubt, to the smallness of the salaries paid to many of our Missionaries. Because of such changes, vacancies of longer or shorter duration have taken place, but with the help of Lay Readers regular services have been maintained during such vacancies. At the present time 23 such Missions are ministered to by Deacons and Lay Readers; the Archdeacon, with such assistance as he can obtain, ministering the Holy Communion as frequently as possible in each place. Yet, notwithstanding the changes which have taken place and the difficulty of obtaining men for the Missionary field, services have been regularly maintained in all the Missionary Parishes and Stations, except in those which are only summer chapels, and, on the whole, a healthy and steady growth has taken place in the Missionary work of the Diocese. Among the signs of progress, calling for special mention, there should be noted the establishment of a new Mission at Marathon, where a chapel is to be erected this summer and where there is every prospect of permanency. At Black River a new Mission has been organized and, with Great Bend and Glen Park, will be placed under the care of a Missionary, who will begin his work the present month. The chapel at Frederick's Corners, one of our Missions on the borders of the "Big Woods," is being put in thorough repair, most of the labor being done by the members of the Mission. The church at Durhamville, a parochial mission of St. John's Church, Oneida, has undergone extensive repairs. The old church at Constantia has been put in repair, both outside and inside, and services have been resumed after having been discontinued for a number of years. At Endicott, our new Mission, which shows every sign of growth and permanency, has secured a building lot and expects to erect a chapel during the coming summer. New churches have been completed during the year at Elmira Heights and Phoenix, and these two Missions have been organized as Parishes. The Mission at Onondaga Valley, which for a time had been in charge of the Rector of St. Paul's Church, Syracuse, has again become a Mission of the Board, and is served in connection with East Syracuse. The Mission owns a good building lot, and a chapel is to be built there at once, thus giving our work an element of permanency.

---

*Report of the Archdeacon.*

---

An arrangement has been made with the Trustees of the Summer Church of St. Lawrence, Alexandria Bay, which will enable us to use the church building in that village during the rest of the year, and it is expected that regular services will be maintained there in the future.

The Society of Mission Priests held a very successful mission at Fulton. Several new members have been added to their number.

For some time it has been felt that greater progress might be made in our mission for colored people—St. Philip's, Syracuse—if a colored clergyman could be secured for that important work. The several Parishes in that city have shown an interest in the matter and may be willing to provide a sufficient sum of money, which, with the Missionary stipend and the amount which the members themselves can raise, will enable us to secure such a clergyman, who will carry on the work under the supervision of the Rector of Grace Church.

Owing to deaths and removals and the consequent decrease in population, there are at least 17 Parishes in the rural districts, reported as in union with the Convention, in which there are not a sufficient number of qualified voters to form a vestry. Very perplexing questions frequently arise in some of them, and some way should be devised by which such parishes should give up their organizations and become Missionary Stations. An amendment was made last year in the "Religious Corporations Law" looking to that end, but it does not appear to afford the relief required.

At a meeting of your Committee appointed to rearrange the apportionment for General Missions to the various Convocations on a more equitable basis it was decided to apportion the amount asked for, \$11,800, on a scale of percentages on reported current expenses and rector's salary: Parishes paying \$1,000 or less to be apportioned 7 per cent.; \$1,000 to \$2,500, 7½ per cent.; over \$2,500, 8 per cent., the following amounts being agreed upon for each Convocation: First, \$1,295.01; second, \$3,140.79; third, \$2,537.91; fourth, \$3,362.67; fifth, \$1,472.40.

With the men and money at command it will be seen that much has been done for the maintenance and extension of the church's work in the suburban and rural districts. Our Diocese is a Missionary Diocese, there being 113 Missionary Stations out of a total of 166 Parishes and Stations, and our weak point to-day, as it has been for years, is that the church has not been provided with sufficient means to carry on the work as it ought to be carried on, and one reason why we do not receive enough is that we do not ask enough for the Lord's work; yet we are encouraged by the fact that there is, on the part of our people, a larger appreciation of the church's missionary work and a realization that that work is one in which

*S. S. Advent Offering.*

every member, old and young, poor and rich, are privileged to share.

I would here reiterate what I said on a former occasion with reference to an increase in the Permanent Missionary Fund. That fund, which is \$26,000, ought to be increased to at least \$100,000. Two years ago a resolution was adopted by the Convention, and a committee appointed to carry out its provisions, as follows: "Resolved, That this Convention take steps to create a Board of Trustees to care for the Permanent Missionary Fund, and that such Board take measures at once to increase the Permanent Missionary Fund to at least \$50,000, and that a committee be appointed . . . to take this matter under consideration, with full power to take the necessary legal steps for the incorporation of such trustees." No action seems to have been taken by that committee.

The receipts for Diocesan Missions for the fiscal year have been \$968.41; from the Permanent Fund, \$10,918.16 offerings from various Convocations: \$129.50 Sunday School Advent offering; \$35 from other sources, making a total of \$12,015.57. There has been expended for the maintenance of the work \$12,424.90, leaving a deficit of \$363.33.

To carry on the work as at present organized, without making provision for its extension, the sum of \$12,886 will be needed; this, with the deficit, makes the sum of \$13,249.33. Of this amount \$1,000 may be expected from the Permanent Missionary Fund, leaving \$12,250 to be assessed upon the various Convocations.

WILLIAM COOKE, Archdeacon.

*Report of the Treasurer of the Diocese.*

The expenses of accomplishing the work of the Committee were \$8.42, which leaves a net total of \$129.50. This report shows a decided decrease in the offerings, and in many cases your Committee obtained this offering reluctantly. We feel very strongly that, inasmuch as many Sunday Schools are taking the offering on the third Sunday of the month and, counting the amount given by the Sunday School on the Parish Assessment, it is far wiser to give up the Advent Sunday School offerings and ask each Parish to take the offering in the Sunday School on the third Sunday of each month.

*Christmas Fund—Report of the Trustees.*

---

The Diocesan Missions account at the time of closing the Treasurer's books showed a deficit of \$850.61.

To meet the monthly payments of stipends it was necessary to borrow \$2,000 early in the fiscal year, on which interest was paid amounting to \$70.

This emphasizes again the need which exists of increasing our Permanent Missionary Fund to an amount which shall yield sufficient income to give us a small working capital for our missionary work.

The amount of money in hand under the head of "Miscellaneous" is the accumulation of several offerings during the past two years for Work Among the Jews. The society which formerly used these funds for Work Among the Jews has suspended operations, and there is no authorized agency to whom these funds may be sent.

There is sometimes confusion in the remittance to me of sums of money designed for the Society for the Increase of the Ministry. Unless they are mentioned as specifically intended for that society, they are placed in the fund in my hand known as the Ministerial Education Fund, which is at the disposal of the Bishop, and the Canonical offering for which is called an offering for the "Increase of the Ministry."

Respectfully submitted,

FRANK L. LYMAN, Treasurer.

The Committee on the Accounts of the Treasurer of the Diocese reports that it examined the books and vouchers on May 26th, finding the cash balance correct and receipts exhibited for all disbursements.

### **(1) REPORT OF THE TRUSTEES.**

To the Convention, Diocese of Central New York:

The Trustees of the Christmas Fund, Diocese of Central New York, respectfully submit their report for the year ending April 30th, 1911, as follows, referring you to the annexed report of the Treasurer for the financial details:

At the first meeting of the year, held October 10th, 1910, the following officers were elected to serve for the term of one year: President, Wm. Watkins; Secretary and Treasurer, G. Howard Avery.

*Christmas Fund—Report of the Trustees.*

At this meeting we were gratified to learn that the late John Brainard, D. D., of Auburn, had remembered the Christmas Fund in his will by a legacy of \$1,000, thereby setting an excellent example to the Clergy of Central New York by his generosity and thoughtfulness. We were also pleased to learn that the late Wm. H. Clark of Binghamton, a worthy layman, had bequeathed the Trustees of the Christmas Fund the sum of \$500.

It is very gratifying to the Trustees to see that the Christmas Fund is in the minds of so many of our Diocesan brethren.

The Convention is called upon to nominate a Trustee to fill the vacancy caused by the expiration of the term of office of Trustee George T. Jack. Respectfully submitted.

WM. WATKINS, President.

*Parochial Fund—Report of the Trustees.***F. Parochial Fund.**

To the Convention of the Diocese of Central New York:

The Trustees of the Parochial Fund herewith present their report for the year from May 1, 1910, to May 1, 1911.

We desire to call attention to the fact that the income of all of the funds held by the Trustees is directed to be paid for certain specified purposes.

That in the past, frequently property has been conveyed to the Trustees, without any provision being made for the payment of taxes, insurance or other expenses, and the Trustees have no funds from which such expenses can be paid. This matter was brought to the attention of the Standing Committee and on January 20, 1911, they passed the following resolution, viz.:

“Resolved, That it is the understanding of the Standing Committee that the Trustees of the Parochial Fund of the Protestant Episcopal Church in the Diocese of Central New York (where no fund has been provided for such purpose) are not responsible and are not to be held liable for the payment of any expenses, including taxes, insurance and repairs, upon real estate which has been deeded to such Trustees, and that hereafter, in all deeds of such real estate to said Trustees there should be a provision that said Trustees are not to be held liable for the payment of taxes, insurance or other expenses.”

During the past year three new funds have been received, viz., St. Peter's Churchyard Cemetery Fund, Sarah F. White Memorial Fund, and Frances M. Stewart Fund.

The Calvary Church Building Fund, Syracuse, has been paid over to the church.

We desire to call attention to the fact that all persons interested in these funds will feel perfectly at liberty to write to the Treasurer for information in regard to the funds in which he is interested.

One hundred dollars was paid on the Denham bond and mortgage, \$50.00 having been paid July 5, 1910, and \$50.00 January 4, 1911. One hundred and fifty dollars was paid on the Guenther bond and mortgage, \$100.00 having been paid June 29, 1910, and \$50.00 December 27, 1910. Fifty dollars was paid June 27, 1910, on the Lamirande bond and mortgage, and the rate of interest on this bond and mortgage was reduced July 1, 1910, from 6% to 5%.

Two hundred dollars was loaned September 12, 1910, to T. C. & E. Checksfield on their bond and mortgage. This bond and mortgage was reduced \$45.00 January 10, 1911.

January 28, 1911, this fund paid the Calvary Church Building Fund \$650, \$200.00 being for the interest that fund held in the Hills bond and mortgage and \$450.00 being for the Checksfield bond and mortgage held by that fund.

The B. M. & K. A. Gray bond and mortgage of \$1,800.00, held by the following funds, viz.: Fiske Fund, \$900.00; Fenno Tudor Fund, \$250.00, and Permanent Missionary Fund, \$650.00, was reduced \$1,000.00 July 20, 1910, and property known as 617 W. Newell street was released from the lien of the mortgage. The mortgage still covers property known as 102 Meadow avenue. The payment of \$1,000.00 paid in full the interest of the Fenno Tudor Fund of \$250.00, and the interest of the Permanent Missionary Fund of \$650.00, and also reduced the interest of the Fiske Fund \$100.00, leaving \$800.00 due to the Fiske Fund. Both of the properties covered by this mortgage were sold, and the Treasurer of the funds, who drew the necessary papers, etc., turned over his fees of \$10.00 for his services in the transaction to the funds interested in this mortgage in proportion to their interest, the Fiske Fund receiving \$5.00, the Fenno Tudor Fund \$1.39 and the Permanent Missionary Fund \$3.61. Fifty dollars was paid on this mortgage January 3, 1911.

Two thousand nine hundred dollars was loaned December 12, 1910, on bonds and mortgages of Geo. C. Ireland to Syracuse Savings Bank, said bonds and mortgages being assigned by said bank to the Trustees of the Parochial Fund, etc. Of this amount \$1,100.00 was advanced from the Fiske Fund and \$1,800.00 from the St. Peter's Churchyard Cemetery Fund. The Fiske Fund paid to the bank in addition \$65.25 accrued interest (which was included in the interest paid this fund by Geo. C. Ireland January 1, 1911), and \$6.00, being the bank's charges for making assignments, etc. Mr. Ireland paid this

fund \$12.45 December 12, 1910, \$6.00 for the last mentioned item, and \$6.45 for cost of recording assignments, etc., paid December 12, 1910, by this fund.

Five hundred dollars was loaned December 12, 1910, on bond and mortgage of Geo. C. Ireland. This mortgage covers same property as mortgages in last paragraph and makes a total loan of \$3,400.00 on this piece of property.

The amount of \$175.00 due from St. Paul's Church, Constableville, Fund, was reduced \$25.00 January 25, 1911, leaving a balance still due of \$150.00.

The Carroll bond and mortgage was foreclosed and the property was sold to Mr. W. D. Dunning for \$2,366.82, \$2,000.00 being amount of principal due and \$366.82 being amount of back interest due, together with costs and expenses of the foreclosure.

There is 20 cents due this fund from the Henry Daboll Fund, being for advance to pay village taxes on the Camillus lot, owned by the Henry Daboll Fund.

The interest due January 1, 1911, of \$2.50 on the Church of St. John the Divine bond and mortgage has not been paid.

The impairment of \$323.96 May 1, 1910, was reduced \$223.96 April 17, 1911, leaving an impairment May 1, 1911, of \$100.00.

*Parochial Fund—Report of the Trustees.*

The W. G. Rubenstein bond and mortgage held by the Johnson and Permanent Missionary Funds was reduced in accordance with the terms thereof \$66.87 during the past year. Thirty-seven dollars and sixty-two cents was credited August 10, 1910, being the amount paid by W. G. Rubenstein for the second installment of paying tax, and \$29.25 was credited October 31, 1910, being the amount paid by W. G. Rubenstein for the sixth installment of the sewer tax. These taxes were a liability of the Trustees, and, according to the terms of the mortgage were to be paid by W. G. Rubenstein and credited as payments on the mortgage. This reduction of \$66.87 was apportioned according to the interest each fund had in the mortgage, the interest of the Johnson Fund being reduced \$53.80 and the Permanent Missionary Fund \$13.07. This leaves the interest of these funds in this bond and mortgage for May 1, 1911, as follows: Johnson Fund, \$1,043.02, and Permanent Missionary Fund, \$253.33. (See 1910 report for statement of mortgage.)

Mrs. Fenner paid \$12.00 during past year, which is the balance due from her for back rent.

The impairment of May 1, 1910, of \$297.36 was increased \$53.80 by the reduction of the Rubenstein mortgage, making a total impairment of \$351.16, upon which \$103.16 was paid April 17, 1911, leaving an impairment May 1, 1911, of \$248.00.

One hundred dollars was paid July 8, 1910, on Lamanno bond and mortgage. One hundred and fifty dollars was paid on Villeneuve bond and mortgage, \$100.00 having been paid July 1, 1910, and \$50.00 January 3, 1911. Three hundred dollars was paid July 5, 1910, on the Herriman bond and mortgage for the release of Lot 10, Block 122, from the mortgage.

The amount of \$35.68 due from the Constable Fund according to 1910 report was paid January 25, 1911.

One thousand six hundred dollars was loaned October 10, 1910, on bond and mortgage of Charles A. Stevens.

The interest of this fund in the W. G. Rubenstein bond and mortgage was reduced \$13.07 during the past year. (See Johnson Fund for statement.)

The Spring street lot was sold May 23, 1910, to Wm. Dopffel for \$75.00 cash; the expenses of the sale were \$1.70, making \$73.70, the net amount realized from the sale. The Henry and Van Buren streets lot was sold June 13, 1910, to Nellie A. DePuy for \$800.00, \$200.00 being paid in cash and her bond and mortgage for \$600.00 being received for the balance. The expenses of the sale were \$2.67 for search, and \$56.12, the balance due on sidewalk taxes, which by the terms of the sale we were compelled to pay at this time; this makes the net amount realized from the sale \$741.21. The net amount realized from the sale of both these lots is \$814.91, which, deducted from \$915.33, the amount these lots were listed at in 1910 report, makes a loss to this fund of \$100.42.

The Loomis avenue lot was sold January 20, 1910, to C. R. & M. O. Rettberg for \$375.00, \$50.00 being paid in cash and their bond and mortgage for \$325.00 being received for the balance. The expenses of sale were \$5.00 toward cost of search, \$2.65 for mortgage tax and recording mortgage, and \$27.74, the balance due on grading tax, which by terms of

sale we were compelled to pay at this time; this makes the net amount realized from the sale \$339.61. This amount deducted from \$355.99, the amount this lot was listed at in 1910 report, makes a loss to this fund of \$16.38.

The losses during past year of \$100.42 and \$16.38 from the sales of real estate, plus \$13.07, the amount of the reduction of the Rubenstein mortgage, and the impairment of May 1, 1910, of \$197.46, makes a total impairment of \$327.33, upon which \$147.33 was paid April 17, 1911, leaving an impairment May 1, 1911, of \$180.00.

The dividends on the Utica City Bank stock have not been paid during the past year.

The interest due January 1, 1911, of \$3.75 on the Church of St. John the Divine bond and mortgage has not been paid.

Income is paid to Treasurer of Diocese.

The Lona Martin bonds and mortgages of \$75.00 and \$100.00 were paid in full July 5, 1910.

Three hundred and fifty dollars was loaned October 10, 1910, on bond and mortgage of Chas. A. Stevens.

The Emma street lot was sold February 14, 1910, to Chas. T. Raynor for \$200.00, \$25.00 being paid in cash and his bond and mortgage being received for \$175.00, the balance. There were some local taxes against this lot which purchaser agreed

*Parochial Fund—Report of the Trustees.*

to pay. The expenses of sale were mortgage tax, \$1.00, and search, \$3.16, making net received from sale \$195.84, and a gain of \$21.13. (Emma street lot listed at \$174.71 in 1910 report.) This gain is added to the accrued income.

According to 1910 report there was \$41.24 due from the Babcock Fund. During past year \$51.07 additional was loaned to the Babcock Fund, making a total of \$92.31, upon which \$22.80 was paid January 25, 1911, leaving a balance due May 1, 1911, from Babcock Fund of \$69.51, \$30.00 of which is due principal and \$39.51 is due income.

The taxes against the Hunt avenue lots have not been paid, as they amount to more than the property is worth, and it has been deemed advisable not to pay them. These lots will probably be a total loss to this fund.

The interest due January 1, 1911, of \$1.25 on the Church of St. John the Divine bond and mortgage has not been paid.

We have been directed to pay Mr. Brockway at rate of \$600.00 a year from July 1, 1909.

Income payable as follows: Five hundred dollars towards salary of Pastor: residue to Vestry for repairs, etc., under written order of the Bishop.

The deed of trust also provides that the Bishop may, should at any time the Parish become unable to support a Clergyman without some assistance, apply a larger portion toward said salary should the accumulation warrant it, reserving, however, always enough for the other purposes mentioned.

Y. According to the terms of the will Sarah F. White gave "to St. Peter's Episcopal Church of Redwood, N. Y., to be by them placed in Parochial Fund for said church the sum of \$500. in cash," but at the time of her decease the estate was so diminished that the legacies could not be paid in full and \$281.12 was allowed for this legacy by the Surrogate. Mrs. Alzina L. Kring added enough more to this amount to make \$300.00 for this fund.

During the past year the Trustees have disposed of vacant real estate owned by the Parochial Fund amounting to \$1,628.83 (according to values listed in 1910 report); this leaves a balance of vacant real estate on hand of \$4,401.38. This property consists of vacant lots in the city and a few vacant lots outside of the city, and the Trustees are making every effort to dispose of these lots, from the sale of which we expect a heavy loss, as most of the lots are not worth what they are listed at and some are very undesirable. During the past few years the Trustees have disposed of the greater part of the real estate which they held, and the lots still on hand are practically the remnants.

Incomes amounting to \$4,615.33 were paid out during the past year in accordance with the objects of the funds, not including the interest of \$100.00 on Moore mortgage (Wetmore Fund) received and paid by the Bishop, nor the amount of \$681.59 of the Calvary Church Building Fund (which has been discontinued) and which was paid in accordance with the purpose of that fund. This amount does not include money paid

for taxes and assessments or other expenses, such as foreclosure expenses, salaries or sundry disbursements (1909 report gives list of incomes paid during years 1904-1909 and 1910 report for year 1910).

The amount of \$2.00 which has been paid by the Calvary Church Building Fund, Syracuse, N. Y., toward the Treasurer's salary has been directed by the Trustees to be paid from the St. Peter's Churchyard Cemetery Fund.

The Treasurer's bond from the American Surety Company is in the possession of the Treasurer of the Diocese.

The term of office of Mr. Krumbhaar and Mr. Andrews expires this year and their successors should be elected.

All of which is respectfully submitted.

LOUIS KRUMBHAAR,

We, a majority of the committee designated to examine the report of the Trustees of the Parochial Fund of the Diocese of Central New York, respectfully report:

We have examined the securities, vouchers for payments and bank pass books showing the cash on deposit on May 1st, 1911, and believe the report correct.

We call the attention of the Convention to the impossibility of any committee determining beyond dispute the amounts remaining unpaid on the mortgages held by the Trustees without the certificates of the owners of the mortgaged properties as to such amounts.

Without intending in the slightest degree to reflect on the integrity or business ability of the Trustees, whose accounts appear to be carefully kept, and believing such accounts to be absolutely correct, we would suggest if the Convention desires a thorough auditing of such accounts an expert accountant be employed for that purpose at stated intervals.

The method which we understand has continued for many years is to apportion or apply certain securities as an investment for each fund. The impossibility of obtaining securities in amounts so that the balances in each fund can be fully invested has resulted in some mortgages being apportioned among several funds, thus complicating the keeping of the accounts. The rates of interest on securities held varies, the result being that the earnings of certain funds are greater in percentage than others. We believe, and take the liberty of recommending, that the apportionment of the securities to the various funds cease and the entire net income be apportioned among

*Van Wagenen Fund—Report of the Trustee*

the different funds in proportion to their respective amounts, to the end that the beneficiaries of each receive the same rate of income and any loss or impairment be borne pro rata. As certain funds now hold real estate as the result of mortgage foreclosure, when the same is disposed of the amount received can be added to the principal with which such funds are respectively credited.

All of which is respectfully submitted.

Dated May 27, 1911.

## G. Van Wagenen Fund

To the Convention of the Diocese of Central New York:

The number of securities in the fund has been reduced by two since last year's report, and it will be the endeavor of your Trustee hereafter to consolidate loans as fast as possible so as to make the administration less burdensome.

All fixed charges have been paid during the year, and the total footings advanced \$726.40.

Payments of interest have been gratifyingly prompt, the first four only of the list submitted being in arrears. The two smaller of these (\$600 each) are burdens long carried, one of them being practically uncollectable if forced.

With that single exception, I believe the securities are worth their face.

Respectfully submitted,

J. R. VAN WAGENEN, Trustee.

### **Registrar's Report**

To the Convention of the Diocese of Central New York.

The Registrar of the Diocese reports that during the conventional year he has received 192 Journals of Diocesan Conventions, and Convocations of Missionary Jurisdiction, made 32 applications to Registrars and Secretaries of other Dioceses for Journals to complete our files—most of which brought no response—and forwarded to others making similar applications, many of our own Journals. Eight bound volumes of Journals have been added to the Library, and fourteen more volumes are in the binders hands.

The Registrar is much restricted by want of room in his efforts to make the Library either attractive or very useful. And while he fully appreciates the kind forbearance of the Rector and Vestry of Calvary Church, Utica, in having housed it for so many years in a room which they could themselves use to great advantage, he feels that the Diocese should not contentedly accept this hospitality very much longer.

A centrally located room of at least double the size of the one now occupied by the Library, which might be made a pleasant rendezvous for both Clergy and Laity, as well as a place for special study, is greatly needed.

The financial report is as follows:

## 1. Work Among the Deaf Mutes

### REPORT OF THE DEAF MUTE COMMISSION TO THE DIOCESE OF CENTRAL NEW YORK.

Gentlemen:

Our tenth annual report is hereby respectfully submitted.

The work among the Deaf Mutes in Central New York goes on steadily and regularly as usual, under the ever faithful ministrations of our Missionary, Rev. Harry Van Allen. His own report shows larger and better results than in several years past. This year makes the tenth anniversary since he assumed charge of this most important mission and during all this time he has shown unflinching faithfulness, devotion, and patience in fulfilling his difficult labor. He has won the respect and affection of his people, scattered as they are, over the whole diocese. As far as the commission sees he has accomplished all that could be done, dividing his time with the diocese of Albany.

This is also the tenth year since the organization of this commission. It is grateful to say that it has proven the wisdom of Bishop Huntington in bringing it into existence. Before that time the Missionary received only a very small stipend and that irregularly paid. The canonical offering for the work were irregularly taken and frequently neglected. The Commission has been able to systematize the work and place it, from beginning, on a sound financial basis. The monthly stipend has been met ever since the commission was organized, to the decided relief and comfort of the Missionary, enabling him to do his work much more effectively.

We recognize that this could not have been done, but for the liberal assistance received from the Diocesan Missionary Board, the Junior Auxiliary, and the regular offerings of the congre-

gations. As an evidence of the increased interest on the part of the parishes, it is significant to state that in 1901-2 the first year of the Commission, offerings amounting to \$229.96 were given by only 26 parishes, but in 1909-10, by 61 parishes, amounting to \$691.31 for all of which we are profoundly grateful.

Gratefully acknowledging the willing and generous assistance which enables us to make this report so satisfactory, we remain, Very Sincerely,

Your Commission:

**Report of the Missionary to the Deaf Mutes**

To the Commission on Church Work among the Deaf and Dumb in the Diocese of Central New York:

Gentlemen:—I very respectfully submit the following report of my work among the deaf and dumb of the diocese during the past year:

Services have been held as follows: At Utica, 31; at Syracuse, 20; at Binghamton, 14; at Rome, 11; at Oneida, 9; at Auburn, 7; at Watertown, 3; at Elmira, 3; total 98, of which 25 were celebrations of the Holy Eucharist.

During the winter I met with a rather painful accident

which compelled me to suspend work altogether for over a month, and the resulting lameness has interfered not a little with my activities during the past three months. As a consequence, I am not able to report as many visits to deaf people in the smaller or more remote towns as in previous years. I have, nevertheless, visited deaf people in Clinton, Boonville, Lyons Falls, Lowville and Clayton, and no urgent calls for my services have been neglected.

The deaf, almost without exception, are engaged in the various forms of manual labor, so that sooner or later they drift to the centers of industry where employment is most easily to be obtained. By maintaining regular monthly services at these points I am able to reach a very large proportion of the deaf of the Diocese. The people are willing to come considerable distances to attend, and the increase of trolley facilities makes this easy. The mere enumeration above of the points at which services have been held fails to give an adequate idea of the amount of territory which is actually covered.

The attendance at the services has been good and interest has been well maintained. There is no question that, besides ministering to their spiritual needs, the Mission exercises a most helpful influence in many other ways. The one great evil of deafness is the intellectual and social isolation which it entails. For many of the deaf the Mission is the most important influence that keeps them in touch with the normal world. It is much to be wished that our deaf communicants could be induced to enter, to a greater extent than they now do, the life of the parishes in which they live. I say "induced," for it is more diffidence than anything else that keeps them apart. I am glad to say that many of our rectors are taking a personal interest in the welfare of their deaf parishioners, with the result that the children (nearly all of whom can hear) are being sent to Church Sunday schools and presented for confirmation when they are of proper age. Hitherto one of the most disconcerting features of my work has been the fact that while the deaf parents are often very faithful and consistent communicants of the Church, their hearing children have gone to the denominations from which the parents originally came. It seems to me that when the parents have been brought into the Church, the oversight of the hearing children properly falls to the rector of the parish.

There have been two baptisms during the year, one adult at Oneida and one infant at Boonville. There has been one confirmation, at St. Andrew's, Utica, the candidate being presented for St. John's, Oneida. There has been one funeral, the burial service being said at Syracuse and the committal at Utica. I have married two couples, one at Fulton and the other at Corn-  
ing, in the Diocese of Western New York.

During the year I have taken much interest in the progress of the school for the deaf at Rome and have made half a dozen visits. At the closing exercises in June I made the invocation

and pronounced the benediction, and I also attended the annual meeting of the school Alumni Association. In August I was present at the annual gathering of the graduates at Sylvan Beach, something over a hundred deaf people being in attendance.

I have had so much work to do that I have not been able to take much part in the social life of the deaf, and, beyond an occasional gathering of friends and Church attendants at my house, I have nothing in this connection to report. Nevertheless, during the year, I have had 156 more or less personal interviews with 210 individuals, either at their homes or at Church before or after service, and in this way I have been able to keep in fairly close touch with the majority of my people.

My thanks are due to the Rev. Mr. Smielau, the missionary in the Diocese of Harrisburg, for taking services at Binghamton and Elmira several times during the year. In December I was able in part to return his kindness by holding services for him at Scranton and Wilkesbarre. I also visited Philadelphia, where I preached at All Soul's Church for the Deaf and made an address to the Sunday school. While in Philadelphia I attended and spoke at a gathering in commemoration of the anniversary of the birth of Thomas Hopkins Gallaudet, the first teacher of the deaf in America.

For a portion of the year I have acted as corresponding secretary of the Commission of Advice to Church Workers among the Deaf, a joint committee of the General Convention of which Bishop Olmsted is chairman, and this has involved a large amount of correspondence and labor upon statistical tables. In addition, I have, of course, tried to do my full duty as missionary to the deaf in the neighboring Diocese of Albany.

The offerings of the deaf at services have amounted to \$89.86. No attempt has been made to estimate what has been given indirectly in the way of entertainment, etc. In various places considerable amounts have been raised for charitable purposes, which, as they did not pass through my hands, cannot be here included. My expenditures have been as follows: For traveling expenses, \$100.88; for postage, stationery and printing, \$12.80; for expense of visiting clergy, \$7.18; for charity, \$3.50; total, \$135.36.

In conclusion, I desire to express my appreciation of the kindness shown me by the Bishop of the Diocese, by the members of the Commission and by the clergy generally. My thanks are especially due to Mr. Charles W. Andrews, of the Commission, who has most generously helped me with advice in connection with my work in Syracuse.

Very respectfully yours,

H. VAN ALLEN.

**OTHER CLERICAL REPORTS.**

The Rev. W. M. Beauchamp, S. T. D., residing at Syracuse, reports that during the past year he has preached 50 times, celebrated the Holy Communion 31 times and assisted at 7 celebrations; also at 10 other public services. He has also officiated at 3 weddings, 4 funerals and at one infant baptism, and has lectured on many occasions. The acts recorded have been in over a dozen parishes.

The Rev. R. M. Duff, D. D., Missionary of Chenango County, under the Van Wagenen Fund, reports that during the past year he was unable for some months, on account of imperfect vision, to hold the regular services in the various missions under his charge. Through the kind assistance, however, of personal friends among the clergy and laity, services have been carried on in the principal missions as usual. His vision having sufficiently improved, he was able to resume his duties about the first of April, and hopes that he may be able to continue his work henceforward.

The record of his work will be found in the reports of the missions, in which he has been able to hold occasional services, since May 1st, 1910.

The Rev. W. S. Hayward, residing at Syracuse, reports that up to September 1st, 1910, he was in charge of Onondaga Castle and that properly his ministerial acts may be included in the parochial report of that mission. Altogether he has held or assisted at 130 services at Onondaga Castle, Onondaga Valley, East Syracuse, Cazenovia and several of the churches in Syracuse; baptised four, and preached seventy-five times.

The Rev. E. F. H. J. Masse begs to report that during the late Convention year he was mainly engaged as senior assistant at St. Paul's Church, Brooklyn, in the Diocese of Long Island. During last summer he was acting chaplain to the forces (British) at Hamilton Barracks, Bermuda.

The Rev. A. H. Ormsbee, residing at Schenectady, N. Y., reports that during the Convention year he has officiated ten times in the Diocese of Albany. Seven of these were Sunday services, including one celebration of the Holy Communion in Church and one private Communion of the sick. The three on other days were burials.

The Rev. William W. Raymond, residing at Baldwinsville, has been occupied from May 1st, 1910, to May 1st, 1911, as fol-

lows: During the summer, three months locum tenens in St. Joseph's Church, Rome, and St. Peter's Church, Oriskany. From September 18, 1910, to February 1, 1911, in charge of the large and prosperous parish of Christ Church, Corning, W. N. Y. In February three Sundays locum tenens in Christ Church, Binghamton, and one Sunday in St. Paul's Church, Owego. During March and April in charge of St. John's Church, Auburn. During the first part of the year continued ministrations as chaplain to The Shelter, Syracuse, finally relinquishing the duties of the office by enforced absence on account of long distance. Attended annual convention, convocations, and in November present at a great meeting of the "Laymen's Missionary Movement" in Rochester.

The Rev. John A. Staunton, residing in Utica, reports that, within the last Diocesan year, he has celebrated the Holy Communion 19 times, said, or assisted in, 33 other services, preached 22 times, solemnized one marriage, and officiated at two burials.

The Rev. Charles H. Tyndell reports from McLean Hospital, Waverly, Mass., that his physical infirmity of chronic rheumatism prevents his attendance at convention, and that he has been unable to conduct Divine services during the past year. He rejoices to hear of the growth of the Diocese and hopes that the Convention will be of spiritual benefit to all.

The Rev. B. E. Whipple, residing at Altmar, reports that he has baptised four persons, three children and one adult; officiated at three burials, and one marriage and has assisted at Church service once.

#### HOUSE OF THE GOOD SHEPHERD, BINGHAMTON.

The House of the Good Shepherd in the City of Binghamton reports that during the past year the House family has consisted of twelve women.

Some baskets of provisions have been given by the church people of Binghamton, and there have been some contributions from churches outside of the city. The more generous support of church people in the district generally is asked.

The invested funds amount to \$6,500, and there is an income from the rental of a dwelling house. Beyond this, the House depends upon the liberal contributions of friends for its maintenance. Aged church women of the City of Binghamton and of the Diocese are eligible to admission to the House.

Beardsley, Mrs. Walter C. Gibson; Mrs. E. J. Wolcott, Secretary; Miss A. M. Lynch, Treasurer.

Matron—"Sister Clara," Miss La Hue.

Chaplain—The Rev. J. W. Clarke.

It is the aim of this institution to supply to the little ones entrusted to its care a good home, together with the much needed influence of a pure family life. Religious education is, of course, the primary object, and besides the daily devotions, it is the rule to have a weekly service and a catechetical instruction by the Chaplain. The house is grateful to the Bishop for his kindly interest shown in many ways.

Two hundred and four children have been cared for during the past year.

THE SHELTER FOR UNPROTECTED GIRLS, SYRACUSE.

206 Roberts Avenue, Syracuse. Reached by Park-Summit cars.

Founded by Bishop Huntington in 1877.

Not strictly a Diocesan institution, but chiefly in the care and management of the Church.

The Hon. Charles Andrews is President of the Board of Trustees; Miss Arria S. Huntington is Vice President; Mrs. H. L. Elsner is Secretary; Miss Mabel T. White is Treasurer; Miss A. A. Kendall is Superintendent; Bishop Olmsted, Mrs. F. R. Hazard and Mrs. Karl Schwartz are members of the Board.

Chaplain—The Rev. A. A. Jaynes.

The widespread interest lately awakened in all matters of social reform has laid increased responsibility on the Trustees of the Shelter, while at the same time new rules made for all private reformatory institutions by the State Board of Charities demand a larger outlay in the field of education. To meet the present situation it has become necessary to engage for the coming year first class teachers for day school and domestic science and to provide new rooms and equipment. Another advance is in the line of organized play for the hours of recreation. An experienced leader has been employed in this department, with much benefit to the girls. During the summer the younger ones have flower gardens and are paid a small sum for taking care of them. The work is distinctively for juvenile delinquents from the age of twelve to eighteen. A parole officer is employed to place and visit those who go out to service. Since the Shelter is the only private reformatory for girls, except those under the Roman Catholics, in Central and

Western New York, and one of but two or three in the whole State where the inmates receive church training, it may become an object of special interest as the conscience of Christian people of our own communion is aroused by what is being done in the country at large in this direction.

About fifty girls are accommodated, voluntarily or involuntarily housed for better protection, more careful training and needful restraint. Thorough domestic instruction is given, with ample provision for common education, religious worship and recreation. Visits are permitted from parents and guardians, and also invited from other Christian and philanthropic people. Contributions are solicited, on which the support of the institution is largely dependent.

Section 1. Within one week before the meeting of every Convention of this Diocese, the Bishop shall prepare, or cause to be prepared, a list of all the Ministers canonically resident in this Diocese, annexing the names of their respective Cures, Parishes, Stations, or places of residence, designating those who are entitled to seats in the Convention; but no Clergyman while suspended from the Ministry, shall have a place on the said list. And such list shall be laid before the Convention on the first day of meeting, and be prefixed to the Journal.

Sec. 2. The right of any Clergyman of this Diocese to a seat in the Convention shall, if disputed, be determined according to the provisions of the Third Article of the Constitution, by the Convention itself, whether his name be inserted in the list aforesaid or omitted.

Sec. 3. The proof of the regular admission of a Clergyman into this Diocese shall consist of evidence satisfactory to the Convention of a compliance with Section V of Canon 16 of the Canons of the General Convention; and the proof of a settlement in a Church thereof shall consist of evidence satisfactory to the Convention of a compliance with the first and second sections of Canon 15 of the Canons of the General Convention.

This certificate shall state in all cases that the person so certified is entitled to vote for Wardens and Vestrymen—or would be so entitled if the Church which he is appointed to represent were not otherwise organized or incorporated—and that the said Parish or Church is not in arrears in payment of its assessment for the Diocesan Expense Fund, or (if it be in arrears) that it prays the Convention to remit

Sec. 2. At every Convention the Bishop shall take the Chair, and shall continue to preside during its sitting. He shall possess the usual powers of presiding officers in deliberative assemblies to preserve order and decorum, and shall decide all questions of order without debate, subject to an appeal to the House. He shall have the right to call the Bishop Coadjutor, if there be one, to the chair; or, there being no Bishop Coadjutor, to name any clerical member to preside; but such substitution shall not extend beyond an adjournment unless agreed to by the House.

Sec. 3. In case of the absence or disability of the Bishop (there being no Bishop Coadjutor), or of a vacancy in the office, the senior clerical member of the Standing Committee present shall call the Convention to order and act as President *pro tempore*, until the Convention shall be organized and shall have elected a President.

Sec. 4. The presence of at least twenty Clergymen entitled to vote in the Convention, and of Delegates from at least twenty Congregations, shall be necessary to the transaction of business, except that a smaller number may adjourn from day to day.

Sec. 5. A quorum being found to be in attendance, the President shall declare the Convention duly organized. The Secretary shall then be elected, who may nominate an Assistant Secretary, to be approved by the Convention.

Sec. 6. The Rules of Order of the preceding Annual Convention shall be the Rules of Order until altered by a vote of a majority of the Convention.

This letter shall contain a notice of the time and place of holding the Convention, extracts from the Constitution and Canons relating to the appointment of Lay Delegates, and a form of certificate of their election. Notice of the meeting shall also be inserted in any newspaper in which the Bishop may direct such insertion to be made.

Sec. 2. Whenever, under the provision of the Constitution, a special Convention is called for any particular purpose, it shall be the duty of the Secretary, in the notice thereof, to specify such purpose.

*Canon IV, V.*

Sec. 3. It shall be the duty of the Secretary, on or within two weeks before the first day of May in each year, to notify, by letter, the Treasurer of the Diocese, and the President or Secretary of any Board of Trustees having in charge any funds belonging to the Diocese, of the duty imposed upon them by Section 1 of Canon XXI. And at least two weeks before the meeting of Convention in each year he shall also notify the Chairman of each Standing Committee appointed under Section 2 of said Canon XXI of the duty required of the Committee by Section 3 of the said Canon. And on or before the first day of May in each year he shall notify the Chairman of each Special Committee appointed by the preceding Convention to report to the next Convention of the duty imposed by Section 4 of the said Canon.

CANON IV.

*Of Attending the Meetings of the Convention.*

Section 1. Whereas, the regular attendance of the Clergy and Laity at the meetings of the Convention is of essential consequence to the interests of the Church, this duty is hereby enjoined upon them.

Sec. 2. The necessary mileage of the Clergy in traveling to and from the place of Convention shall be paid by the Treasurer of the Convention from the Diocesan Expense Fund, and the several amounts so paid shall be added to the assessment for the said fund; provided, that no Clergyman shall have any claim for mileage whose Parish or Church is in arrears on its assessment to the Diocesan Expense Fund.

Sec. 3. No member of this Convention shall leave the same during its session without having applied for and received leave of absence.

CANON V.

*Of the Admission of a Church Into Union With the Convention of This Diocese.*

Section 1. To entitle a Church to admission into union with the Convention of this Diocese it is required that there be submitted to the Convention of the same at a stated meeting (1) A certificate from the Bishop, or, in case of his absence or a vacancy in the Episcopate, of a major part of the Standing Committee, approving the incorporation of such a Church; (2) The certificate of incorporation duly proved and recorded, or a copy thereof certified by the Clerk of the County. But no such certificate shall be given by the Bishop or the majority of the Standing Committee save upon satisfactory evidence of the ability of such Church to pay and continue the sum of at least six hundred dollars a year for the support of a Rector or Missionary; and also that such Church contains at least thirty actual Communicants.

---

*Canon VI.*

---

Sec. 2. Whenever hereafter any Church in union with this Convention shall have neglected for two years in succession to make the annual parochial report, no missionary report being made in its behalf, the Secretary shall so report to the Convention and such Church may be declared by the Convention to be no longer entitled to representation. But any such Church, on making its report for the time elapsed, may be readmitted to representation by a vote of the Convention.

CANON VI.

*Of Organized Missions and of Extinct Churches.*

Section 1. When a Congregation in a Mission Station gives evidence of permanencé and growth, but has not the strength to be incorporated as a parish, it may, with the consent of the Bishop, become an Organized Mission as follows: When a meeting of the congregation, called for the purpose by the Missionary in charge, shall be in favor thereof, he shall present to the Bishop of the Diocese the names of not less than three or more than five persons nominated at such meeting, who, with the approval of the Bishop, shall be the Executive Committee of the Mission, to hold office for one year, or until their successors are appointed. And every year thereafter, on some day in the week beginning with the first Sunday in Advent, a similar meeting shall be held, and the nomination, presentation and appointment shall be renewed for the ensuing year. The Executive Committee shall have a Clerk and Treasurer and shall keep minutes of its proceedings and an account of its finances.

Sec. 2. It shall be the duty of the Executive Committee, of which the Missionary in charge shall be ex-officio chairman, to have charge of, and to administer the temporalities and property of the Mission and provide all things necessary for divine service, and the means for the support of the minister and the expenses of the Mission.

Sec. 3. When any real estate is acquired or to be acquired for an Organized Mission, the Trustees of the Parochial Fund of the Protestant Episcopal Church in the Diocese of Central New York, *except* in the case of extinct churches, may take the title thereto for the use thereof, and require said Mission to provide for and pay all expenses incurred in the management and care of said real estate.

Sec. 4. When an incorporated Parish has failed for two consecutive years to maintain religious services according to the discipline, customs and usages of the incorporated governing body, or has had less than thirteen resident attending members paying annual pew rent, or making annual contribution toward its support, or has ceased for two consecutive years to have a sufficient number of men qualified to elect or to serve as wardens and vestrymen therein, it shall be the duty of the clergyman in charge to report the facts to the Bishop of the Diocese; whereupon it shall be the duty of the Bishop, on notice to such members, if any, of said Parish, as he may deem advisable, to examine into and report the facts by reason of which

*Canon VII.*

said Parish has become extinct, together with his recommendations, or, in case of a vacancy in the Episcopate, those of the Standing Committee, to the Convention, so that it may take such action as may be necessary to carry out the provisions of law relating to the care and management of the property of the extinct church.

Sec. 5. But, whereas, during the time the temporalities and property of such Parish are managed as those of an extinct church there may be or become a congregation of worshipers for whom it shall be necessary to provide religious services, in which case it shall be the duty of the Rector, if there be one, or of the Missionary in charge, to see that the congregation is organized in like manner as above provided for an Organized Mission. *Provided*, that when such Mission shall have regained strength enabling it to elect a legal vestry, with reasonable prospect of permanent continuance, its status as a parish and its property may be restored to it by the convention on the recommendation of the Bishop and the Standing Committee.

CANON VII.

*Of Vacant Churches.*

Section 1. Whenever a Church becomes vacant it shall be the duty of the Vestry to give immediate notice thereof to the Bishop. Upon the receipt of such notice the Bishop may, within ten days, certify to the Vestry the name or names of one or more Clergymen of this Church in his opinion well qualified to fill the vacant cure, and it shall be the duty of the Vestry to consider such nominations before extending a call to any other Clergyman.

Sec. 2. The Bishop shall appoint those of the Clergy in the Diocese, who can with most convenience discharge the duty, to supply such vacant Parishes as have been reported to him, at such times as may be deemed convenient and proper. It shall be the duty of such vacant Churches thus supplied to defray all the expenses incident to such occasional services.

CANON VIII.

*Of the Secretary of the Convention.*

Section 1. In addition to the duties imposed upon the Secretary by the Constitution and by Canon III, it shall be his duty to procure and superintend, subject to the orders of the Convention, the printing of the Journal of the Annual Convention and accompanying documents, and to distribute copies of the same, when printed, as follows:

To each Clergyman in the Diocese and to each Lay Delegate attending the Convention, one copy; to each self-supporting Parish or Church in the Diocese, five copies; to each Stipendiary Parish, three copies; to each Organized Mission, two copies, one of which it shall be the duty of the Clerk of the Vestry, or Trustees, or Executive Committee, to preserve in the Church Records.

---

*Canon IX.*

---

He shall also transmit one copy to each of the Bishops of this Church in the United States, to the Secretary of the House of Deputies of the General Convention, and to the Secretary of every Diocesan Convention, requesting these last to send in return copies of their respective Journals in exchange, which, when received, he shall deposit with the Registrar of the Diocese for safe keeping and consultation.

Sec. 2. As required by Section I (ii) of Canon 47 of the Canons of the General Convention, he shall prepare a certified copy of the Testimonials of the Deputies elected to the General Convention and forward the same, at a convenient time before the meeting of the General Convention, to the Secretary of the House of Deputies. He shall forward a duplicate copy to the Standing Committee of the Diocese in which the General Convention is next to meet. He shall also transmit to the Secretary of the House of Deputies the documents required by Section II of Canon 48 of the Canons of the General Convention.

Sec. 3. The expenses incurred by a compliance with the several sections of this Canon shall be paid out of the Diocesan Expense Fund on the order of the Standing Committee of the Diocese, which shall audit the accounts of them on behalf of the Convention.

### CANON IX.

#### *Of the Treasurer of the Diocese.*

Section 1. At every Annual Convention there shall be chosen a Treasurer of the Diocese. It shall be his duty to receive and disburse all moneys collected under the authority of the Convention, the collection and distribution of which shall not be otherwise regulated. He shall be subject to the direction of the Standing Committee in relation to the mode and place of depositing the funds received by him and the manner of paying them out, and his accounts and books shall be at all times subject to the inspection of the Standing Committee or any member thereof. Before entering on the duties of his office he shall give a bond to the Standing Committee in such penalty and with such surety as they shall direct, conditional for the faithful performance of his duties, and for the delivery over to his successor of all funds, securities, books and papers pertaining to his office.

Sec. 2. His accounts shall be reported to the appropriate committee, according to Canon XXI.

Sec. 3. In case of a vacancy in the office, the Standing Committee shall appoint a Treasurer, and the person so appointed shall continue to act until an election is made by the Convention. The Treasurer may be removed at any time from his office by the Standing Committee for any neglect or misconduct, of which they shall be judges.

*Canon X. XI, XII.*

---

CANON X.

*Of the Chancellor of the Diocese.*

The Bishop may nominate for the approval of the Convention a person skilled in ecclesiastical and civil law to be the Chancellor of the Diocese, whose office shall be to act as legal adviser and counsellor to the Bishop, the Standing Committee, ecclesiastical courts and the Convention, when called upon to do so.

CANON XI.

*Of the Standing Committee of the Diocese.*

Section 1. The Standing Committee of the Diocese, provided for by the General Convention in Article IV of the Constitution, shall consist of four Clergymen of this Diocese in Priests' Orders, and four Laymen, Communicants of the Church in this Diocese, to be elected annually by the Convention of the Diocese. The election shall be by ballot, and by the concurrent vote of each order. Vacancies in the Standing Committee occurring by death or otherwise shall be filled by the concurrent vote of the Clerical and Lay Members of the Committee.

Sec. 2. In case of a vacancy in the Episcopate, the powers to be exercised and duties to be performed by the Bishop in matters of discipline shall be exercised and performed by the Standing Committee, except in those cases where such powers and duties are or may be devolved and enjoined upon the Clerical members of said Committee; in which case such powers shall be exercised and duties performed by said Clerical members only; *provided*, that no sentence shall be pronounced upon a Clergyman, but by a Bishop.

Sec. 3. The Secretary of the Standing Committee shall keep a true record of their proceedings and report the same annually to the Diocesan Convention. He shall preserve all books, journals and papers belonging to said committee and transmit the same to his successor in office.

CANON XII.

*Of Deputies to the General Convention.*

Section 1. The Convention shall, at its regular annual meeting next preceding the regular session of the General Convention, elect, by the concurrent ballot of the Clerical and Lay Members, four Clergymen and four Laymen, who shall be Communicants of the Church and residents of the Diocese, to act as Deputies from this Diocese to the General Convention. In like manner the Convention shall elect four Clergymen and four Laymen as Provisional Deputies to act as hereinafter mentioned. The Deputies and Provisional Deputies shall hold their office during the term of three years.

---

*Canon XIII.*

---

A concurrent ballot within the meaning of this section is a ballot in which the Clergy and Laity, voting separately, shall cast each in their own order the highest number of votes for the same Clergymen and the same Laymen. But to effect an election the said highest number of votes in either order must be a majority of all the votes cast by that order in the ballot under consideration. And when there is a failure to elect one or more delegates on the first ballot the balloting shall continue in both orders until a concurrence is attained.

Sec. 2. Any vacancy occurring among the Deputies or Provisional Deputies between the stated times of election may be supplied by any Convention during or prior to which such vacancy shall occur.

Sec. 3. It shall be the duty of the Deputies-elect to signify to the Bishop, on some day within three weeks of the meeting of the General Convention, and at least one week before such meeting, the acceptance of the appointment and their intention to perform its duties; in default of which, and in case of their inability or unwillingness to perform the duties of the appointment, all vacancies so occurring by declensions, sickness or death shall be filled by the designation of the Bishop from the list of the Clergymen and Laymen elected as Provisional Deputies, and such person or persons so designated by the Bishop, being furnished with his certificate thereof, shall have all the power and authority of Deputies duly elected by the Convention.

Sec. 4. In case of a vacancy in the Episcopate, or of the inability of the Bishop to act, the power conferred upon the Bishop by this Canon shall be exercised by the President of the Standing Committee.

### CANON XIII.

#### *Of Elections.*

Section 1. All the Officers of the Convention shall be elected by ballot. Election by ballot may be dispensed with by an unanimous vote of the Convention. And when an election is by ballot a majority of the votes in each order shall be necessary to a valid election. But this section shall not be construed to alter or otherwise affect the specific provisions of Canon XII, Section 1.

Sec. 2. Nominations for members of the Standing Committee and for Deputies and Provisional Deputies to the General Convention, and for Delegates to the Missionary Council of the Second Missionary Department, shall be made on the first day of the Convention, and it shall be the duty of the Secretary of the Convention to print notices containing the names of the persons nominated and the title of the positions for which they are nominated respectively, together with the names of the then present occupants of such positions respectively, and, at the opening of the business session of the second day, to post the same for general inspection at convenient places where the Convention is being held, and distribute the same

---

---

in the Convention. This printed list of nominations shall serve as the ballot at the elections, the voters placing an X mark before the names of the persons for whom they wish to vote. No ballots shall be counted on which more names for any position are voted than there are vacancies therein to be filled.

Sec. 3. In all cases of failure or omission to elect officers by the Convention, the persons last elected shall continue in office until others be chosen.

Sec. 4. In case of vacancies in office occurring during recess, it shall be competent for the Standing Committee, with the approval of the Bishop, to fill, ad interim, any position which the Convention, if in session, might fill.

#### CANON XIV.

*Of Registers, Parochial Reports, and the Removal of Communicants From One Parish to Another.*

Section 1. The Parish Register, in which the Minister is required, by Section III of Canon 16 of the General Convention, to record all Baptisms, Confirmations, Marriages and Burials, and the names of Communicants, shall be provided by the Vestry at the expense of the Congregation, and shall be in the custody of the Rector or Minister for the purpose of such record. In a vacancy of the Cure it shall be in the care of the Church Wardens, who shall see that the proper entries are made therein as the events occur. Every Parish Register, when it has been filled, shall be carefully preserved by the Vestry as a part of the records of the Church.

Sec. 2. The record in the Parish Register shall specify the name and time of birth of the child baptized, with the names of the parents and sponsors; the names of the adults baptized and their chosen witnesses; the names of the persons confirmed; the names of the parties married and of two or more special witnesses of the marriage, and the place where the marriage was solemnized; the names of the persons buried, and also the time when each rite was performed. The Parish Register shall also contain a list of the families and adult persons of the Cure as far as practicable.

Sec. 3. The list of Communicants shall contain the names of all persons who have been regularly admitted to the Communion in the Parish or Church, and of all who have been received from other congregations of this Church by letter or its equivalent, as provided by Canon 40, Section I, of the Canons of General Convention.\* And these names shall remain on the list until the persons cease to be Communicants by (1) death, (2) removal, or (3) discipline by competent authority. No Minister shall put on this list the name of any person coming as a Communicant from another congregation except on presentation of said letter or its equivalent.

Sec. 4. In order that the Annual Report of the Ministers of Parishes and Congregations in this Diocese may contain the information which is required by Section I of Canon 47 of the

---

*Canon XIV.*

---

In reporting the number of Communicants discrimination shall be made by means of separate items between those who shall have received the Holy Communion at least once within the year preceding such report, and all others whose names are on the list as above provided, but who shall not have received the Communion either in public or in private during the year next preceding the report, whatever may have been the occasion or cause of their neglect of their privilege and duty. The Annual Report shall also indicate all the additions to the list of Communicants during the past year, as well as the losses by death, removal, repulsion or suspension, as required by Section III, Canon 16, and Section I, Canon 48, of the Canons of the General Convention. It shall also contain, in addition to the value of Churches and Rectories, the amount of insurance thereon. Under the head of Rector's salary and current expenses shall be included salary of Ministers, choir expenses, wages of Sexton, fuel and lights. Endowments and the income therefrom shall be separately reported and the purpose for which said incomes are used.

Sec. 5. In every case where a Parish or Mission is destitute of a Minister, the Register contemplated by this Canon shall be kept by the Wardens, or by some person appointed by the Vestry or Executive Committee, whose duty it shall also be to prepare and forward to the Bishop the Annual Parochial Report.

Sec. 6. No Rector or other Minister in charge of any Parish in this Diocese shall receive as an habitual Communicant, or enter upon the list of Communicants under his charge, the name of any person who has been a Communicant in any other Parish in this Diocese without such a certificate or letter dismissory from the Parish to which said Communicant last belonged.

Sec. 7. Any Communicant not under censure or ecclesiastical discipline shall be entitled to such a certificate or letter on application therefor to the Minister in charge of the Parish to which said Communicant belongs, and in case of a vacancy in the pastoral care of a Parish, and in case of any person under discipline, the application shall be referred to the Bishop of the Diocese, or, in the vacancy in the Episcopal office, to the President of the Standing Committee, and the answer and decision of the Bishop or of the President of the Standing Committee, as above provided, shall be final.

*\*Canons of the General Convention.*—Canon 40, Section I.—A Communicant in good standing removing from one Parish to another shall be entitled to and shall procure from the Rector or Minister of the Parish or Congregation of his or her last residence, or, if there be no Rector or Minister, from one of the Wardens, a certificate stating that he or she is a Communicant in good standing; and the Rector or Minister of the Parish or Congregation to which he or she removes shall record him or her as a Communicant when

*Canon XV, XVI.*

such letter is presented, or, on failure to produce such letter from no fault of the Communicant, upon other evidence of his or her standing sufficient in the judgment of the said Rector or Minister. Notice of the above record shall be sent by said Rector or Minister to the Rector of the Parish from which the Communicant has removed.

CANON XV.

*Of Parochial Limits.*

No Parish of this Church shall be organized in any town, city or village where one already exists without the consent of the Bishop and Standing Committee of the Diocese, and no edifice for public worship shall be erected by said Parish within one-half mile of the Church building already in existence.

Under the Bishop he shall have the oversight of all Missionary work in his District.

3. Each Missionary District shall annually elect a Secretary and a Treasurer, at its first regular Convocation after the Annual Convention of the Diocese.

4. If the office of Dean of any Missionary District become vacant, by removal or otherwise, the Bishop shall appoint a successor for the remainder of the term.

Sec. IV. 1. In the general Missionary work of the Diocese, the Bishop shall be assisted by a Diocesan Board of Managers, consisting, together with the Bishop, of the Archdeacon, the Secretary of the Board, and the Treasurer of the Diocese, who shall also be the Treasurer of the Board, the five Deans, and five Clergymen and five Laymen, one of each from each Missionary District, to be elected severally by the Convocation of the District entitled to this representation. The Bishop shall preside at the meetings, and in his absence the Archdeacon shall preside.

2. The Diocesan Board of Managers shall consult for the promotion of the Missionary work of the Diocese. It shall, each year, through its Secretary, present to the Diocesan Board of Missions, at its annual session, a report of the Missionary work of the Diocese during the Conventional year. The Board of Managers may appoint such committees as are necessary to attend to details of business arising during the interim between meetings of the Board.

3. The Committee on Appropriations, as hereinafter constituted (Section V, Sub-section 1), shall submit to the Board of Managers, at a meeting to be held prior to the Annual Convention of the Diocese, an estimate of the amounts which in its opinion ought to be appropriated to each Parish and Mission Station for the current year, and the Board of Managers shall report to the Diocesan Convention the sum total of the appropriations which in its opinion should be made for such year. Immediately after the meeting of the Diocesan Convention the Board of Managers shall meet to determine what portion of the money voted by the Convention for the support of its Missionary work shall be assessed upon each of the several Districts, and this determination shall appear in the Journal of the Convention of that year.

4. The Diocesan Board of Managers shall, through its Treasurer, prepare for publication in each Journal of the Convention a table, by districts, of all the Parishes and Missions in the Diocese, the sum assessed to each District to be raised for Diocesan Missionary work, the amount assessed by the District to each Parish and Mission for the same, and the sum actually given for this purpose by each Parish

The said Trustees shall hold their office during the pleasure of the Convention; and all vacancies occurring in said Board of Trustees shall from time to time be filled by the Convention.

Sec. 2. All moneys belonging to the Fund for the Support of the Episcopate shall be loaned by the said Trustees upon securities on real estate to an amount not exceeding seventy per cent. of the appraised value of the property, inclusive of buildings, with proper

Any excess of income over and above the amount of such salary shall be held and invested by said Trustees as an auxiliary and supplementary Fund and applied as occasion may require; first, to make good any deficiency of income in succeeding years, and, second, to make good any losses or deficiencies in the principal, should any such occur; or, third, to augment the principal, should the Convention so order.

### CANON XXI.

#### *Of the Fiscal Year and Financial Reports.*

Section 1. The fiscal year of the Diocese shall begin on the first day of May annually and end on the thirtieth day of April following. And the Treasurer of the Diocese and all Trustees having in charge any funds belonging to the Diocese shall annually make their reports to the appropriate Standing Committees at least two weeks before the meeting of the Convention in each year.

Sec. 2. Standing Committees shall be appointed at each Annual Convention to consider and report to the Annual Convention next ensuing, as follows:

*Canon XXII.*

1. On the Accounts of the Treasurer of the Diocese, consisting of three Laymen.
2. On the Report of the Trustees of the Fund for the Support of the Episcopate, consisting of three Laymen.
3. On the Report of the Trustees of the Christmas Fund, consisting of three Laymen.
4. On the Report of the Trustees of the Parochial Fund, consisting of three Laymen.
5. On the Report of the Trustee of the Van Wagenen Missionary Fund, consisting of one Clergyman and two Laymen.
6. On the Report of the Trustees of the Bible and Prayer Book Society, consisting of one Clergyman and two Laymen.

Sec. 3. It shall be the duty of each of these several committees to meet in each year at some time between the first of May and the meeting of the next Annual Convention, at the place where the Treasurer resides, or where the funds are held, and make an examination into all books, papers, vouchers, etc., relating to the respective funds held by the Treasurer or Trustees, and prepare a report to be presented to the Annual Convention next ensuing. An abstract of each report, with such resolutions as may be proposed, and the reports of the Standing Committees constituted by this Canon shall be furnished to the Secretary of the Convention in time to permit him to cause the same to be printed, and sent to the Clergy and Lay Delegates one week before the meeting of the Convention.

Sec. 4. All Special Committees appointed by one Convention to report to the next Convention shall send their report to the Secretary of the Convention two weeks before the date of Convention, and the Secretary shall cause such reports to be printed, and each line to be numbered, and four copies sent to every Clergyman one week before the meeting of the Convention. If any Committee shall fail to send its report to the Secretary in due time to have it printed such report shall not be presented to the Convention without the consent of a two-thirds vote of the members present.

CANON XXII.

*Of the Trial of a Clergyman Not Being a Bishop.*

Whenever any Minister of the Diocese, not being a Bishop thereof, shall become liable to presentment and trial under the provisions of any Canon of the General or Diocesan Convention, the mode of proceedings in this Diocese shall be as follows, viz.:

Section 1. The trial shall be on a presentment in writing, addressed to the Bishop of the Diocese, specifying the offenses of which the accused is alleged to be guilty, with reasonable certainty as to time, place and circumstances. Such presentment may be made by the major part in number of the members of the Vestry of

---

*Canon XXII.*

---

any Church of which the accused is a Minister, or by any three Presbyters of this Diocese entitled to seats in the Convention or as hereinafter mentioned. Whenever, from public rumor, or otherwise, the Bishop shall have reason to believe that any Clergyman is under the imputation of having been guilty of any offense or misconduct for which he is liable to be tried, and that the interest of the Church requires an investigation, it shall be his duty to appoint five persons, of whom three at least shall be Presbyters, to examine the case—a majority of whom may make such examination; and if there is, in their opinion, sufficient ground for presentment, shall present the Clergyman accordingly.

Sec. 2. A presentment being made in any of the modes above prescribed, the Bishop, if the facts charged shall not appear to him to be such as to constitute an offense, may dismiss it; or if it allege facts, some of which do and some of which do not constitute an offense, he may allow it in part and dismiss the residue, or he may permit it to be amended. When it shall be allowed, in whole or in part, the Bishop shall cause a copy of it to be served on the accused, and shall also nominate twelve Presbyters of this Diocese entitled to seats in the Convention and not being parties to the presentment, and cause a list of their names to be served on the accused, who shall, within thirty days after such service, select five of them and notify their names in writing to the Bishop; and if he shall not give such notification to the Bishop within the said thirty days, the Bishop shall select five, and the Presbyters so selected shall form a board for the trial of the accused, and shall meet at such time and place as the Bishop shall direct, and shall have power to adjourn from time to time and from place to place (but always within the Diocese), as they shall think necessary.

Sec. 3. A written notice of the time and place of their first meeting shall be served at least thirty days before such meeting on the accused, and also on one of the persons making the presentment.

Sec. 4. If at the time appointed for the first meeting of the Board of Presbyters the whole number of five shall not attend, then those who do attend may adjourn from time to time; and if after one adjournment or more it shall appear to them improbable that the whole number will attend within a reasonable time, then those who do attend, not being less than three, shall constitute the Board, and proceed to the trial, and a majority of them shall decide all questions.

Sec. 5. If a Clergyman presented shall confess the truth of the facts alleged in the presentment it shall be the duty of the Bishop to proceed to pass sentence; and if he shall not confess them before the appointment of a Board for his trial as before mentioned he shall be considered as denying them.

Sec. 6. If a Clergyman presented, after having due notice, shall not appear before the Board of Presbyters appointed for his trial, the Board may nevertheless proceed as if he were present, unless for good cause they shall see fit to adjourn until another day.

---

*Canon XXII.*

---

Sec. 7. When the Board proceeds to the trial they shall hear such evidence as shall be produced; which evidence shall be reduced to writing and signed by the witnesses respectively; and some officer authorized by law to administer oaths may, at the desire of either party, be requested to administer an oath or affirmation to the witnesses that they will testify the truth, the whole truth and nothing but the truth, concerning the facts charged in the presentment. If, on or during the trial, the accused shall confess the truth of the charges as stated in the presentment, the Board may dispense with hearing further evidence, and may proceed at once to state their opinion to the Bishop as to the sentence that ought to be pronounced.

Sec. 8. Upon the application of either party to the Bishop, and it being made satisfactorily to appear to him that any material witness cannot be procured upon the trial, the Bishop may appoint a commissary to take the testimony of such witness. Such commissary may be either a Clergyman or a Layman, and the party so applying shall give to the other at least six days' notice of the time and place of taking the testimony. And if the person on whom the notice shall be served shall reside more than forty miles from the place of examination, an additional day's notice shall be given for every twenty miles of the said distance. And both parties may attend and examine the witness; and the questions and answers shall be reduced to writing and signed by the witness, and shall be certified by the commissary and enclosed under his seal and transmitted to the Board, and shall be received by them as evidence. A witness examined before such commissary may be sworn or affirmed in manner aforesaid.

Sec. 9. The Board, having deliberately considered the evidence, shall declare, in writing, signed by them or a majority of them, their decision on the charges contained in the presentment, distinctly stating whether the accused is guilty or not guilty of such charges respectively, and also stating the sentence which in their opinion should be pronounced; and a copy of such decision shall be without delay communicated to the accused; and the original decision, together with evidence, shall be delivered to the Bishop, who shall pronounce such canonical sentence as shall appear to him to be proper, provided the same shall not exceed in severity the sentence recommended by the Board; and such sentence shall be final. Before pronouncing any sentence the Bishop shall summon the accused and any three or more of the Clergy to meet him at such time as may in his opinion be most convenient, in some Church to be designated by him, which shall for that purpose be opened at the time to all persons who may choose to attend, and the sentence shall then and there be publicly pronounced by the Bishop. But the Bishop, if he shall be satisfied that justice requires it, may grant a new trial to the accused, in which case a new Board of Presbyters shall be appointed, the proceedings before whom shall be conducted as before mentioned.

Sec. 10. All notices and papers contemplated in this Canon may be served by a summoner or summoners, to be appointed for the purpose by the Bishop, and whose certificate of such service shall be evidence thereof. In cases of service by any other person, the

---

*Canon XXII.*

---

fact shall be proved by the affidavit of such person. A written notice or paper delivered to a party, or left at his last place of residence, shall be deemed a sufficient service of such notice or paper; *provided*, however, that the service, if not personal, shall be a notice of at least sixty days.

Sec. 11. The accused may have the privilege of appearing by counsel; in case of the exercise of which privilege, and not otherwise, those who present shall have like privilege; which counsel shall in all cases be members of the Protestant Episcopal Church.

Sec. 12. The record of all proceedings upon a presentment of a Clergyman shall be preserved by the Standing Committee; and for that purpose shall, after final decision, be delivered to their Secretary.

The action of the meeting upon any matter or question shall be decided by a majority of the qualified voters voting thereon, a quorum being present. The officiating minister, or if there be none, or he shall be necessarily absent, any other person qualified to vote at the meeting, who is called to the chair, shall preside thereat. Such presiding officer shall receive the votes, be the judge of the qualifications of voters, and declare the result of the votes cast at such meeting. The polls of the meeting shall remain open for one hour or longer, in the discretion of the presiding officer, or if required by a vote of a majority of the voters present. The meeting shall decide whether such unincorporated Parish or Congregation shall become incorporated. If such decision be in favor of incorporation, such meeting shall decide upon the name of the proposed corporation; what secular day of the week beginning with the first Sunday in Advent, shall be the date of the regular annual election; whether the Vestrymen thereof shall be three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four; and shall elect by ballot from the persons qualified to be voters thereat, who have been baptized, one-third of the number of Vestrymen so decided upon to hold office until the first annual election to be held thereafter, one-third of such number, to hold office until one year after such annual election, and one-third of such number, to hold office until two years after such annual election; and shall elect from such qualified voters who are communicants in the Protestant Episcopal Church, two persons to be Church Wardens thereof, one to hold office until such annual election, and one to hold office until one year after such annual election.

Sec. 41. Certificate of Incorporation.—If such meeting shall decide in favor of incorporation and comply with the next preceding section, the presiding officer of such meeting and at least two other persons present and voting thereat, shall execute and acknowledge a certificate of incorporation setting forth:

1. The fact of the calling and holding of such meeting;
2. The name of the corporation as decided upon thereat;
3. The county, and the town, city or village, in which its principal place of worship is, or is intended to be located;
4. The day of the week commencing with the first Sunday in Advent upon which the annual election shall be held.
5. The number of Vestrymen decided upon at such meeting;
6. The names of the Vestrymen elected at such meeting and the term of office of each;
7. The names of the Church Wardens elected at such meeting and the term of office of each.

On filing of such certificate in the office of the Clerk of the county so specified therein the Church Wardens and Vestrymen so elected and their successors in office together with the Rector, when there is one, shall form a Vestry and shall be the Trustees of such Church or Congregation; and they and their successors shall thereupon, by virtue of this chapter, be a body corporate by the name or title expressed in such certificate, and shall have power, from time to time, to adopt by-laws for its government. Such corporation shall be an incorporated Church, and may be termed also an incorporated Parish.

Sec. 42. Corporate Trustees, Vestry; Powers and Duties Thereof.—No meeting of the Vestry or Trustees of any incorporated Protestant Episcopal Parish or Church shall be held unless either all the members thereof are present, or three days' notice thereof shall be given to each member thereof, by the Rector in writing either personally or by mail, or, if there be no Rector or he be incapable of acting, by one of the Church Wardens: except that twenty-four hours' notice of the first meeting of the Vestry or Trustees after an annual election shall be sufficient, provided such meeting be held within three days after the election. To constitute a quorum of the Vestry or Board of Trustees there must be present either:

1. The Rector, at least one of the Church Wardens and a majority of the Vestrymen: or,

2. The Rector, both Church Wardens and one less than a majority of the Vestrymen; or

3. If the Rector be absent from the Diocese and shall have been so absent for over four calendar months, or if the meeting be called by the Rector and he be absent therefrom or be incapable of acting, one Church Warden and a majority of the Vestrymen, or both Church Wardens and one less than a majority of the Vestrymen. But if there be a Rector of the Parish, no measure shall be taken, in his absence, in any case, for effecting the sale or disposition of the real property of the corporation, nor for the sale or disposition of the capital or principal of the personal property of the corporation, nor shall any act be done which shall impair the rights of such Rector. The presiding officer of the Vestry or Trustees shall be the Rector, or if there be none, or he be absent, the Church Warden, who shall be called to the chair by a majority of the votes, if both the Church Wardens be present; or the Church Warden present, if but one be present. At such meeting of the Vestry or Trustees each member thereof shall be entitled to one vote. The Vestry shall have power to fill a vacancy occurring in the office of a Church Warden or Vestryman by death, resignation or otherwise than by expiration of term, until the next annual election, at which, if such vacancy would continue thereafter, it shall be filled for the remainder of the unexpired term. If vacancies exist in the offices of Church Wardens or Vestrymen in such number that a quorum of the Vestry or Board of Trustees is not in office at any

time, the Rector shall forthwith call a special election for the filling of such vacancies. If there be no Rector the Church Warden longest in office shall call such special election. Notice of such special election shall be read by the rector, or if there be none, or he be absent, by the officiating Minister or by one of the Church Wardens, on the Sunday next preceding such election, in the time of divine service. If for any reason the usual place of worship of the Parish be not open for divine service on such Sunday, such notice shall be posted conspicuously on the outer door of the place of worship for one week next preceding the election. Such notice shall conform to that required for an annual election. The provisions of section forty-three of this chapter relating to annual elections shall apply to such special election, except as inconsistent herewith. Such vacancies shall be filled at such election for the remainder of the unexpired terms. The vestry may, subject to the canons of the Protestant Episcopal Church in the United States, and of the Dioceses in which the Parish or Church is situated, by a majority vote, elect a Rector to fill a vacancy occurring in the rectorship of the Parish, and may fix the salary or compensation of the Rector.

Sec. 43. Annual Elections and Specials Meetings of Incorporated Protestant Episcopal Parishes.—The annual election of a Protestant Episcopal Parish, hereafter incorporated, shall be held on the secular day in the week commencing with the first Sunday in Advent, designated in its certificate of incorporation. The annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated shall be held on the day fixed for such annual election, by or in pursuance of law, or if no such date be so fixed, then on the Monday next after the first Sunday in Advent. Special meetings of any Protestant Episcopal Parish or Church heretofore or hereafter incorporated may be held on any secular day fixed by the Vestry. Notice of such annual election or special meeting shall be read by the Rector of the Parish, or if there be none, or he be absent, by the officiating Minister or by a Church Warden thereof on each of the two Sundays next preceding such election or special meeting, in the time of divine service, or if, for any reason, the usual place of worship of the Parish be not open for divine service, the notice shall be posted conspicuously on the outer door of the place of worship for two weeks next preceding the election or special meeting. Such notice shall specify the place, day and hour of holding the election or special meeting. The notice of the annual election shall also specify the name and term of office of each Church Warden and Vestryman whose term of office shall then expire or whose office shall then be vacant for any cause, and the office for which each such officer is to be then elected. The notice of a special meeting shall specify the matter or question to be brought before such meeting, and no matter or question not specified in such notice shall be acted on at such meeting. The presiding officer of such annual or special meeting shall be the Rector of the Parish, if there be one, or if there be none, or he be absent, one of the Church

Wardens elected for the purpose by a majority of the duly qualified voters present, or if no Church Warden be present, a Vestryman elected in like manner. Such presiding officer shall be the judge of the qualifications of the voters; shall receive the votes cast; and shall declare the result of the votes cast. The presiding officer of such annual or special meeting shall enter the proceedings of the meeting in the book of the minutes of the Vestry, sign his name thereto, and offer the same to as many qualified voters present as he shall think fit, to be also signed by them. Only men of full age belonging to the Parish, who have been regular attendants at its worship and contributors to its support for at least twelve months prior to such election or special meeting or since the establishment of such parish, shall be qualified voters at any such election or special meeting. The action of an annual or special meeting upon any matter or question shall be decided by a majority of the qualified voters voting thereon. The polls of an election shall continue open for one hour and longer, in the discretion of the presiding officer, or if required by a vote of a majority of the qualified voters present and voting. The Church Wardens and Vestrymen shall be elected by ballot from persons qualified to vote at such election, and no person shall be eligible for election as Church Warden, unless he be also a communicant in the Protestant Episcopal Church, nor be eligible for election as Vestryman, unless he shall have been baptized. At each annual election of an incorporated Protestant Episcopal Parish hereafter incorporated, one Church Warden shall be elected to hold office for two years, and one-third of the total number of Vestrymen of the Parish shall be elected to hold office for three years. At each annual election of an incorporated Protestant Episcopal Parish or Church heretofore incorporated, two Church Wardens and the total number of its Vestrymen shall be elected to hold office for one year thereafter, unless the term of office of but one Church Warden or of but one-third of its Vestrymen shall then expire, in which case one Church Warden shall be elected to hold office for two years, and one-third of the total number of its Vestrymen shall be elected to hold office for three years. Each Church Warden and Vestryman shall hold office after the expiration of his term until his successor shall be chosen.

Sec. 44. Changing the Number of Vestrymen of Protestant Episcopal Parishes Hereafter Incorporated.—If the Vestry of a Protestant Episcopal Parish, hereafter incorporated, shall, by resolution, recommend that the number of Vestrymen of such Parish be changed to either three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four Vestrymen, notice of such recommendation shall be included in the notice of the next annual election of such Parish, or in the notice of a special meeting to be held not less than six months before the time fixed for holding the next annual election thereafter, and be submitted to such annual or special meeting. If such recommendation be ratified by such meeting, the presiding officer thereof, and at least two qualified voters present thereat, shall execute and acknowledge a certificate setting forth such reso-

lution of the Vestry, the fact that notice thereof has been given with the notice of such annual election, or with the notice of such special meeting, as the case may be; that the meeting had ratified the same; and the number of vestrymen so decided on. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded, and such change in the number of Vestrymen shall take effect at the time of the next annual election thereafter. If the number of Vestrymen be thereby increased, then, in addition to the number of Vestrymen to be elected at such annual election, one-third of such increased number of Vestrymen shall be elected to hold office for one year thereafter, one-third of such increased number shall be elected to hold office for two years thereafter, and one-third of such increased number shall be elected to hold office for three years thereafter. If the number of Vestrymen by such change be reduced, such reduction shall not affect the term of office of any Vestryman duly elected, and at such next annual election and at each annual election thereafter, one-third of such reduced number of Vestrymen shall be elected to hold office for three years.

Sec. 45. Changing Date of Annual Election, Number and Terms of Office of Vestrymen and Terms of Office of Church Wardens in Protestant Episcopal Churches Heretofore Incorporated.—If the Vestry of a Protestant Episcopal Parish, heretofore incorporated, shall, by resolution, recommend that the date of the annual election be changed to a secular day in the week beginning with the the first Sunday in Advent, or that the number of Vestrymen be changed to three, six, nine, twelve, fifteen, eighteen, twenty-one or twenty-four, and that the terms of office of the Church Wardens be changed so that one Warden shall be elected annually, notice of such recommendation shall be included in the notice of the next annual election of such Parish, or in the notice of a special meeting to be held not less than six months before the time fixed for holding the next annual election thereafter, and be submitted to such annual or special meeting. If such recommendation be ratified by such meeting, the presiding officer thereof and at least two qualified voters present thereat, shall execute and acknowledge a certificate setting forth such resolution of the Vestry; the fact that notice thereof had been given with the notice of the annual election, or with the notice of the special meeting, as the case may be; that such meeting had ratified the same; the date determined upon for the annual election of the Parish; the number of Vestrymen so decided on; and the fact that the meeting determined to thereafter elect Church Wardens, so that the term of one Warden shall expire annually. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded. If the meeting determine to change the date of the annual election, the next annual election shall be held on the day in the week beginning with the first Sunday in Advent, determined on at such meeting, and the terms of the Vestrymen and Church

Wardens which, pursuant to law, would expire at the next annual election shall expire and their successors shall be elected on such day. If the meeting determine to change the number of Vestrymen and manner of electing Wardens and Vestrymen, there shall be elected one-third of the number of Vestrymen determined on at such meeting and one Church Warden to hold office for three years; one-third thereof to hold office for two years; and one-third thereof to hold office for one year, and one Church Warden to hold office for one year, and one to hold for two years; and thereafter at the annual election there shall be elected one-third of the number of Vestrymen determined on at such meeting and one Church Warden. Any Protestant Episcopal Parish, heretofore incorporated, which has changed the number of its Vestrymen and the manner of electing Wardens and Vestrymen pursuant to the provisions of this section, may make further changes in the number of its Vestrymen in the manner provided in section forty-four of this chapter.

Sec. 46. Changing the Qualifications of Voters and the Qualifications of Wardens and Vestrymen.—If the Vestry of a Protestant Episcopal Parish heretofore incorporated shall by resolution recommend that the qualifications of voters and the qualifications of Wardens and Vestrymen be changed to conform in both cases to the requirements of section forty-three of this chapter, notice of such recommendation shall be included in the notice of the next annual election of such Parish, and be submitted to the meeting. If such recommendation be ratified by such meeting the presiding officer thereof and at least two qualified voters present thereat shall execute and acknowledge a certificate setting forth such resolution of the Vestry, the fact that notice thereof had been given with the notice of such annual election, and that the meeting had ratified the same. Such certificate shall be filed in the office of the Clerk of the County in which the original certificate of incorporation is filed and recorded.

#### CHAPTER 185.

AN ACT to amend the religious corporations law, in relation to the property of extinct churches.

Became a law April 29, 1910, with the approval of the Governor.

Section 1. Section sixteen of chapter fifty-three of the laws of nineteen hundred and nine, entitled "An act in relation to religious corporations, constituting chapter fifty-one of the consolidated laws," as amended by chapter four hundred and eight of the laws of nineteen hundred and nine, is hereby further amended to read as follows:

Sec. 16. Property of extinct churches. Such incorporated governing body may decide that a church, parish, or society in

*The Religious Corporations Law.*

connection with it or ever which it has ecclesiastical jurisdiction, has become extinct, if it has failed for two consecutive years next prior thereto, to maintain religious services according to the discipline, customs and usages of such governing body, or has had less than thirteen resident attending members paying annual pew rent, or making annual contributions toward its support, or in case of a parish of the Protestant Episcopal Church, if such parish has ceased for two consecutive years next prior thereto, to have a sufficient number of men qualified to elect or to serve as wardens and vestrymen therein, and may take possession of the temporalities and property belonging to such church, parish or religious society, and manage the same; or may, in pursuance of the provisions of law relating to the disposition of real property by religious corporations, sell or dispose of the same and apply the proceeds thereof to any of the purposes to which the property of such governing religious body is devoted, and it shall not divert such property to any other object. And for the purpose of obtaining a record title to the land and the church edifice, or other buildings thereon, by such incorporated governing body, the surviving trustee or trustees of said extinct church, or if there be no surviving trustee then a surviving member of said extinct church, may, without a consideration being paid therefore by such incorporated governing body, convey to it said land and church edifice, or other buildings thereon, subject, however, to an order of the supreme or county court based upon a petition reciting that said church has become extinct; the names of its surviving trustee or trustees, and the names of its members, who must have given their consent to the making of said conveyance. Upon the recital of said facts in said petition the court shall have jurisdiction to grant an order allowing said conveyance to be made without a consideration; and should there be no surviving members, as well as no surviving trustee of said extinct church, said petition may be made by an officer of such incorporated governing body, in which event the court, upon a recital of said fact, shall have jurisdiction to appoint a suitable person as trustee for the purpose of making said conveyance. Where a proceeding is instituted under this section for the sale of the real property of an extinct religious corporation, a compliance with subdivisions four, five, seven, eight and nine of section seventy-one of "An act relating to corporations generally, constituting chapter twenty-three of the consolidated laws," shall be unnecessary, and such proceeding shall be in all respects valid without a compliance with said subdivisions.

The Trustees of an incorporated Protestant Episcopal Church shall not vote upon any resolution or proposition for the sale, mortgage or lease of its real property unless the Rector of such Church, if it then has a Rector, shall be present, and shall not make application to the court for leave to sell or mortgage any of its real property without the consent of the Bishop and Standing Committee of the Diocese to which such Church belongs; but in case the See be vacant, or the Bishop be absent or unable to act, the consent of the Standing Committee, with their certificate of the vacancy of the See or of the absence or disability of the Bishop shall suffice. \* \* \* The petition of the Trustees of an incorporated Protestant Episcopal Church \* \* \* shall, in addition to the matters required by the Code of Civil Procedure to be set forth therein, set forth that this section has also been complied with. But lots, plots or burial permits in a cemetery owned by a religious corporation may be sold without applying for or obtaining leave of the court.
